## I. PURPOSE AND CONTINUATION OF PRIOR ORDER

This Continued Order supplements and continues the existing Foreign Judgment, Writ of Mandamus, void-ab-initio determination, property/title record, governmental-notice record, preservation record, and injury record concerning Princess Emilily Hotep El and the Monica Rene Hall Estate/Business Trust.

This Order distinguishes the origin of the Consular Court determination from the later filing of that determination in other judicial records. Nothing herein represents that the Eighth Judicial District Court, the United States District Court for the District of Nevada, or the United States Court of Appeals for the Ninth Circuit authored or issued the Consular Court determination.

## II. VOID AB INITIO DETERMINATION - ORIGIN AND SUBSEQUENT FILING

The determination that the challenged proceedings were VOID AB INITIO originated within the Petitioners' Consular Court proceeding and record. It is an order and determination of this Court of Record and shall not be mischaracterized as an order originating from another court.

The Petitioners' record reflects that the existing Consular Court void-ab-initio determination was subsequently filed for notice and record in September 2022 with the Eighth Judicial District Court and the United States District Court for the District of Nevada. Petitioners further maintain that those filings were accepted into the applicable e-filing records and bear clerk filing stamps/certifications.

The purpose of identifying those later filings is to establish notice, filing, service, chronology, and the procedural record. It is not a representation that either receiving court created the underlying Consular Court determination.

## III. SERVICE, E-FILING, NOTICE, AND ASSERTED PROCEDURAL DEFAULT

The record presented by Petitioners reflects that the filed instruments were transmitted through the applicable electronic filing process and that the parties were additionally served through USPS Certified Mail and/or Registered Mail, as reflected by the corresponding certificates of service, mailing receipts, delivery records, and tracking documentation.

Petitioners maintain that, following filing and completed service, no responsive pleading, motion challenging the Consular Court determination, dismissal directed to that determination, or other responsive defense was filed within the record presented to this Court.

This Continued Order therefore preserves Petitioners' position that the failure to timely act or respond after documented filing, service, and notice constitutes a procedural default and an uncorrected procedural defect. This finding is stated as the determination and procedural position of this Court of Record and is not represented as a default judgment entered by a Nevada or federal court.

The record shall preserve the e-filing confirmations, clerk stamps, certificates of service, USPS Certified/ Registered Mail receipts, return receipts, and tracking histories as evidence of what was filed, upon whom it was served, when notice was received, and what responsive action, if any, followed.

## IV. NINTH CIRCUIT WRIT OF MANDAMUS - SEPARATE APPELLATE RECORD

Separate from the Consular Court void-ab-initio determination, the preserved appellate record reflects that a Petition for Writ of Mandamus was filed in the United States Court of Appeals for the Ninth Circuit on August 22, 2022 and assigned Case No. 22-70183. The docket reflects that the petition was filed, the cause docketed, appearances entered, and the Real Parties in Interest notified of the filing.

The preserved party roster identifies Monica Rene Hall Estate Trust and Princess Emilily Hotep El as Petitioners; the United States District Court for the District of Nevada, Las Vegas, as Respondent; and Ally Bank and Aldridge Pite Haan LLP as Real Parties in Interest.

The Ninth Circuit proceeding and the Consular Court proceeding shall therefore remain distinct in this record. The Ninth Circuit docket is relied upon for its own procedural chronology and party identification, not as the source of the Consular Court void-ab-initio determination.

## V. SUBSEQUENT REMAND AND CONTINUING VOID-AB-INITIO POSITION

The record reflects that the District of Nevada subsequently entered a remand order on September 23, 2022. Petitioners maintain, within the Consular Court record, that the challenged remand and proceedings flowing from it were void ab initio and could not cure the defects already identified and served through the Consular Court proceeding.

This Continued Order records and continues that Consular Court determination. It does not attribute the void-ab-initio determination to the Ninth Circuit, the Eighth Judicial District Court, or the United States District Court for the District of Nevada.

## VI. EVIDENCE AND KNOWLEDGE OF INJURIES

The continuing mandamus and foreign-judgment record shall include evidence concerning injuries alleged to have been caused to Princess Emilily Hotep El and the Monica Rene Hall Estate/Business Trust, together with evidence showing when the relevant governmental and private actors received knowledge or notice of those injuries.

The injury record includes the asserted interference with and deprivation of real property and Estate/Trust interests; foreclosure and title activity; dispossession and loss of use; interference with personal and business property; financial and business injury; identity-related injury; and consequential damages. Each category shall be supported by the corresponding court filings, recorded instruments, photographs, notices, agency complaints, receipts, communications, and other competent exhibits in the record.

The purpose of this section is evidentiary: to establish what injury was reported or documented, who received the information, when notice was received, what records existed at the time, and what subsequent conduct occurred after that notice.

## VII. PRESERVATION AND PRODUCTION OF RESPONSIVE RECORDS

All responsive records relating to the foregoing chronology shall be preserved, including court and e-filing audit histories; service records; title and foreclosure records; mediation records;

communications among lenders, servicers, trustees, law firms,

HOA/property-management actors and governmental entities;

law-enforcement or constable records; photographs and video;

dispatch or access records; and communications concerning the subject property, the Estate/Trust, the challenged proceedings, and the injuries asserted by Petitioners.

This includes the real property located in the two States identified within the supporting record as having been wrongfully taken, transferred, foreclosed upon, dispossessed, converted, or otherwise removed from the possession, title, ownership, or beneficial interests asserted by the Petitioners, Estates, and Trusts.**

**IT IS FURTHER ORDERED that each such real-property claim shall remain supported by the applicable deed, legal description, parcel or APN number, recorder instrument, title record, trust instrument, lien, assignment, foreclosure instrument, court filing, tax record, appraisal, or other competent documentary evidence contained within the continuing record.**

## AUTHORITY MATRIX - CONSTITUTIONAL, TREATY, AND NEVADA STATUTORY ISSUES ASSERTED / IMPLICATED BY THE PRESERVED RECORD

Record-reference page only. The entries identify legal authorities raised by, or potentially implicated by, the submitted record. They do not state that any violation has been finally adjudicated. Treaty applicability, state-action requirements, standing, causation, defenses, and the law in effect on the date of each event remain matters requiring independent determination.

| Authority | Issue preserved for reconciliation |
|---|---|
| **U.S. Const. Art. VI, cl. 2** | Supremacy Clause: Constitution, federal laws made pursuant to it, and applicable treaties are supreme law; any treaty-based claim still requires proof that the particular treaty provision applies. |
| **U.S. Const. Amends. I, IV, V, XIV** | Petition/redress and access to government; unreasonable governmental search/seizure; federal due process/takings; state and municipal due process/equal protection. State-action and other elements must be established. |
| **Nev. Const. Art. 1 §§ 1, 8, 10, 15, 18** | Inalienable rights; due process/property protections; right to prosecute or defend one's own cause; no imprisonment for debt; security of persons, houses, papers and effects from unreasonable searches/seizures. The 2021 notices expressly invoked Nevada constitutional protections. |
| **Treaty of Peace & Friendship with Morocco (1787/1836)** | Treaty notice and Supremacy Clause theory are preserved as asserted in the record. Inclusion is not a finding that the treaty creates immunity from Nevada law or governs the property/foreclosure dispute; the specific applicable article and protected capacity must be established. |
| **NRS 107.080 / 107.086** | Deed-of-trust power-of-sale and foreclosure-mediation procedures: authority to foreclose, statutory notices, timing, and required foreclosure predicates should be reconciled against the title/foreclosure record. |
| **NRS 116.3116-.31168** | HOA lien/foreclosure framework, including notice, default/election to sell, notice of sale, and statutory foreclosure procedures. Apply only to the extent an HOA lien/foreclosure event is established by competent records. |
| **NRS 116.31175 / 116.3118** | Association books, records, contracts and financial-record access/retention issues, relevant to requests for HOA records and preservation. |
| **NRS 205.463 / 205.464** | Nevada identity-information offenses are relevant only if evidence establishes the statutory elements, including knowing acquisition/use and required unlawful intent; NRS 205.464 specifically addresses certain conduct by public officers/employees. |
| **NRS Ch. 239, incl. 239.010** | Public-record inspection/copying and governmental custody issues, subject to statutory confidentiality exceptions; relevant to preservation, missing-record, alteration/deletion, and reconstruction requests. |
| **State / municipal agencies; DA civil functions** | For Governor/AG, courts/clerks, county/municipal law enforcement, recorder, public-record custodians, and DA civil functions: reconcile actual notice/receipt, legal authority, preservation duties, actions taken, and any later inconsistent record. Receipt of a complaint proves notice/possession, not the truth of the allegations or a mandatory prosecution duty. |

**New Appendix Page Map:** AA: 473-480; AB: 481-486; AC: 487-488; AD: 489-507; AE: 508-509.

**2021 notice record:** The Princess filing identifies Nevada public officials and presents a Notice of Motion/Motion to Intervene with an Injunction; its certificate states service by registered mail and/or hand delivery to the filing clerk. The Prince filing presents the parallel notice in his stated capacity. These documents preserve the submitting parties' constitutional and treaty theories and claimed notice; they are not treated here as judicial findings.

**Use:** Compare each asserted authority with the exact act, actor, date, capacity, notice, and resulting injury shown by the corresponding exhibit. This avoids converting a legal theory into a factual conclusion before the supporting predicate is established.

# APPENDIX AF - RESERVED IDENTITY, COPYRIGHT, TRADEMARK, ESTATE AND DIGITAL-RECORD NOTICE

Supplemental record directed to State, municipal, agency, publisher, search, data-collector and other recipients

Purpose. This appendix preserves the submitted 37-page Notice of USPS Proof of Delivery / Service Record and related Google correspondence as a source record concerning identity, title, creative and estate rights, disputed online characterizations, correction/de-indexing requests, and preservation of evidence. The source expressly reserves applicable rights in copyrighted works, creative properties, trademarks or source identifiers where legally protected, publicity/privacy rights where applicable, estate/trust property, contractual rights, and other protected intellectual property. It also expressly recognizes lawful reporting, authentic judicial records, fair use, and other applicable exceptions.

**Record-use clarification.** Inclusion of this source document establishes what the submitted record states and preserves the correspondence and claimed rights for comparison. It does not, by itself, establish that a particular work or designation is federally registered, that every use is infringing, or that postal delivery satisfies every potentially applicable rule of service. Those questions depend on the governing law and supporting registration, ownership, use, service, and recipient records.

# APPENDIX AG - STATEMENT AND DEMAND FOR SOURCE IDENTIFICATION, CLASSIFICATION DISCLOSURE, RECORD RECONCILIATION AND PRESERVATION

For notice to State of Nevada and municipal agencies/offices, records custodians, civil divisions, publishers, search providers, data collectors, and other recipients maintaining responsive records

## I. PURPOSE AND LIMITED CHARACTER OF THIS STATEMENT

This Statement preserves a disputed-identity and record-reconciliation issue. The submitting parties reject the designation "sovereign citizen" as an accurate statement of their asserted identity, nationality, titles, trust capacities, or treaty position. The purpose of this Statement is not to assume that any particular recipient created an extremist, anti-government, anti-American, threat, terrorist, or similar classification. Rather, it demands identification and preservation of any record showing whether such a designation or classification was created, received, transmitted, relied upon, modified, indexed, coded, or associated with the persons, trusts, titles, or proceedings identified in the accompanying record.

## II. SOURCE-IDENTIFICATION AND CLASSIFICATION DISCLOSURE DEMAND

Each recipient maintaining responsive records is requested to identify the originating person, agency, database, record, classification, memorandum, communication, algorithmic source, law-enforcement source, contractor, third-party publication, or other source from which the designation "sovereign citizen," or any related extremist, anti-government, anti-American, threat, terrorist, watchlist, caution, intelligence, risk, or similar classification, was associated with Prince Ra Hotep El, Princess Emilily Hotep El, Monica Rene Hall Estate/Business Trust, David Jr Hall Estate/Business Trust, or their respective records and proceedings.

For every responsive association or classification, identify or preserve:

1. the date and time of first creation, receipt, ingestion, indexing, coding, or association;

2. the originating person/entity and every subsequent recipient, database, agency, contractor, publisher, or system to which it was transmitted or made available;

3. the exact terminology, code, flag, category, field value, risk marker, watchlist entry, keyword, metadata tag, or narrative used;

4. the source document, URL, court filing, report, communication, algorithmic match, name-match rule, or other predicate relied upon;

5. all audit trails, metadata, access logs, modification history, version history, deletion records, restoration records, backups, retention records, correspondence, and internal routing information;

6. whether the association affected access, service, housing, property, court participation, record treatment, referrals, investigations, search presentation, or other governmental or commercial action; and

7. the procedure and authority for correction, annotation, disambiguation, appeal, preservation, or removal of an unsupported association.

## III. IDENTITY, PARTY AND CAPACITY RECONCILIATION

The responsive record should distinguish the exact person or entity named in each source from similarly named persons, former names, artistic/professional identifiers, titles, beneficiaries, trustees, executors, trusts, estates, and other capacities. A name similarity, generic occupant designation, automated match, or allegation in litigation should not be treated in this appendix as proof that two identities or legal capacities are the same. The accompanying record specifically preserves the distinction between allegations or labels appearing in litigation and adjudicated biographical facts.

## IV. CONSTITUTIONAL, TREATY AND NEVADA RECORD ISSUES PRESERVED

| Authority / Record Issue | Issue preserved for review |
|---|---|
| U.S. Constitution - First Amendment | Petition/redress and the asserted effect, if any, of disputed identity labeling on access to government processes or the ability to be heard. |
| U.S. Constitution - Fourth Amendment | Search/seizure issues are preserved to the extent competent evidence establishes governmental search, entry, taking, seizure, or dispossession and the required state-action and other elements. |
| U.S. Constitution - Fifth Amendment | Federal due-process/property and takings issues are preserved only to the extent the facts and responsible actor bring the conduct within the Amendment. |
| U.S. Constitution - Article VI, cl. 2 | Supremacy Clause and properly applicable treaty rights are preserved. Treaty applicability must be established provision-by-provision and is not presumed by this appendix. |
| Nevada Constitution / Nevada statutes | The accompanying packet preserves asserted Nevada constitutional, property, identity, public-record, foreclosure, and governmental-record issues. Each alleged violation must be matched to the exact actor, act, date, capacity, statutory elements, and supporting exhibit. |
| NRS Chapter 239 | Public-record inspection, custody, preservation, confidentiality, response, and record-reconstruction issues, subject to statutory exemptions and confidentiality requirements. |
| NRS 205.463 / 205.464 | Identity-information provisions are preserved for evaluation only where evidence establishes the statutory elements, including knowing use and required unlawful purpose or intent. |

## V. PRESERVATION / LITIGATION-HOLD REQUEST

Recipients are requested to preserve responsive paper and electronic records, including active files, archived files, email, messaging, case-management systems, complaint-management systems, court/agency interfaces, shared drives, databases, search/index records, audit logs, metadata, backups, restored data, deleted-item logs, vendor/contractor records, and records affected by system migration, outage, cyber incident, restoration, or retention processes. This request seeks preservation and accurate reconciliation; it does not request alteration or destruction of an authentic judicial or governmental record.

## VI. REQUEST FOR WRITTEN RESPONSE

A recipient that has no responsive classification or association is requested to state that after a reasonable search. A recipient that does maintain responsive material is requested to identify the custodian and applicable procedure for lawful access, correction, annotation, preservation, or challenge, subject to any lawful confidentiality or security restriction. Where material cannot lawfully be disclosed, the recipient is requested to identify the legal basis for withholding to the extent permitted by law.

**Record limitation.** Inclusion of an allegation, complaint, court filing, correspondence, search result, or internal tribunal record establishes only what that source actually shows. # TREATY AND SUPREMACY CLAUSE EXHIBIT

**American Indian Treaty Record • Article VI, Clause 2**

**Purpose.** This exhibit identifies treaty records maintained by the National Archives and the constitutional text governing treaties made under the authority of the United States. It is intended as a source-and-record exhibit to the continuing Order; applicability of any particular treaty to a person, estate, trust, property, or controversy must be established from the treaty text, parties, successors, and relevant law.

## I. ARTICLE VI — SUPREMACY CLAUSE

# HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII

# APPENDIX AH - FINDING AND NOTICE OF REPEATED GOVERNMENTAL NOTICE, INSTITUTIONAL NON-RESOLUTION, CIRCULAR COMPLAINT PROCESSING, AND RECORD ACCOUNTABILITY

Preserving the Consular Court's characterization of the submitted record and the submitting parties' continuing position

## I. FINDING AS TO THE NATURE OF THE PRESENT RECORD

The Consular Court records and finds, upon the documentary record submitted before it, that the matters identified in the accompanying archive were not presented to the State of Nevada and its municipal agents, agencies, offices, officials, records custodians, and related recipients as a single new or isolated grievance. The preserved record reflects repeated complaints, notices, supporting documents, claims, service records, correspondence, and requests for governmental review extending across multiple years.

The Court therefore records the position that the present submission is not a new complaint replacing or restarting the prior record. It is a continuation, supplementation, preservation, reconciliation, and demand for accountability concerning the existing governmental record and the disposition of the matters previously submitted.

## II. FINDING OF CIRCULAR ADMINISTRATIVE PROCESSING

Where the submitted record shows substantially related matters repeatedly delivered to governmental recipients, correspondence retained or stated to be retained in governmental files, and later directions to initiate another complaint process without a documented substantive disposition of the earlier matter, the Consular Court characterizes that recurring sequence as institutional non-resolution and circular administrative processing.

The sequence preserved for reconciliation is: NOTICE -> RECEIPT / RECORDING -> RETENTION OR ROUTING -> NON-RESOLUTION OR UNDOCUMENTED DISPOSITION -> DIRECTION TO FILE AGAIN -> ADDITIONAL NOTICE -> CONTINUED NON-RESOLUTION.

## III. OBJECTION TO 'CONSTITUENT' CHARACTERIZATION

The submitting parties expressly object to the use of the term 'constituent' as a characterization of their asserted nationality, political status, titles, or capacities. The Court records that objection without treating an agency's use of standard correspondence terminology as an adjudication of nationality or legal status. Recipients are requested to identify the source and legal significance, if any, of any governmental status classification actually maintained in their records.

## IV. DISPUTED 'SOVEREIGN CITIZEN' CHARACTERIZATION AND SOURCE ACCOUNTABILITY

The Consular Court records that the designation 'sovereign citizen' is disputed and rejected within its record as an accurate statement of the asserted identity of Prince Ra Hotep El. The Court further records the submitting parties' position that use or propagation of that designation materially affected how their identity, capacity, filings, property claims, and requests to be heard were perceived or processed.

Accordingly, every recipient maintaining responsive records is requested to identify the originating source of that designation and any related extremist, anti-government, anti-American, threat, terrorist, watchlist, caution, intelligence, risk, or similar classification; the date of first association; each recipient or database to which it was transmitted; and the complete audit trail, metadata, access history, modification history, correspondence, source material, and preservation record associated with it.

## V. IDENTITY, PROPERTY, TRUST AND PARTY-CAPACITY RECORD

The Court records the submitting parties' position that the controlling inquiry begins with identity and capacity: the exact person or entity named in each property, foreclosure, collection, service, court, agency, or possession record; the source establishing that person's relationship to the property; the capacity in which the person or trust was acting; the party actually named and served; and the authority asserted by any attorney, claimant, creditor, association, process server, or governmental actor.

The Court further records the submitting parties' contention that a similar name, abbreviated name, generic occupant designation, automated identity match, or litigation allegation cannot substitute for competent proof that a particular trust, trustee, executor, beneficiary, title holder, or other capacity was actually a party to the matter at issue.

## VI. GOVERNMENTAL RECORD-ACCOUNTABILITY DEMAND

Any State or municipal recipient disputing the foregoing characterization is requested to identify, for each prior complaint, notice, claim, or materially related submission: (1) the date received; (2) agency or office receiving it; (3) assigned number; (4) custodian; (5) documents reviewed; (6) investigation, referral, or administrative action taken; (7) disposition and date; (8) official responsible for disposition; (9) legal and factual basis for closure or non-action; (10) any later instruction to submit another complaint; and (11) the location and present status of the underlying records, including restored, migrated, archived, deleted, or reconstructed records.

## VII. RECORD PRESERVATION

The Court directs, within the scope of its own record, that certified copies of this Finding and Notice may be transmitted for notice and preservation. Recipients are requested to preserve responsive paper and electronic records, including complaint systems, case-management records, email, internal messaging, shared drives, databases, audit logs, metadata, backups, deletion logs, restoration logs, access histories, routing records, vendor records, and records affected by migration, outage, cyber incident, restoration, or retention processes.

## VIII. FINDING CONCERNING THE CUMULATIVE RECORD

The Consular Court finds for purposes of its own record that the submitted chronology is to be evaluated cumulatively rather than as disconnected correspondence. The Court characterizes the preserved pattern as repeated governmental notice followed by institutional non-resolution and circular complaint processing. The submitting parties further characterize the cumulative conduct as evidence supporting their allegation of concealment or cover-up. That latter characterization is preserved as their position and is to be tested against the complete governmental files, audit trails, metadata, communications, and disposition records.

## IX. NO RESTART OR WAIVER

Nothing in this Finding and Notice shall be construed within the Consular Court record as abandonment, restart, replacement, or waiver of any earlier notice, complaint, claim, objection, preservation demand, identity/capacity challenge, constitutional or treaty position, or other matter preserved in the accompanying archive.

## X. INCORPORATION OF EXHIBITS

This Finding and Notice incorporates by reference the master archival packet, including the Authority Matrix; prior Nevada notices and complaints; governmental receipts and correspondence; identity/capacity materials; police/DOJ reporting records; the Nevada cyberattack record-reconciliation material; Appendix AF concerning reserved identity, creative, copyright/trademark/source-identifier, estate and digital-record rights; and Appendix AG concerning source-identification, classification disclosure, reconciliation, and preservation.

RECORD CLARIFICATION: This document states findings and characterizations of the House of Judah Consular Court concerning the record submitted to it. Inclusion in the archive does not represent that a Nevada or federal court has adopted those findings, nor does a receipt or complaint acknowledgment alone establish the truth of every underlying allegation. The underlying evidence remains the basis upon which each recipient may admit, deny, explain, reconcile, or rebut the recorded findings.

**Terminology note.** The National Archives separately lists "Blackfeet" in the 1855 treaty above. It also lists "Sioux (Blackfeet)" in other treaties; those are distinct catalog descriptions and should not be conflated.

## IV. FIVE TRIBES — HISTORICAL TERMINOLOGY

For historical precision, the group commonly called the "Five Civilized Tribes" consists of the Cherokee, Chickasaw, Choctaw, Muscogee (Creek), and Seminole nations. Blackfeet is addressed separately in the National Archives treaty catalog. This exhibit therefore preserves Blackfeet treaty material as an additional treaty record rather than relabeling Blackfeet as one of the historical Five Tribes.

## V. INCORPORATION INTO CONTINUING ORDER

**IT IS ORDERED** that the authenticated and ratified treaty materials identified in this exhibit, together with the constitutional text of Article VI, Clause 2, may be maintained as part of the continuing exhibit record, subject to authentication, relevance, treaty-specific applicability, and controlling law.

**IT IS FURTHER ORDERED** that no treaty shall be represented in this record as conferring a particular individual status, immunity, title, property right, jurisdiction, or remedy unless the text and applicable law support that specific proposition.

# LIEN AND SECURITY INTEREST AUTHORITY SCHEDULE

*One-Page Review Worksheet — Proposed Liens, Collateral, Perfection and Enforcement*

**Purpose. Use this schedule before any UCC, recorder, judgment-lien, levy, or other lien filing. It separates the asserted obligation from the legal instrument that actually creates or authorizes a lien or security interest.**

| Proposed Debtor / Property | Authority / Source Instrument | Collateral / Asset | Potential Filing or Enforcement Route | Status / Proof Needed |
|---|---|---|---|---|
| State of Nevada / political subdivision | Final enforceable judgment, statute, authorized security agreement, or other recognized lien authority | Only property legally subject to the particular remedy | Court/statutory procedure; judgment lien route only where the governing judgment and Nevada law permit | Confirm sovereign-immunity rules, debtor identity, finality, enforceability, service, and statutory authority |
| Private corporation / bank / financial institution | Authenticated security agreement, consensual lien, final enforceable judgment, or specific statute | Accounts, instruments, securities, receivables, general intangibles, or other nonexempt debtor property as legally applicable | UCC filing for a valid Article 9 security interest; judgment/levy procedure for an enforceable judgment | Do not treat notice or certified mail alone as creation of a security interest |
| Real property / land | Mortgage, deed of trust, recognized judgment lien, statutory lien, or other recordable real-property interest | Land, improvements, fixtures and identified real-property interests | County recorder where the land is located; fixture filing where Article 9 applies | Legal description/APN, ownership, underlying instrument, recording prerequisites |
| Estate / Business Trust property | Trust instrument + authenticated grant/ pledge/assignment or enforceable judgment | Trust-owned assets actually subject to the asserted interest | Depends on asset type: UCC, recorder, court enforcement, account-control or other applicable method | Confirm trustee authority, ownership, restrictions, exemptions and collateral description |
| Surety / bond collateral | Bond, indemnity agreement, collateral agreement, pledge, assignment or authenticated security agreement | Cash, securities, receivables, instruments, precious metals, or other specifically pledged collateral | Perfection depends on collateral: filing, possession, control, recording or other statutory method | Identify penal sum, obligee/ principal/surety, collateral owner and perfection method |
| Digital assets / cryptocurrency / NFTs / smart contracts | Authenticated security agreement, pledge, assignment, control agreement or enforceable judgment | Specified tokens, wallet-based assets, NFTs, digital securities or smart-contract rights | Perfection/enforcement is asset- and jurisdiction-specific; may involve control rather than a generic UCC filing | Network, wallet/contract/token identifier, ownership, custody, governing law and valuation |

**AUTHORITY CHECK BEFORE FILING**

1. Identify the exact debtor and the exact instrument or statute creating the claimed lien/security interest.
2. Confirm that the debtor authorized the UCC filing when Article 9 authorization is required; a financing statement does not itself create the debt.
3. Match the remedy to the asset: UCC filing, possession/control, county recording, judgment-lien procedure, levy/execution, or another specific statutory process.
4. For Nevada real-property judgment liens, verify that the judgment qualifies for the Nevada recording procedure and that all required judgment-creditor affidavit information is available.
5. Do not file against the State, a municipality, public official, bank, or other person merely because a demand, notice, Consular Court instrument, or certified/registered-mail package was received or unanswered.

**Nevada reference points:** NRS 104.9501–104.9518 (UCC filing); NRS 17.150 (recording qualifying judgments as real-property liens); NRS Chapter 21 (execution); NRS Chapter 41 (claims/ actions involving Nevada and political subdivisions).

| **Subject Property** | 8237 Fawn Brook Court, Las Vegas, Nevada 89149; APN 125-21-311-121 |
| **Purpose** | Cyberattack chronology; independent-record comparison; audit; preservation; reconciliation |

## I. PURPOSE AND CONTINUATION

This Supplemental Order and Notice is incorporated into and continues the existing record concerning the asserted Foreign Judgment, Writ of Mandamus, void-ab-initio position, property/title record, governmental-notice record, preservation record, financial-instrument record, and injury record. Its additional purpose is to preserve the verified chronology of the 2025 State of Nevada cyber incident and to require a document-by-document comparison between independently preserved records and the records presently maintained or displayed by governmental and financial custodians.

This instrument does not state that the 2025 cyberattack itself proves that any particular missing filing, lien, receipt, court entry, agency complaint, or financial record was intentionally destroyed or concealed. Where intentional deletion, concealment, alteration, obstruction, or cover-up is alleged, that allegation remains subject to proof through audit logs, backup records, restoration records, metadata, custodian testimony, forensic evidence, and other competent evidence.

## II. OFFICIAL 2025 NEVADA CYBER INCIDENT CHRONOLOGY

The following dates are drawn from the State of Nevada Governor's Technology Office 2025 Statewide Cyber Incident After-Action Report and the Governor's Office recovery release. They are included as an official-source chronology for record reconciliation:

| Date / Period | Officially Reported Event |
|---|---|

| | |
|---|---|
| May 14, 2025 | Initial compromise. The State's After-Action Report states that the threat actor entered the environment after a state employee downloaded a malware-laced system-administration tool from a spoofed website. |
| June 26, 2025 | Endpoint protection quarantined the malicious tool, but the report states that the backdoor persisted. |
| August 14-15, 2025 | The threat actor escalated privileges, established encrypted access/ tunneling, and installed remote-monitoring software while compromising standard and privileged accounts. |
| August 16-24, 2025 | The threat actor used Remote Desktop Protocol to move among critical servers and accessed directories, files, servers, and credential/ password resources. |
| August 24, 2025 | The attacker deleted backup volumes in preparation for ransomware deployment. Ransomware was then deployed against virtualization servers, encrypting virtual machines and disrupting critical services. |
| August 24, 2025 - 1:52 a.m. PDT | The statewide outage was detected; virtual machines were offline. |
| August 24, 2025 - 7:37 a.m. | The incident was escalated to the State CIO and Governor's Office. |
| August 24, 2025 - 9:51 a.m. | Access was regained and encrypted files and a ransom note were identified. |
| August 24, 2025 - 12:37 p.m. | Affected virtual machines were isolated to prevent further spread. |
| August 24, 2025 - approximately 5:03 p.m. | Recovery protocols were initiated. |
| August 25, 2025 | The Governor's Office publicly announced continuing recovery from the early-morning network security incident and advised that state websites, online services, office phone lines, and in-person services could be unavailable or disrupted. |
| September 2, 2025 | Nevada DMV publicly reported that it remained affected by the statewide network security incident and was still restoring normal operations. |
| 28-day recovery period | The State later reported a 28-day recovery effort, restoration of statewide services, and recovery of approximately 90% of impacted data; residual items remained under risk-based review and monitoring. |
| November 5-6, 2025 | The Governor's Office and Governor's Technology Office released the Statewide Cyber Incident After-Action Report and reported that Nevada did not pay the ransom. |

## III. RECORDS IDENTIFIED FOR RECONCILIATION

The continuing record identifies categories of records that Claimants maintain existed before, during, or independently of the 2025 incident. These records shall be compared against current governmental and financial-system records rather than treating a present database omission, standing alone, as proof that an earlier instrument never existed.

- court pleadings, orders, affidavits, writs, docket entries, e-filing confirmations, clerk stamps, certificates, service records, and associated audit histories;
- liens, UCC financing statements, releases, amendments, Secretary of State filing histories, transaction receipts, account histories, images, and metadata;
- Nevada Attorney General complaints/claims and notice records, including preserved references to Nos. 9112 and 9114 and Claim TC20610;

- Nevada Department of Insurance complaints, correspondence, attachments, claim records, regulatory submissions, and portal histories;
- property, title, foreclosure, mediation, HOA, recorder, tax, deed, assignment, and trustee records relating to 8237 Fawn Brook Court and APN 125-21-311-121;
- records concerning Ally Bank, Aldridge Pite, related bank/servicer actors, asserted writs of execution, financial instruments, collateral, securities, trust assets, and associated correspondence;
- law-enforcement, police, DOJ, federal reporting, dispatch, incident, access, and evidence records relevant to the injuries and property disputes preserved in the continuing record; and
- all backup copies, snapshots, archived images, disaster-recovery copies, migration logs, restore logs, audit trails, database transaction logs, user-access logs, deletion logs, change histories, and forensic reports capable of establishing whether a disputed record existed and what happened to it.

## IV. INDEPENDENTLY PRESERVED PRE-ATTACK RECORD

The submitted archive contains documents predating the 2025 incident that can serve as comparison evidence. Among them are preserved materials in Eighth Judicial District Court matter A-21-843907-C, including filings bearing electronic filing information under the Clerk of Court; preserved Ally Bank/Aldridge Pite pleadings; prior Attorney General complaint/claim materials; property and foreclosure records; certified-mail/service materials; and Consular Court records maintained outside the State's affected network.

The independently preserved archive is not declared superior merely because it is privately held. Rather, it provides a comparison source whose authenticity, filing history, transmission history, signatures, stamps, metadata, and contents can be tested against the governmental custodian's surviving and restored records.

## V. MISSING, ALTERED, UNAVAILABLE, OR NON-DISPLAYED RECORD PROTOCOL

For every identified record that was previously preserved by the Claimants but is now missing, unavailable, non-displayed, incomplete, altered, or inconsistent within a governmental or financial system, the responsible custodian is requested to identify, to the extent known:

- whether the record existed before May 14, 2025;
- whether the record was present in an affected system, server, database, backup, archive, or storage volume;
- whether the record was accessed, copied, encrypted, corrupted, deleted, restored, reconstructed, migrated, re-indexed, or otherwise affected;
- whether the present version came from an original production system, backup, forensic image, archive, reconstruction, or later re-entry;
- the relevant creation, modification, deletion, restoration, migration, and indexing timestamps;
- the responsible system, database, custodian, user account, or service account associated with each material change; and
- whether any responsive audit, backup, forensic, recovery, or incident-response record still exists.

## VI. PRESERVATION / LITIGATION-HOLD NOTICE

All responsive records shall be preserved against routine destruction, deletion, recycling, overwriting, re-indexing, or alteration. Preservation includes native files and metadata, database records, email, attachments,

portal records, cloud repositories, backup media, forensic images, audit logs, access logs, restore logs, change histories, transaction histories, telephone/voicemail records, and physical records. This demand includes records in the possession, custody, or control of state or municipal agencies, contractors, technology vendors, banks, servicers, trustees, law firms, and other custodians receiving this notice.

Where a recipient lacks possession or control of a requested record, the recipient is requested to identify the known custodian, system, archive, contractor, vendor, or successor repository rather than treating the record as nonexistent.

## VII. BANK AND FINANCIAL-CUSTODIAN APPLICATION

For a bank, servicer, trustee, corporate-trust department, or other financial custodian receiving this instrument, the reconciliation extends to records that correspond with governmental filings or court instruments, including liens, writs, account restrictions, collateral records, assignments, payment histories, trust/estate records, securities, bonds, surety instruments, receivables, and communications with Nevada governmental actors. The purpose is to determine whether the financial custodian retained an independent copy or transaction history capable of confirming a document or event that is presently absent or inconsistent in a Nevada system.

## VIII. STATE AND MUNICIPAL AGENCY APPLICATION

For State of Nevada and municipal recipients, the reconciliation extends to court/e-filing records, Attorney General records, Department of Insurance records, Secretary of State records, property and recorder records, foreclosure/mediation records, law-enforcement records, and all related technology-system audit and restoration evidence. Each custodian is requested to distinguish a record that never existed from one that existed but is presently unavailable, corrupted, restored, reconstructed, migrated, archived, or no longer displayed.

## IX. NO ADVERSE INFERENCE FROM DATABASE ABSENCE ALONE

A present failure of an online portal, database, docket display, or agency account to show a document shall not, standing alone, be treated within this continuing record as conclusive proof that the document was never created, transmitted, received, filed, or recorded. The issue shall instead be resolved by comparison of independently preserved copies with filing receipts, clerk stamps, service records, metadata, backups, audit histories, custodian records, and competent forensic evidence.

## X. CONTINUING FINDING AND NOTICE

The Court's continuing record therefore preserves the existence of a verified statewide cyber incident and the Claimants' separate allegation that particular records relevant to their disputes are now missing, altered, unavailable, or inconsistent. The cyber incident is not itself declared proof of intentional concealment. Any conclusion of intentional destruction, spoliation, obstruction, concealment, or coordinated cover-up shall depend upon competent evidence establishing who acted, what record was affected, when the act occurred, and the actor's knowledge or intent.

Exhibit M - Case No. 23C006611 Order granting temporary writ of restitution issued hearing date April 27, 2023 to be enforced only on May 4, 2023 by 5pm. The order was not carried out but was acted upon on May 10, 2023 at 1pm approximately by those claiming to be HOA board members, Constable, Sheriff and LVMPD, while the Internal Affairs stated in a letter by email, non of the men who appeared work for nor currently work for said department. The parties named in the complaint without an amount owed were the following FEDERAL NATIONAL MORTGAGE ASSOCIATION, its successors and/or assigns, Plaintiff, VS. MONICA R. HALL and DOW Occupants 1 through X, inclusive, Defendants. They never named the Trust, Trustees nor the Executor whom were willing to participate.

establish which alternative was selected. The submitting parties preserve their position that the authorized time was May 4, 2023 by 5:00 p.m.

The submitting parties further state that the physical dispossession was not carried out on May 4, 2023, but instead occurred on May 10, 2023 at approximately 1:00 p.m. This Exhibit therefore preserves for determination the material question whether any action taken on May 10 was authorized by this particular temporary writ, whether another writ or extension existed, and, if so, where that instrument appears in the official record.

## III. PARTY-IDENTITY AND CAPACITY DISCREPANCY

The caption reproduced on the order names MONICA R. HALL and DOE Occupants I through X, inclusive, as Defendants. It does not, on its face, name the Monica Rene Hall Estate/Business Trust, a Trustee, an Executor, a Beneficiary, Prince Ra Hotep El, Princess Emilily Hotep El, or the House of Judah Consular Court Tribunal XIII as a defendant.

The submitting parties maintain that the Trust, Trustees, Executor, and Beneficiaries had separate asserted interests and were willing to participate, but were not named in this caption. Their position is that the designation "MONICA R. HALL and DOE Occupants I through X" did not itself establish the identity, capacity, ownership interest, beneficial interest, or legal obligations of those separately identified persons and entities.

The submitting parties additionally dispute that the generic DOE designations corresponded to actual unidentified occupants who could properly stand in for the Trust, Trustees, Executor, or Beneficiaries. That contention is preserved as their position and is not represented here as an independent judicial finding.

## IV. AMOUNT / BASIS OF POSSESSION

The face of the temporary-writ order requires a $250.00 payment to the court for issuance, but the reproduced order does not itself state an amount of debt allegedly owed by MONICA R. HALL, the DOE occupants, the Trust, Trustees, Executor, or Beneficiaries. Accordingly, any claimed monetary obligation, ownership right, foreclosure authority, or right to possession should be traced to the separate instrument or judgment relied upon for that proposition rather than inferred from this page alone.

## V. MAY 10, 2023 ENFORCEMENT EVENT — SUBMITTING PARTIES' RECORD

The submitting parties state that on May 10, 2023 at approximately 1:00 p.m., persons presenting or acting as HOA board members and/or governmental enforcement personnel, including persons represented at the scene as associated with a constable, sheriff, and LVMPD, participated in or were present for the dispossession.

The submitting parties further state that subsequent Internal Affairs correspondence advised that certain men who appeared at the property did not work for, or no longer worked for, the identified department. That correspondence should be attached behind this Exhibit before the statement is relied upon as documentary proof of the employment-status issue. This Exhibit therefore preserves the issue and identifies the supporting record that must accompany it.

## VI. QUESTIONS REQUIRING RECORD RECONCILIATION

- Was the April 27, 2023 Temporary Writ of Restitution the operative authority relied upon for the May 10, 2023 physical removal?

- If so, what legal or judicial authority permitted execution after the May 4, 2023 effective date/time appearing on the face of the order?
- If another writ, amended writ, extension, return, instruction, or enforcement order existed, identify it and produce the complete file-stamped copy and docket/audit history.
- Who requested execution, who authorized it, and which agency, constable, sheriff, police, HOA, contractor, or private actor participated?
- What were the names, titles, agency affiliations, employment status, badge/commission information, dispatch records, body-camera records, reports, returns, photographs, and communications for each person present?
- What document established authority to remove or affect property belonging to, held by, or claimed by a Trust, Estate, Trustee, Executor, Beneficiary, business, or other person not expressly named in the caption?
- What evidence established the identity of any person treated as a DOE Occupant and the legal basis for binding that person or capacity to the action?

## VII. NOTICE AND PERMISSIBLE INFERENCE

This Exhibit is offered to show the discrepancy between the persons and capacities actually identified on the face of the order and the broader persons, property, Trust interests, and actors allegedly affected during the subsequent enforcement event. The submitting parties maintain that the accumulated court, property, service, agency, and correspondence records placed relevant recipients on notice of those distinctions.

The submitting parties may draw an inference of knowledge, concealment, or coordinated conduct from the total record. This Exhibit does not treat that inference as automatically proven by the temporary writ alone. Each recipient is afforded the opportunity to admit, deny, explain, or rebut the chronology and identity/capacity issues with competent records.

## VIII. INCORPORATION

The original preserved image of the April 27, 2023 Order Granting Temporary Writ of Restitution should be attached immediately behind this Exhibit as Exhibit M-1. Any Internal Affairs correspondence concerning the employment or agency status of persons present on May 10, 2023 should be attached as Exhibit M-2. Dispatch, body-camera, constable, sheriff, LVMPD, HOA, photographs, videos, and contemporaneous communications should follow as consecutively numbered sub-exhibits.

## I. LIMITED PURPOSE AND NON-MISREPRESENTATION CLAUSE

This Continued Order is issued by the House of Judah Consular Court Tribunal XIII, Court of Record, solely to continue, supplement, preserve, and give notice of the Consular Court record concerning Princess Emilily Hotep El and the Monica Rene Hall Estate / Business Trust. It is a record-preservation, notice, and demand instrument.

Nothing in this Order represents that the Eighth Judicial District Court, the United States District Court for the District of Nevada, the United States Court of Appeals for the Ninth Circuit, the State of Nevada, or any officer thereof authored, issued, adopted, endorsed, or enforced the Consular Court determination contained herein. The later filing, receipt, docketing, or service of this Order or its underlying instruments in another tribunal establishes notice, filing, service, and chronology only — it does not, by itself, constitute acceptance, agreement, waiver of immunity or defenses, creation of indebtedness, perfection of a lien or security interest, or a binding judgment of any receiving court unless such effect is independently established under applicable law.

Where this Order states a determination of this Court of Record, that determination is stated as the Court's own procedural position and preserved record — not as an order or judgment entered by any Nevada state court or federal court.

## II. JURISDICTIONAL AND AUTHORITY STATEMENT

The authority for this Continued Order is the inherent authority of the House of Judah Consular Court Tribunal XIII as a Court of Record to preserve its own records, make findings based on the evidence submitted to it, give notice of those findings, and demand preservation of, and a response to, the matters preserved. The Court's determinations are effective within the Consular Court record and as notice to the parties identified herein.

No provision of this Order is represented to operate as a binding order upon any sovereign, state, or federal court, or to compel performance by any such court or its officers except through such lawful process as may separately be available to the Petitioners. The enforceability of any remedy described herein depends upon the applicable law of the forum in which it is sought and the facts established by competent evidence.

## III. CONTINUATION OF PRIOR ORDER

This Order supplements and continues the existing Foreign Judgment, Writ of Mandamus, void-ab-initio determination, property and title record, governmental-notice record, preservation record, and injury record concerning Princess Emilily Hotep El and the Monica Rene Hall Estate / Business Trust. To the extent of any conflict with the prior record, the clarifications in this Order govern for interpretive purposes; the prior record remains in full force except as expressly supplemented herein.

## IV. VOID AB INITIO DETERMINATION — ORIGIN AND SUBSEQUENT FILING

The determination that the challenged proceedings were VOID AB INITIO originated within the Petitioners' Consular Court proceeding and record. It is an order and determination of this Court of Record and shall not be mischaracterized as an order originating from any other court.

The Petitioners' record reflects that the existing Consular Court void-ab-initio determination was subsequently filed for notice and record in September 2022 with the Eighth Judicial District Court and the United States District Court for the District of Nevada. Petitioners maintain that those filings were accepted into the applicable e-filing records and bear clerk filing stamps and certifications.

The purpose of identifying those later filings is to establish notice, filing, service, chronology, and the procedural record. It is not a representation that either receiving court created the underlying Consular Court determination or adjudicated its merits.

## V. SERVICE, E-FILING, NOTICE, AND ASSERTED PROCEDURAL DEFAULT

The record reflects that the filed instruments were transmitted through the applicable electronic filing process and that the parties were additionally served through USPS Certified Mail and/or Registered Mail, as reflected by the corresponding certificates of service, mailing receipts, return receipts, delivery records, and tracking documentation preserved in Exhibit E.

Petitioners maintain that, following filing and completed service, no responsive pleading, motion challenging the Consular Court determination, dismissal directed to that determination, or other responsive defense was filed within the record presented to this Court within the applicable response period.

This Order therefore preserves Petitioners' position that the failure to timely act or respond after documented filing, service, and notice constitutes a procedural default and an uncorrected procedural defect. This finding is stated as the determination and procedural position of this Court of Record and is not represented as a default judgment entered by a Nevada or federal court.

The record shall preserve the e-filing confirmations, clerk stamps, certificates of service, USPS Certified/Registered Mail receipts, return receipts, and tracking histories as evidence of what was filed, upon whom it was served, when notice was received, and what responsive action, if any, followed.

## VI. NINTH CIRCUIT WRIT OF MANDAMUS — SEPARATE APPELLATE RECORD

Separate from the Consular Court void-ab-initio determination, the preserved appellate record reflects that a Petition for Writ of Mandamus was filed in the United States Court of Appeals for the Ninth Circuit on August 22, 2022 and assigned Case No. 22-70183. The docket reflects that the petition was filed, the cause docketed, appearances entered, and the Real Parties in Interest notified.

The preserved party roster identifies Monica Rene Hall Estate Trust and Princess Emilily Hotep El as Petitioners; the United States District Court for the District of Nevada, Las Vegas, as Respondent; and Ally Bank and Aldridge Pite Haan LLP as Real Parties in Interest.

The Ninth Circuit proceeding and the Consular Court proceeding shall remain distinct in this record. The Ninth Circuit docket is relied upon for its own procedural chronology and party identification, not as the source of the Consular Court void-ab-initio determination.

## VII. SUBSEQUENT REMAND AND CONTINUING VOID-AB-INITIO POSITION

The record reflects that the District of Nevada subsequently entered a remand order on September 23, 2022. Petitioners maintain, within the Consular Court record, that the challenged remand and proceedings flowing from it were void ab initio and could not cure the defects already identified and served through the Consular Court proceeding.

This Order records and continues that Consular Court determination. It does not attribute the void-ab-initio determination to the Ninth Circuit, the Eighth Judicial District Court, or the United States District Court for the District of Nevada.

## VIII. CHRONOLOGY OF RECORD

The following chronology is compiled from the preserved record and is stated for evidentiary and notice purposes. Each entry is supported by the corresponding exhibit identified in Section XIV.

| Date | Event | Exhibit |
|---|---|---|
| **April 15, 2021** | Underlying Foreign Judgment / Consular Court order and certification | A |
| **August 22, 2022** | Petition for Writ of Mandamus filed, Ninth Circuit Case No. 22-70183 | F |
| **September 2022** | Consular Court VOID AB INITIO determination and related order | B |
| **September 2022** | Filing / file-stamp evidence, Eighth Judicial District Court | C |
| **September 2022** | Filing / file-stamp evidence, U.S. District Court, District of Nevada | D |
| **September 2022** | Certificates of service and USPS Certified/Registered Mail records | E |
| **September 23, 2022** | District of Nevada remand order | G |
| **September 9, 2026** | Entry of this Continued Order | — |

## IX. FINDINGS BASED ON SUBMITTED EVIDENCE

Based on the evidence submitted to and preserved in the Consular Court record, the Court finds and records the following, each stated to the extent supported by the corresponding exhibit and subject to contradiction by competent evidence of record:

**Finding 1.** That the Consular Court void-ab-initio determination was made, filed, and served as reflected in Exhibits A–E;

**Finding 2.** That the instruments were transmitted by e-filing and by USPS Certified/Registered Mail with corresponding receipts and tracking preserved in Exhibit E;

**Finding 3.** That, within the record presented, no timely responsive pleading, motion, or defense directed to the Consular Court determination appears of record, supporting the asserted procedural default preserved in Section V;

**Finding 4.** That the Ninth Circuit petition at Case No. 22-70183 was filed and docketed, and the Real Parties in Interest identified, as reflected in Exhibit F;

**Finding 5.** That the District of Nevada remand order of September 23, 2022 was entered, as reflected in Exhibit G; and

**Finding 6.** That evidence of injury and of notice/knowledge of such injury has been submitted and is incorporated under Section X and Exhibits H–I.

## X. EVIDENCE AND KNOWLEDGE OF INJURIES

The continuing mandamus and foreign-judgment record shall include evidence concerning injuries alleged to have been caused to Princess Emilily Hotep El and the Monica Rene Hall Estate / Business Trust, together with evidence showing when the relevant governmental and private actors received knowledge or notice of those injuries.

The injury record includes the asserted interference with and deprivation of real property and Estate/Trust interests; foreclosure and title activity; dispossession and loss of use; interference with personal and business property; financial and business injury; identity-related injury; and consequential damages. Each category shall be supported by the corresponding court filings, recorded instruments, photographs, notices, agency complaints, receipts, communications, and other competent exhibits in the record.

The purpose of this section is evidentiary: to establish what injury was reported or documented, who received the information, when notice was received, what records existed at the time, and what subsequent conduct occurred after that notice.

## XI. PRESERVATION AND PRODUCTION OF RESPONSIVE RECORDS (LITIGATION HOLD / DEMAND TO PRESERVE)

All responsive records relating to the foregoing chronology are hereby demanded to be preserved and protected from alteration, deletion, spoliation, or destruction. This demand constitutes a litigation-hold and records-preservation notice to each named party and to any custodian of records in their possession, custody, or control, regardless of whether any formal proceeding is pending. The duty to preserve arises upon receipt of this Order and continues until expressly released in writing.

Records to be preserved include: court and e-filing audit histories; service records; title and foreclosure records; mediation records; communications among lenders, servicers, trustees, law firms, HOA/property-management actors, and governmental entities; law-enforcement or constable records; photographs and video; dispatch or access records; and communications concerning the subject property, the Estate/Trust, the challenged proceedings, and the injuries asserted.

Suspension of any routine destruction, recycling, or overwriting policies affecting email, electronic files, voicemail, backup media, and physical records is demanded pending release. Any alteration, deletion, or failure to preserve after receipt of this notice may be the subject of an adverse-inference request or other remedy available under applicable law in any competent forum.

## XII. NOTICE AND OPPORTUNITY TO RESPOND

Each named Respondent and Real Party in Interest is hereby given notice of the matters preserved in this Order and of the asserted procedural default and void-ab-initio position. Any party disputing any finding, the asserted default, the void-ab-initio position, or any characterization herein is directed to submit a written response, with supporting documentation, within twenty-one (21) days of confirmed receipt of this Order.

Failure to respond within that period, after documented filing, service, and notice, will be preserved as an uncorrected procedural defect and as a further basis for the Court's record. A response shall not be deemed a waiver of any immunity, defense, or right unless the respondent expressly so agrees in writing; conversely, silence shall be preserved as the procedural position stated herein and not as a binding default judgment of any Nevada or federal court.

## XIII. DEMAND FOR WRITTEN ACKNOWLEDGMENT AND DISPOSITION

Each recipient of any presentment, notice, or instrument accompanying or referenced by this Order is demanded to provide a dated written acknowledgment identifying (a) the materials received, (b) the date of receipt, (c) the person or office that received them, and (d) the disposition actually taken (e.g., received, referred, returned, additional information requested, or other), not later than twenty-one (21) days after confirmed receipt.

As to the fiscal presentments referenced in Sections XV and XXI–XXII, acknowledgment, routing, filing, or receipt of the instrument does not by itself constitute acceptance of the asserted obligation, creation of indebtedness, perfection of a lien or security interest, issuance of a warrant, waiver of defenses or immunity, or agreement to the issuer's characterization or valuation. Any such legal effect must arise independently under applicable law or from an authorized act expressly establishing it.

## XIV. EXHIBIT-LINKED EVIDENTIARY SCHEDULE

The following exhibits are incorporated into the continuing record and are tied to the factual assertions above. Each exhibit shall be authenticated and produced as a competent exhibit; no exhibit is relied upon for any proposition beyond what its contents, properly authenticated, fairly support.

Treaty material (Exhibit K) is maintained as a source-and-record exhibit only. No treaty shall be represented in this record as conferring a particular individual status, immunity, title, property right, jurisdiction, or remedy unless the treaty text and applicable law support that specific proposition.

## XV. SUPPORTING SECURITY / COLLATERAL RECORD AND ACCOUNTING SCHEDULE

To the extent the continuing record identifies an asserted claim, UCC filing or lien, bond or surety instrument, securities, negotiable or commercial instruments, receivables, gold, silver and other precious metals, cryptocurrency and digital assets, tokens, NFTs, smart-contract rights, intellectual property, real-property or land interests, proceeds, or other tangible or intangible property, each item shall be supported by its applicable filing, contract, deed, ledger, certificate, assignment, identifier, transaction record, or other competent documentation.

Any fiscal presentment, including the presentments to the Nevada State Controller (Section XXI) and to The Bank of New York Mellon Trust Company, N.A. (Section XXII), shall be accompanied by an itemized accounting and damages schedule identifying each component of the amount presented, the basis for each component, and the documentary support for it. The amount presented is not represented as a debt of the State of Nevada or of any recipient unless and until established by a recognized judgment, statute, or authorized act under applicable law.

## XVI. RESERVATION OF RIGHTS AND REMEDIES

Petitioners expressly reserve any and all rights, claims, remedies, and defenses, in law and in equity, including the right to amend, supplement, or continue this record; to add exhibits and evidence; to seek recognition, enforcement, or other relief in any competent forum; and to pursue such further process as may be available. No statement herein is a waiver of any right or remedy, and no failure to assert any particular remedy at this time shall prejudice its later assertion.

All rights are reserved without prejudice, including any rights under the Uniform Commercial Code as adopted in the relevant jurisdiction, treaty law, constitutional law, and the common law, to the extent each is independently applicable and supported by the record.

## XVII. NO WAIVER / SEVERABILITY

If any provision of this Order is held to be invalid, unenforceable, or inapplicable, that provision shall be severed and the remaining provisions shall remain in full force and effect. No waiver of any provision shall be implied from any conduct; any waiver must be in writing and signed by the party against whom it is asserted.

**IT IS FURTHER ORDERED** that each such real-property claim shall remain supported by the applicable deed, legal description, parcel or APN number, recorder instrument, title record, trust instrument, lien, assignment, foreclosure instrument, court filing, tax record, appraisal, or other competent documentary evidence contained within the continuing record;

I, the undersigned declarant, being duly sworn and under penalty of perjury under the laws of the United States of America (28 U.S.C. § 1746) and the applicable laws of the State in which I am present, declare and state as follows:

1. I am the Chief Justice / Clerk of the House of Judah Consular Court Tribunal XIII, Court of Record, and am authorized to make this declaration on behalf of the Court for record-preservation and notice purposes.

## DOCUMENTED NEVADA RECORD CONTRADICTIONS, CHAIN-OF-TITLE QUESTIONS, AND REQUEST FOR EXPLANATION

*To Be Attached to Previously Filed Foreign-Judgment and Supporting Records*

### I. PURPOSE OF EXHIBIT

This Exhibit is submitted as a supplemental record and set of questions arising from documents already filed, recorded, certified, or otherwise preserved concerning the subject Nevada property. It is intended to identify apparent contradictions in the public and judicial record and to request identification of the specific instruments, parties, authority, and governmental acts relied upon in any later foreclosure, mediation, restitution, transfer, sale, or dispossession.

### II. PRIOR RECORDED AND JUDICIAL NOTICE

1. The Clark County Recorder certified a recorded document as a true and correct copy of the original on record and supplied an official Titan Seal and blockchain identifier. The certified record reflects Instrument No. 201806260001916.

2. Before the 2023 dispossession, Case No. A-22-849976-C was electronically filed in the Eighth Judicial District Court, Clark County, Nevada, on April 28, 2022, under Clerk of the Court Steven D. Grierson. That filing sought removal of instruments affecting the property and placed the title/instrument dispute into Nevada's judicial record.

3. The prior filing asserted, among other things, that tender had been made in March 2019 and challenged later-recorded instruments. The later affidavit record likewise identifies MERS in connection with LeaderOne Financial Corporation and disputes subsequent assignments, conveyances, and enforcement.

### III. MATERIAL CHAIN-OF-TITLE AND AUTHORITY QUESTIONS

1. Identify every person or entity that claimed to be lender, beneficiary, servicer, trustee, substituted trustee, owner, purchaser, or successor in interest from the original transaction through the eventual dispossession and any later purported sale.

2. For every change in lender, beneficiary, trustee, servicer, or ownership, identify the recorded instrument number, execution date, recording date, signatory, notary, consideration, and legal authority supporting that change.

3. If MERS was nominee or beneficiary in the original transaction, identify the instrument by which MERS lawfully conveyed or assigned the relevant interest and identify the party receiving it.

4. Identify the instrument and evidentiary basis by which NDSC, PennyMac, Federal National Mortgage Association (Fannie Mae), or any other subsequently appearing entity obtained enforceable authority over the property.

5. Explain how enforcement could proceed if the obligation and title had already been formally disputed and tender documentation had previously been placed into the judicial and public record.

6. Identify the original note, original deed-of-trust authority, complete payment history, wire history, proof of funds, payoff accounting, and reconciliation relied upon by the party claiming a remaining debt.

7. If a mediation occurred, identify the statute, contract clause, court order, written consent, or other authority authorizing that mediation, and identify every legal party who received notice and participated.

8. If the original contract with LeaderOne contained no mediation provision applicable to the later proceeding, identify the independent legal authority relied upon to impose or conduct mediation.

9. Identify the governmental agency, court, mediator, trustee, or other actor that verified the identity and authority of the purported creditor or owner before any foreclosure or dispossession action was permitted to proceed.

10. If a later purchaser or seller claimed ownership, identify the complete chain of title establishing how title reached that party and identify the disposition of any sale proceeds.

## IV. GOVERNMENTAL PARTICIPATION AND DISPOSSESSION QUESTIONS

1. Identify each Nevada governmental officer, court, constable, law-enforcement agency, recorder, mediator, or other public actor who participated in, authorized, recorded, enforced, or facilitated the challenged proceedings.

2. Identify the precise writ, order, warrant, return, execution record, service record, incident report, body-camera record, dispatch record, or other governmental record authorizing the physical removal from the property.

3. Explain the legal effect and duration of the Temporary Writ of Restitution dated April 27, 2023, including the handwritten effective date and time of May 4, 2023 at 5:00 p.m., and identify the authority relied upon for any execution occurring on May 10, 2023.

4. Identify the governmental or private status of every person physically present and participating in the May 10, 2023 removal, including the agency or employer under whose authority each person acted.

5. If the relevant constable or law-enforcement personnel had no record of the eviction or removal, identify who directed the persons appearing at the property and what lawful authority they possessed.

6. Identify all records showing who took custody or control of the premises, keys, personal property, or access to the property after the removal.

## V. RECORDING, FRAUD-WARNING, AND VERIFICATION QUESTIONS

Nevada's own public fraud warnings, as described in the supporting affidavit, addressed seller impersonation, falsified documents, unauthorized transfers, suspicious notarization, identity-verification failures, and rapid wiring of proceeds. The existence of such warnings does not itself establish that fraud occurred in this matter. It does, however, make verification of the underlying authority and identity of the persons asserting ownership or enforcement rights a material factual question.

1. What identity-verification procedures were performed before later instruments, transfers, assignments, foreclosure documents, or sale documents were accepted or relied upon?

2. Were the original signatures, electronic signatures, notarizations, assignments, and authority of each signing party independently verified? If so, identify the verification records.

3. Did any Nevada agency compare the later asserted ownership or creditor interests against the previously filed judicial challenge, tender records, and recorded title dispute? If not, explain why.

4. If the Recorder's certification establishes that an instrument is a true and correct copy of what is on record but does not adjudicate the substantive validity of the underlying transaction, identify who actually determined that the underlying instrument was legally enforceable.

## VI. REQUEST FOR RECONCILIATION OF THE STATE'S POSITION

The State's prior position denying liability should be reconciled with the governmental records and acts described above. The central inquiry is not whether the Recorder merely accepted a document for recording, but whether identifiable Nevada judicial, recording, mediation, constable, enforcement, or other governmental acts materially participated in a chain of events culminating in dispossession while the underlying title, party identity, tender, assignment, and enforcement authority were already disputed.

**Accordingly, the receiving parties are requested to answer the following central question:**

> *How can the State or municipality maintain that it was not involved if governmental offices, courts, recording systems, mediation processes, writs, or enforcement mechanisms were used in the sequence*

*that produced the challenged dispossession? If the State maintains that no governmental actor was involved, identify the private actors responsible and the lawful authority under which they acted.*

## VII. EVIDENTIARY DISTINCTION AND RESERVATION

This Exhibit does not treat the mere recording of an instrument as proof that the underlying transaction was valid. Nor does a general governmental fraud warning, standing alone, prove discriminatory intent or fraud in this specific matter. Rather, the cited records are presented to require a document-based reconciliation of the chain of title, authority to enforce, notice, timing, governmental participation, and disposition of property and proceeds.

All allegations of fraud, discriminatory treatment, wrongful foreclosure, unlawful dispossession, title irregularity, and related injury remain allegations or claims except to the extent independently established by certified records, admissible evidence, or final adjudication. All rights, claims, objections, remedies, and previously asserted positions are expressly reserved.

## NEVADA FANNIE MAE IMPERSONATION / TITLE-FRAUD CASES AND ALDRIDGE PITE LLP'S DOCUMENTED FANNIE MAE REPRESENTATION

***Submitted for comparison, notice, preservation, and demand for equal identity-and-authority scrutiny***

### I. PURPOSE AND LIMITATION

This Exhibit identifies separate Nevada and federal cases that are relevant to the Estate/Trust's demand that every person or entity claiming authority through the Federal National Mortgage Association (Fannie Mae) be required to prove that authority. The cases are not offered as proof that the actors in those cases participated in the Estate/Trust's property matter. In particular, Ernest C. Aldridge is an individual and is not shown by these records to be affiliated with Aldridge Pite LLP merely because they share the name 'Aldridge.' The relevance is the documented subject matter: Fannie Mae identity/authority, Nevada real-property instruments, Clark County recording, and Aldridge Pite LLP's documented representation of Fannie Mae in Nevada litigation.

### II. ERNEST C. ALDRIDGE v. STATE OF NEVADA — NEVADA SUPREME COURT NO. 88853 (OCT. 23, 2025)

In Ernest C. Aldridge v. State of Nevada, No. 88853, the Supreme Court of Nevada affirmed Aldridge's judgment of conviction. The Court described the underlying conduct as impersonating Fannie Mae and recording fraudulent deeds to gain ownership of and access to multiple Las Vegas-area properties. The Court further explained that a Nevada grand jury had indicted Aldridge in 2019 on burglary, theft, and fraud charges, and that a prior federal judgment had quieted title in Fannie Mae's favor.

Relevance to this Exhibit: Nevada's highest court has expressly confronted a scheme involving false use of Fannie Mae identity/authority and recorded real-property instruments. The Estate/Trust therefore requests equivalent scrutiny of the actual authority of every party that purported to act for, through, or on behalf of Fannie Mae in the subject property matter.

### III. FEDERAL NATIONAL MORTGAGE ASSOCIATION v. WILLIS / ALDRIDGE — DISTRICT OF NEVADA AND NINTH CIRCUIT

In earlier federal litigation, Federal National Mortgage Association brought claims concerning Nevada properties against Clarence Moses Willis, Ernest C. Aldridge, and others. In the Ninth Circuit's June 9, 2020 memorandum in Federal National Mortgage Association v. Willis, Nos. 18-15848 and 18-16637, the court identified Laurel I. Handley and Anthony R. Sassi of Aldridge Pite LLP as counsel for Fannie Mae.

This establishes a documented attorney-client representation relationship in Nevada litigation between Aldridge Pite LLP attorneys and Fannie Mae. It does not, by itself, establish Aldridge Pite LLP's authority in any different property or transaction. Property-specific authority must still be shown from the actual retainer, servicing/foreclosure authority, deed-of-trust chain, and applicable recorded instruments.

### IV. WILLIS AND ALDRIDGE v. FANNIE MAE, ALDRIDGE PITE LLP, ET AL. — D. NEV. NO. 3:23-CV-00379

On August 2, 2023, Clarence M. Willis and Ernest C. Aldridge filed a civil action in the United States District Court for the District of Nevada, Case No. 3:23-cv-00379-MMD-EJY. The docket identifies the defendants as Federal National Mortgage Association, Aldridge Pite LLP, Laurel I. Handley, Krista J. Nielson, and Anthony R. Sassi. The docket further records appearances and filings by Aldridge Pite LLP attorneys and identifies the action as a civil-rights matter under 42 U.S.C. § 1983.

The fact that Fannie Mae and Aldridge Pite LLP were co-defendants in that later lawsuit does not establish wrongdoing by either defendant. It does, however, independently confirm that the law firm and named attorneys were intertwined with the prior Fannie Mae Nevada property litigation that Willis and Aldridge later challenged.

## V. NINTH CIRCUIT NO. 23-3104 — ALDRIDGE v. FANNIE MAE, ALDRIDGE PITE LLP, ET AL. (JAN. 28, 2026)

The 2023 district-court action proceeded to the Ninth Circuit as No. 23-3104. The Ninth Circuit's January 28, 2026 memorandum expressly lists Fannie Mae, Aldridge Pite LLP, Krista J. Nielson, Anthony R. Sassi, and Laurel I. Handley as appellees. The memorandum dismissed Ernest Aldridge's appeal because he did not sign or separately file the required opening brief; it did not adjudicate that Aldridge Pite LLP committed Fannie Mae impersonation or title fraud.

This limitation is important: the case caption documents the parties and litigation relationship, but it is not a finding that Aldridge Pite LLP engaged in the criminal conduct attributed to Ernest Aldridge in the separate Nevada Supreme Court case.

## VI. ADDITIONAL NEVADA RECORDS SHOW ALDRIDGE PITE LLP REPRESENTING FANNIE MAE

Other District of Nevada records likewise identify Aldridge Pite LLP attorneys as counsel for Fannie Mae. For example, filings in 1597 Ashfield Valley Trust v. Federal National Mortgage Association System, No. 2:14-cv-02123, identify Laurel I. Handley and Jory C. Garabedian of Aldridge Pite LLP as attorneys for Fannie Mae. A 2016 order in Federal National Mortgage Association v. Willis, No. 2:15-cv-02366, states that Aldridge Pite LLP would continue to represent Fannie Mae after attorney Krista J. Nielson was removed from the electronic service list.

## VII. COMPARATIVE ISSUE PRESENTED BY THE ESTATE/TRUST

The Estate/Trust's position is not that the shared word 'Aldridge' establishes a connection between Ernest Aldridge and Aldridge Pite LLP. Rather, the Estate/Trust presents the following consistency issue:

> *Nevada prosecuted and its Supreme Court affirmed consequences against an individual for falsely assuming Fannie Mae identity/authority and using recorded instruments to interfere with Nevada real property. At the same time, Aldridge Pite LLP is independently documented as having represented Fannie Mae in Nevada real-property litigation. Therefore, in the Estate/Trust's separate property matter, Nevada and every private actor claiming through Fannie Mae should be required to produce property-specific proof that Fannie Mae actually possessed an enforceable interest and that each law firm, trustee, servicer, mediator participant, and foreclosure actor possessed lawful authority derived from that interest.*

## VIII. DOCUMENTS DEMANDED FOR THE SUBJECT PROPERTY

1. Every instrument establishing how Fannie Mae acquired any interest in the specific LeaderOne-originated obligation.
2. The original note or legally sufficient evidence of the note, together with every endorsement, allonge, transfer, and custodial record relied upon.
3. The original deed of trust and every recorded assignment affecting the beneficiary interest.
4. Every recorded Substitution of Trustee, including the authority of the beneficiary that executed the substitution.
5. Every servicing agreement, power of attorney, limited power of attorney, referral, retention, or other instrument authorizing PennyMac, NDSC, Aldridge Pite LLP, or another actor to proceed concerning the property.
6. Every property-specific communication by which Fannie Mae retained, instructed, authorized, or ratified the conduct of Aldridge Pite LLP or another law firm.
7. Every mediation document identifying the beneficiary, trustee, servicer, attorney, mediator, notice recipient, and asserted amount due.

8. Every governmental record showing what verification Nevada, Clark County, the Recorder, the courts, the Foreclosure Mediation Program, the Constable, or other participating governmental body performed concerning the identity and authority of the purported creditor and foreclosure actors.

## IX. NO INFERENCE FROM SHARED NAME

For avoidance of doubt, this Exhibit does not allege that Ernest C. Aldridge and Aldridge Pite LLP are related, affiliated, or part of the same enterprise based solely on the shared surname. No source reviewed for this Exhibit establishes such a relationship. Any such connection would require independent competent evidence.

## X. AUTHORITIES / PUBLIC CASE RECORDS

It does not convert allegations in unrelated cases into findings concerning the Estate/Trust's property. The Estate/Trust reserves all claims and the right to supplement this Exhibit with certified dockets, recorded instruments, investigator reports, licensing records, and property-specific evidence.

1. Identify each Nevada governmental officer, court, constable, law-enforcement agency, recorder, mediator, or other public actor who participated in, authorized, recorded, enforced, or facilitated the challenged proceedings.

2. Identify the precise writ, order, warrant, return, execution record, service record, incident report, body-camera record, dispatch record, or other governmental record authorizing the physical removal from the property.

3. Explain the legal effect and duration of the Temporary Writ of Restitution dated April 27, 2023, including the handwritten effective date and time of May 4, 2023 at 5:00 p.m., and identify the authority relied upon for any execution occurring on May 10, 2023.

4. Identify the governmental or private status of every person physically present and participating in the May 10, 2023 removal, including the agency or employer under whose authority each person acted.

5. If the relevant constable or law-enforcement personnel had no record of the eviction or removal, identify who directed the persons appearing at the property and what lawful authority they possessed.

6. Identify all records showing who took custody or control of the premises, keys, personal property, or access to the property after the removal.

## V. RECORDING, FRAUD-WARNING, AND VERIFICATION QUESTIONS

Nevada's own public fraud warnings, as described in the supporting affidavit, addressed seller impersonation, falsified documents, unauthorized transfers, suspicious notarization, identity-verification failures, and rapid wiring of proceeds. The existence of such warnings does not itself establish that fraud occurred in this matter. It does, however, make verification of the underlying authority and identity of the persons asserting ownership or enforcement rights a material factual question.

1. What identity-verification procedures were performed before later instruments, transfers, assignments, foreclosure documents, or sale documents were accepted or relied upon?

2. Were the original signatures, electronic signatures, notarizations, assignments, and authority of each signing party independently verified? If so, identify the verification records.

3. Did any Nevada agency compare the later asserted ownership or creditor interests against the previously filed judicial challenge, tender records, and recorded title dispute? If not, explain why.

4. If the Recorder's certification establishes that an instrument is a true and correct copy of what is on record but does not adjudicate the substantive validity of the underlying transaction, identify who actually determined that the underlying instrument was legally enforceable.

## VI. REQUEST FOR RECONCILIATION OF THE STATE'S POSITION

The State's prior position denying liability should be reconciled with the governmental records and acts described above. The central inquiry is not whether the Recorder merely accepted a document for recording, but whether identifiable Nevada judicial, recording, mediation, constable, enforcement, or other governmental acts materially participated in a chain of events culminating in dispossession while the underlying title, party identity, tender, assignment, and enforcement authority were already disputed.

**Accordingly, the receiving parties are requested to answer the following central question:**

> *How can the State or municipality maintain that it was not involved if governmental offices, courts, recording systems, mediation processes, writs, or enforcement mechanisms were used in the sequence*

*that produced the challenged dispossession? If the State maintains that no governmental actor was involved, identify the private actors responsible and the lawful authority under which they acted.*

## VII. EVIDENTIARY DISTINCTION AND RESERVATION

This Exhibit does not treat the mere recording of an instrument as proof that the underlying transaction was valid. Nor does a general governmental fraud warning, standing alone, prove discriminatory intent or fraud in this specific matter. Rather, the cited records are presented to require a document-based reconciliation of the chain of title, authority to enforce, notice, timing, governmental participation, and disposition of property and proceeds.

All allegations of fraud, discriminatory treatment, wrongful foreclosure, unlawful dispossession, title irregularity, and related injury remain allegations or claims except to the extent independently established by certified records, admissible evidence, or final adjudication. All rights, claims, objections, remedies, and previously asserted positions are expressly reserved.

## VIII. SUPPORTING RECORDS REFERENCED

Clark County Recorder certified copy / Official Titan Seal, Instrument No. 201806260001916, certification dated September 20, 2022.

Eighth Judicial District Court, Clark County, Nevada, Case No. A-22-849976-C, electronically filed April 28, 2022.

Affidavit of Fraud, Prior Notice, Title Irregularities, and Failure to Prevent Wrongful Foreclosure.

Temporary Writ of Restitution dated April 27, 2023, reflecting an effective date/time written as May 4, 2023 at 5:00 p.m.

Apostille Declaration and Certification of Foreign Judgment and accompanying chain-of-title materials.

Previously filed foreign-judgment, public-record, agency, police, title, tender, and supporting exhibits.

**Submitted as an Exhibit and incorporated by reference into the previously filed record.**

## IX. NEVADA SUPREME COURT / FORECLOSURE MEDIATION PROGRAM — TRUSTEE AUTHORITY, NOTICE, AND CONSTITUTIONAL QUESTIONS

**A. Supreme Court institutional involvement.** Nevada's foreclosure-mediation framework is not purely private. NRS 107.086 authorizes a statutory foreclosure-mediation process, and the Nevada Supreme Court adopted Foreclosure Mediation Rules through Administrative Docket ADKT 0435. Nevada Judiciary materials also identify the Supreme Court's Administrative Office of the Courts as responsible for appointing foreclosure mediators, with Nevada District Courts assigning mediators to individual matters. Accordingly, where that governmental framework is invoked against a particular property, the record should identify the lawful statutory predicate, the qualified trustee/beneficiary, the notice provided, the mediator assignment, and the parties whose interests were being mediated.

**B. Trustee qualification under NRS 107.028.** NRS 107.028 limits who may serve as trustee under a Nevada deed of trust and provides that a trustee may not be the beneficiary for purposes of exercising the power of sale under NRS 107.080. The statute further prohibits a qualified trustee from lending its name or corporate capacity to an unqualified person or acting to circumvent the statutory qualifications. These requirements make the identity and qualification of the person purporting to exercise trustee powers a threshold evidentiary issue.

**C. Substitution of trustee must be recorded.** NRS 107.028(5) provides that appointment of a new trustee is not effective until the substitution of trustee is recorded in the county recorder's office where the real property is located. Covenant No. 9 in NRS 107.030 likewise provides for appointment of another trustee by an instrument executed and acknowledged by the beneficiary and describes the vesting of the substituted trustee's powers upon recording. Thus, if a person or entity that was not the original trustee purported to exercise trustee powers, the record should contain the operative recorded substitution and evidence that the appointing beneficiary possessed authority to make that appointment.

**D. Mediation does not cure a defective foreclosure predicate.** NRS 107.086 can supply a statutory mediation mechanism even when the original private contract contains no mediation clause. But the existence of the mediation statute does not itself establish that every person invoking foreclosure authority is a qualified trustee, lawful beneficiary, note holder, servicer, or otherwise authorized party. The property-specific record must establish the legal capacity in which each participant acted.

**E. Notice and participation.** A central issue is whether the record title holder, Trustee, Executor, or other legally authorized representative received the notices required by the applicable foreclosure-mediation procedure. If the Trust did not request mediation, did not receive required notice, did not pay or authorize mediation fees, and did not appear through an authorized representative, the State and participating entities should identify the exact statutory pathway and documentary record by which the property was nevertheless placed into mediation.

**F. Due Process question.** If governmental foreclosure machinery was used while the purported foreclosing participant lacked the authority required by Nevada law, or if required notice and an opportunity to be heard were absent, the resulting deprivation raises a serious procedural due-process question under the Fourteenth Amendment. This Exhibit does not declare that constitutional liability has already been adjudicated; it demands identification of the process actually afforded and the authority of the parties against whom the Trust was required to proceed.

**G. Contracts Clause theory — preserved but not overstated.** The Estate/Trust further preserves a Contracts Clause theory to the extent governmental action materially altered or impaired enforceable contractual rights. Because generally applicable foreclosure statutes may regulate contractual remedies without necessarily violating the Contracts Clause, the constitutional question should be tied to the specific governmental action alleged here: whether Nevada governmental machinery treated an unauthorized person as possessing rights under the deed of trust or otherwise imposed a legal relationship unsupported by the original contract and lawful chain of authority.

**H. Standing / entitlement to enforce.** The Estate/Trust requests production of the original or otherwise legally sufficient note evidence, deed of trust, endorsements, assignments, beneficiary records, servicing authority, and recorded substitution of trustee. Nevada precedent, including Edelstein v. Bank of New York Mellon, addresses the relationship between the note and deed of trust and the authority necessary to foreclose. The precise legal issue should therefore be framed as entitlement and statutory authority to enforce, rather than assuming that the mere appearance of a later entity in the record established foreclosure rights.

**I. Sanctions and coercive consequences.** To the extent the applicable mediation framework imposed fees, attendance obligations, good-faith requirements, sanctions, loss of mediation protections, or other consequences, the State should identify the safeguards ensuring that those coercive consequences were not imposed in favor of an entity lacking the legally required authority. The existence of governmental consequences makes proof of party identity, notice, and authority especially important.

**J. Separation-of-powers / state-action question.** The Nevada Supreme Court's adoption and administration of foreclosure-mediation rules is governmental action undertaken pursuant to statutory authority. That fact does not, standing alone, establish an Article III separation-of-powers violation. The question preserved here is narrower: whether judicial or administrative machinery was used to advance a private foreclosure without first satisfying the statutory prerequisites governing trustee qualification, substitution, notice, and authority to exercise the power of sale.

**DOCUMENTS AND ANSWERS DEMANDED FROM THE STATE, COUNTY, MUNICIPAL, JUDICIAL, AND PRIVATE ACTORS**

1. Identify the original trustee named in the deed of trust and every later purported substituted trustee.
2. Produce every recorded Substitution of Trustee and identify its Clark County instrument number, execution date, recording date, beneficiary executing it, and authority of that beneficiary.
3. Identify the NRS 107.028 qualification relied upon for each trustee or substituted trustee.
4. Identify who recorded or transmitted the Notice of Default and Election to Sell and the legal capacity in which that person acted.

5. Produce the complete chain establishing the beneficiary or other party entitled to enforce the note and deed of trust at the time mediation and foreclosure were initiated.

6. Produce the property-specific mediation petition/election, fee records, assignment notice, scheduling notice, proof of service, attendance record, mediator statement, certificate, and any sanctions or recommendations.

7. Identify every Nevada Supreme Court/AOC, District Court, Home Means Nevada, mediator-program, Clark County, Recorder, District Attorney, Constable, law-enforcement, or other governmental actor who processed, assigned, recorded, reviewed, enforced, or relied upon the mediation or foreclosure documents.

8. Identify the legal and employment status of every person who appeared at the property claiming or appearing to exercise police, constable, eviction, foreclosure, possession, locksmith, property-management, or governmental authority.

9. If any recipient maintains that Nevada or its subdivisions were 'not involved,' distinguish direct creditor status from judicial, administrative, recording, mediation, supervisory, enforcement, ministerial, or police-power involvement and identify the records supporting that denial.

**CORE QUESTION PRESENTED.** If the original private transaction identified LeaderOne Financial and the Trust's records reflect subsequent tender/satisfaction, while later entities and substituted trustees appeared without a documented, legally sufficient chain of authority, what precise statutory, recorded, contractual, and jurisdictional facts authorized Nevada's foreclosure-mediation and enforcement machinery to proceed against the Trust property, and what notice and opportunity to be heard were actually afforded to the lawful Trust representatives?

**IMPORTANT LEGAL QUALIFICATION.** This Exhibit does not assume that absence of a contractual mediation clause alone invalidates statutory mediation, nor that every defect in an assignment automatically voids a foreclosure. It requires the participating actors to identify the actual statutory prerequisites, recorded substitutions, entitlement to enforce, notice, and governmental process relied upon in this specific matter.

## SUPPLEMENTAL EXHIBIT SCHEDULE - EXHIBITS N THROUGH Q

This supplemental schedule is incorporated into the existing 355-page Continued Order / Foreign Judgment / Writ of Mandamus / preservation package. It supplements the existing Exhibit A-M schedule and does not replace or renumber those exhibits.

| Exhibit | Description |
|---|---|
| N | Identity, Capacity, Party Status, Notice, and Record-Consistency Analysis - preserving distinctions among the named defendant, Trust/Estate, Trustee, Executor, Beneficiary, Consular Court, and other capacities. |
| O | Prior Nevada Attorney General Claims / Complaints and Notice Record - preserved references to Nos. 9112 and 9114 and continuity of the governmental-notice record. |
| P | Supplemental DOJ / OIG Complaints, Police Reports, Government Claims, and Prior Notice Record - index and incorporation notice for federal complaint materials, law-enforcement reports, and Claim TC20610. |
| Q | Nevada Attorney General Ticket #114941 - AutoReply acknowledging creation of a trouble ticket for "Notice of Unlawful Alteration, Deletion, and Interference with Official Public Records." The underlying email is already reproduced within the existing package and is incorporated here by cross-reference rather than duplicated. |

**Record note.** The exhibits document the submitting parties' positions, preserved records, receipt/notice chronology, and issues for reconciliation. Receipt or filing does not by itself establish agreement with an allegation, liability, or adoption of a Consular Court conclusion by a Nevada or federal court.

## EXHIBIT — IDENTITY, CAPACITY, PARTY STATUS, NOTICE, AND RECORD-CONSISTENCY ANALYSIS

| | |
|---|---|
| **Related State Matter** | Eighth Judicial District Court, Clark County — A-21-843907-C |
| **Related Appellate Matter** | U.S. Court of Appeals for the Ninth Circuit — No. 22-70183 |
| **Related Federal Matter** | U.S. District Court, District of Nevada — No. 2:22-cv-00874 |
| **Purpose** | Preservation of distinctions among named party, Trust, Trustee, Executor, Beneficiary, and other asserted capacities |

## I. PRECISION OF IDENTITY AND CAPACITY

The preserved record illustrates why precision concerning identity, legal capacity, and party status matters. A court record may identify "Monica Hall" or "Monica Rene Hall" as a defendant, while separate instruments concern an Estate or Business Trust, a Trustee, an Executor, a Beneficiary, the Consular Court, or another person or capacity. The fact that persons, property, estates, trusts, or proceedings may be factually connected does not by itself make those capacities legally interchangeable.

Accordingly, this Exhibit preserves the position that every material act should be traced to the exact person or entity identified in the operative document and to the capacity in which that person or entity was purportedly acting, served, obligated, represented, adjudicated, or affected.

## II. PRESERVED CLERK RECORD

The preserved Eighth Judicial District Court correspondence concerning A-21-843907-C states that documents were being returned because the Consular Court was not a party to that case and identifies Monica Hall as the party/defendant. That statement is significant to the record because it demonstrates that the court itself distinguished the Consular Court from the named defendant rather than treating every connected person, trust, office, title, or capacity as a single party.

This Exhibit does not expand that clerk statement beyond what the document says. Instead, it requires the subsequent record to be tested against that distinction: if another proceeding, pleading, service declaration, collection act, property action, or enforcement instrument relied upon a different identity or capacity, the responsible actor should identify the legal and evidentiary basis for doing so.

## III. IDENTITY/CAPACITY QUESTIONS PRESERVED FOR RESPONSE

- Who precisely was the named defendant or obligor in each operative pleading, judgment, writ, lien, collection instrument, and enforcement action?
- In what capacity was that person or entity acting — individually, as Trustee, Executor, Beneficiary, representative of an Estate/Trust, or otherwise?
- What instrument established the alleged debt or obligation against that particular person or capacity?
- What competent evidence established that a Trust, Estate, Trustee, Executor, Beneficiary, or other separately identified capacity was bound by an obligation asserted against another named party?

- Upon whom was process actually served, at what physical location, by what method, and under what rule or statute was that service claimed effective?
- What evidence connected any service address used in the litigation to the person or capacity against whom relief was sought?
- Which governmental, court, bank, law-firm, or municipal actors received records identifying these distinctions, and what action followed after that notice?

## IV. NOTICE, KNOWLEDGE, AND PERMISSIBLE INFERENCE

The submitting parties maintain that the accumulated filings, clerk correspondence, service records, court-stamped documents, agency submissions, certified-mail records, and related communications placed relevant courts, governmental bodies, municipalities, financial institutions, attorneys, and other recipients on notice of material distinctions concerning identity and capacity.

This Exhibit therefore preserves the submitting parties' inference that recipients who possessed or received those materials knew, or had reason to know, that the named defendant, the Trust or Estate, the Trustee, the Executor, the Beneficiaries, and the Consular Court could not simply be collapsed into one undifferentiated identity or capacity. The underlying exhibits are offered so each recipient may admit, deny, explain, or rebut that inference with competent records.

Silence or failure to rebut is not represented here as automatically establishing liability, fraud, intent, or a binding adjudication. The purpose is to preserve the evidence, identify the inference drawn by the submitting parties, and require the factual record to be addressed rather than obscured by inconsistent labels.

## V. COVER-UP CHARACTERIZATION — SUBMITTING PARTIES' POSITION

The submitting parties and the House of Judah Consular Court characterize the accumulated conduct reflected in their continuing record as a cover-up. That characterization is presented as their conclusion from the documented chronology and asserted discrepancies; it is not represented as a finding previously entered by a Nevada state court or federal court unless a separate exhibit expressly establishes such a finding.

The evidence is therefore presented without asking a reviewing recipient to accept the characterization merely as a label. The recipient is asked to examine the underlying documents: who was identified, who was not; what capacity was stated; what address was used; what service was claimed; what records existed; what records were later available or unavailable; what government and private actors received notice; and whether the subsequent actions can be reconciled with those records.

## VI. THE RECORD SPEAKS THROUGH COMPARISON

The submitting parties' position is that facts should be examined by removing assumptions and comparing the underlying evidence directly. Where the record identifies one party or capacity, a later actor should not substitute another without establishing the legal and factual bridge. Where an address, service event, debt, judgment, writ, lien, or property interest is disputed, the contemporaneous documentary record should control the inquiry rather than characterization alone.

This method is intended to expose either consistency or contradiction. If the records reconcile, the recipient may demonstrate that reconciliation. If they do not, the discrepancy should be identified and explained.

## VII. NATURE, PURPOSE, AND THE DUTY NOT TO CONCEAL

The submitting parties use the ant and bumblebee as a statement of purpose: in nature, function is demonstrated by conduct. The ant builds, gathers, protects, and sustains; the bee gathers, pollinates, protects, and contributes to the larger harmony of its environment. Their work is revealed by what they do.

Applied here as a statement of principle rather than a legal rule, the lesson is simple: public institutions, financial institutions, courts, officers, and private actors should likewise be judged by documented conduct. Records should be preserved rather than hidden; capacities should be identified rather than blurred; errors should be corrected rather than concealed; and material facts should be capable of examination. Nature ultimately exposes what exists. A documentary record should be allowed to do the same.

## VIII. INCORPORATION AND RESERVATION

This Exhibit is incorporated into the continuing record for evidentiary, notice, preservation, and reconciliation purposes. It is to be read together with the underlying court filings, clerk correspondence, service declarations, certified-mail records, Trust/Estate records, agency submissions, property records, financial records, and cyberattack record-reconciliation materials.

Nothing in this Exhibit represents that a Nevada state court, federal court, municipality, bank, or agency has adopted the House of Judah Consular Court's conclusions. The underlying evidence is preserved so that each recipient may respond to the factual distinctions and the inferences drawn from them.

## HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII

# EXHIBIT - PRIOR NEVADA ATTORNEY GENERAL CLAIM / COMPLAINT AND NOTICE RECORD

### Claims / Complaints Nos. 9112 and 9114

Historical Notice - Continuation - Preservation - Exhibit Record

### I. PURPOSE OF EXHIBIT

This Exhibit is incorporated into the continuing House of Judah Consular Court Tribunal XIII record to identify and preserve prior Nevada Attorney General claim and/or complaint matters identified by the submitting parties as Nos. 9112 and 9114. These historical matters are presented as evidence of the prior notice, chronology, allegations, supporting submissions, service history, and opportunity for governmental review reflected in the preserved record.

### II. CLAIM / COMPLAINT NO. 9112 - PRESERVED DOCUMENTARY RECORD

The preserved 29-page record expressly bears the heading "CLAIM FILED NO. 9112." It identifies Princess Emilily Hotep El, doing business as Princess Emilily Hotep El and Monica R. Hall Estate Trust, and Prince Ra Hotep El, and names Sunlight Financial and Cross River Bank among the respondents. The filing also identifies Parcel No. 125-21-311-121, UCC filings, an asserted Consulate Court jurisdictional position, and NV Trust No. El-537992420-0. A later page of the same preserved filing contains a "CERTIFICATE PROOF OF ELECTRONIC SERVICE" listing the Nevada Secretary of State and the Office of the Nevada Attorney General at its Las Vegas and Carson City offices.

### III. CLAIM / COMPLAINT NO. 9114

The submitting parties identify Nevada Attorney General Claim / Complaint No. 9114 as an additional historical matter in the same continuing notice record. No underlying 9114 source document is reproduced within this exhibit page unless separately attached. Accordingly, No. 9114 is preserved here according to the submitting parties' existing records and should be supported by the corresponding receipt, filing, complaint, service record, or agency correspondence when included in the final exhibit package.

### IV. CONTINUING RECORD - NOT A NEW COMPLAINT

Claims / Complaints Nos. 9112 and 9114 are incorporated for historical and evidentiary continuity. The present transmission is designated by the submitting parties as a continuation, supplementation, preservation, and presentment of their existing record rather than a replacement for those earlier submissions. Nothing on this exhibit page represents that the Nevada Attorney General accepted the underlying allegations as established facts or made the determinations attributed to the House of Judah Consular Court Tribunal XIII.

### V. EXHIBIT PURPOSE AND USE

This Exhibit may be used with the Continued Order and related supporting record to document: (1) prior submission; (2) prior notice and asserted knowledge; (3) chronology; (4) the identity of the matters and parties identified in the historical filings; (5) service and transmission records; and (6) continuity between the earlier Attorney General matters and the present record.

# SUPPLEMENTAL EXHIBIT INDEX AND INCORPORATION NOTICE

**DOJ / OIG COMPLAINTS • POLICE REPORTS • GOVERNMENT CLAIMS • PRIOR NOTICE RECORD**

### I. PURPOSE

This Supplemental Exhibit is incorporated into the continuing record to preserve and identify documentary materials concerning prior complaints, claims, law-enforcement reports, governmental notices, and related evidentiary submissions. The materials are offered for the limited purposes of establishing the contents of the submissions, chronology, notice, reporting history, and the existence of the referenced records. Allegations contained in a complaint, affidavit, police report, or tribunal filing remain attributed to the submitting or reporting party unless independently adjudicated or admitted.

### II. FEDERAL COMPLAINT / CLAIM RECORD

The December 2, 2025 formal submission identifies the U.S. Department of Justice Office of Inspector General, CFPB, and OCC as recipients and describes an enclosed complaint packet with exhibits and sworn declarations. The packet also identifies DOJ Case No. 311050-DSK, DOJ Report No. 318923-TFT, OCC Case No. CS0403162, and a related civil-case reference.

### III. LAW-ENFORCEMENT / POLICE REPORT RECORD

The supporting packet contains law-enforcement records, including Las Vegas Metropolitan Police Department materials. One preserved report identifies a June 2023 malicious-damage/property incident at 8237 Fawn Brook Court and records reported concerns regarding a broken window, loss of camera/alarm function, possible burglary, and personal property remaining inside the residence. The packet also contains an earlier LVMPD forgery report associated with the same property address and additional LVMPD victim/reporting materials.

### IV. NEVADA ATTORNEY GENERAL CLAIM RECORD

The packet includes the Nevada Attorney General's May 30, 2023 correspondence for Claim No. TC20610. That correspondence states that Nevada received a claim against the State in the amount of $400,000,000.00 and denied the claim after stating that the office was unable to find acts for which the State was liable. The correspondence is incorporated to establish the agency's documented receipt and disposition of that claim, without altering the separate determinations asserted in the House of Judah Consular Court record.

### V. EXHIBIT SCHEDULE

| Exhibit | Record | Purpose |
|---|---|---|
| A | DOJ/OIG Formal Submission and Complaint Packet | Federal complaint/notice history and referenced case/report numbers |
| B | DOJ Case No. 311050-DSK / DOJ Report No. 318923-TFT references | Identification and continuity of federal reporting record |
| C | LVMPD June 2023 Malicious Damage / Property Report | Law-enforcement reporting and reported property/injury circumstances |
| D | Additional LVMPD Forgery / Victim / Incident Materials | Earlier police-report chronology and supporting law-enforcement record |
| E | Nevada AG Claim No. TC20610 correspondence | Documented receipt of $400,000,000 claim and agency denial |

### VI. INCORPORATION

The foregoing records are incorporated by reference into the continuing exhibit schedule together with the previously identified Nevada Attorney General Claims / Complaints Nos. 9112 and 9114 and other supporting records. The original source pages should remain attached in their existing form so that agency letters, police-report identifiers, dates, signatures, stamps, mailing evidence, and other source markings remain available for direct review.

## Rule 3.3 – Candor Towards Tribunal

**NOTICE OF PETITIONERS MOTION FOR SANCTIONS AGAINST RESPONDENTS NOTICE OF FILING OF DEFENDANTS MOTIONS SANCTIONS REGARDING SUBMISSION OF FALSE OR MISLEADING AFFIDAVITS PLEADINGS AND DOCUMENTS Fed. R. Civ. R. 11[c][1][A] FPRC 12**

Please take notice that on the 19 of July 2022 the Defendants/Respondents filed documents asking the judge[s] to recuse themselves claiming that their not in part the reason for this matter herein District Court. Well they are responsible they were informed as of November 17th, 2021 of the fraudulent actions filings on November 9, 10, and 11 of the year 2021. The exhibits clearly shows me and my cohort as well the Consulate Court Tribunal contacting them by email informing them to cease and desist that the debt was tendered in full but they persisted. Even to the point of having my documents strike from record because my name isn't that of the ex rel.

As well their proof of service was allowed by the lower court judge claiming she would allow them to have left documents opened by my employer by John White on multiple dates. Claiming to have served me while at a UPS store that was closed at 6pm then at my employers location 10105 Banbury .... When it was too closed. Well passed the 120 days allowed without proof of service when John White could've left the documents at my abode with my cohort on two occasions. He refused claiming he needs to leave it with a MONICA RENEE HALL!

It is very visual and apparent that they knew what they were doing. Age nor my first offense is no excuse as this is a case of ABUSE OF POWER! They knew this is or was a OFF SHORE ESTATE TRUST and chose to proceed after being warned by this CONSULATE COURT TRIBUNAL on many occasions. Simply put they were terrorizing princess emilily el.

**This is an attempt to RAMBO STYLE LITIGATION PERFORMED BY THE DEFENDANTS/RESPONDENT IN THIS CASE TO DELAY IT AGAIN!**

If that isn't biased just to gain a default judgement I am lost at sea, when I am in my own right mind from my mothers womb. Clearly they are wrong. I a Consular Official herein known as princess emilily hotep el Trade No.4461418 OHIO, is now the Respondent and no longer the Defendant for the petitioner herein know as the Defendant in the lower court now the counter claimant MONICA RENE HALL ESTATE TRUST trustee prince ra chief priest hotep el-bey.

They wanted to embarrass, harass and threatened a foreign official by going up to her job and placing documents in the hands of strangers. They also appeared at her Abode and posted fraudulent non recorded instruments on her Abode. They contacted friends neighbors and family members to further their damages.

In the lower court the petitioner known wrongfully as the Defendant MONICA RENEE HALL as such is a newly created all caps corporation entity by Aldridge Pite Haan LLP and Ally Bank et.. al,... not limited to others. As she is an foreign national from the nation Al Moroccan Muur American from the Blackfoot and Cherokee tribes which this court does have subject matter jurisdiction as well personal jurisdiction over the Constitution and Treaties in this matter for such is being enforced by the petitioner[s] MONICA RENE HALL ESTATE TRUST, trustee prince ra chief priest hotep el-bey and princess Emily hotep el-bey in their private capacities not public.

As such the Petitioner[s] are self-represented, and do submit this motion based upon the following Memorandum of Points and Authorities; the pleadings and papers on file in this case; the attached exhibits hereto, if any; and the argument allowed by the Court at the time of hearing.Currently I am still dealing with the actions from Aldridge Pite Haan LLP whom represented NDSC National Default Servicing Corp in a case the year 2019 - 2020 they referenced me as a vexatious litigator that I couldn't present myself in the state of CA without an attorney. They are also currently harassing me and my

family. To state that the Federal Court Judge should be responsible for their illegal and unlawful actions is ludicrous and ridiculous.

They moved forward on the claim... they purchased the debt, they filed the documents in court not the honorable judge in Federal Court. As such they should be sanctioned and their documents stricken from record for they are the vexatious litigants taking property not only from me Cc: exhibits CA State Court and Indigenous land Patton but they also make false reports to other agencies claiming I don't pay taxes nor report them when I have pecuniary compensation.

They with the assistance of the lower court Judge attempted to gain a Default Judgment by keeping me out of the case and using a ex rel name or title claiming my signatures on documents iv never seen nor have I contracted with anyone placed on the documents well after August 24, 2019. The signatures of the Car deanship owner is new to me, I never met him or anyone but the finance man at KIA. I stated to him that I do not do UNILATERAL CONTRACTS rather he in returned said they would call me once they had a bank,...

I never got the call. In fact NDSC and others are posting fraudulent documents on my private Abode well after I tendered payment, paid in full and have court orders to remove all instruments from my private Abode held within my foreign Estate Trust Called MONICA RENE HALL ESTATE TRUST 33-XXXXXXX.

The lower court judge appears to be constituent of Ally and Aldridge and seems to be biased and appears to assist them, Cc my posting in state court on July 11, 2022 at 12pm and right that they filed at 3pm their sanctions attempt and recusal, therefore the lower court judge is assisting them in a timely manner as to what I've filed they are filing in Federal court for no legal or real reasons at merit.

The judge showed bias during several hearings and wouldn't allow me nor my cohort to speak making threats that she would go after us for practicing law in NV without a lisence when I made I clear that I'm SUI JURIS a Consular official officer with Diplomat Status. She cared less. They should be sanctioned and the liens in full should be paid thereto me in total $48,100,900.00.**REMEDY!**

They filed the false documents they are responsible not the honorable judge in District Court.The lower court judge should be sanctioned and removed from bench until the liens or the fines from the sanction are paid in full. Aldridge Pite llp has $40,000,000.00 in Sanctions!

Total legal fees **$5500.00 per day** in state court [240days] total **$1,320,000.00** including pain and suffering time off and I had to quite my Job due to them constantly showing up to my job with open documents left with other employees. Purposefully embarrassing me making me feel ashamed that I was alive and doing so while I was out sick with COVID19 and with a heart condition.

No remorse was show after I showed proof of payment by way of the Consulate Court Tribunal via mail and email to Aldridge Pite Haan whom hid the name Haan and was just Aldridge Pite llp, I had to research their true name. They purchased the debt and then came after me relentlessly with careless mistakes doing what they did to my Abode in CA, took it from me, and now doing the same thing again. Cc: Rule 3.3 – Candor Towards Tribunal.

In fact after listening and watching several tapes on the BLUE JEAN LIVE VIDEO COURT CASE I can hear clearly and see the judge Joanna S. Kishner did not like or have compassion towards princess emilily hotep el, and continued asking if she had an alias name as such was denied by consular officer Diplomat ;princess Emilly hotep el-bey. (1) It is not being presented for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation;

(2) The claims, defenses, and other legal contentions are warranted by existing law or by a non-frivolous argument for extending, modifying, or reversing existing law or for establishing new law;

(3) The factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and

(4) The denials of factual contentions are warranted on the evidence or, if specifically so identified, are reasonably base on belief or a lack of information.

Rule 11(c) sets forth the following provisions relating to sanctions for a violation of subsection (b): (c) Sanctions (1) In General. If, after notice and a reasonable opportunity to respond, the court determines that Rule 11(b) has been violated, the court may impose an appropriate sanction on any attorney, law firm, or party that violated that rule or is responsible for the violation. Absent exceptional circumstances, a law firm must be held jointly responsible for a violation committed by its partner, associate, or employee

(2) Motion for Sanctions. A motion for sanctions must be made separately from any other motion and must describe the specific conduct that allegedly violates Rule 11(b). The motion must be served under Rule 5, but it must not be filed or be presented to the court, if the challenged paper, claim, defense, contention, or denial is withdrawn or appropriately corrected within 21 days after service or within another time the court sets. If warranted, the court may award to the prevailing party the reasonable expenses, including attorney's fees, incurred for the motion.

(3) On the Court's Initiative. On its own, the court may order an attorney, law firm, or party to

show cause why conduct specifically described in the order has not violated Rule 11(b).

(4) Nature of a Sanction. A sanction imposed under this rule must be limited to what suffices to deter repetition of the conduct or comparable conduct by others similarly situated. The sanction may include non-monetary directives; an order to pay a penalty into court; or if imposed on motion and warranted for effective deterrence, an order directing payment to the movant of part or all of the reasonable attorney's fees and other expenses directly resulting from the violation.

(5) Limitations on Monetary Sanctions. The court must not impose a monetary sanction:

(A) Against a represented party for violating Rule 11(b)(2); or

(B) on its own, unless it issued the show-cause order under Rule 11(c)(3) before voluntary dismissal or settlement of the claims made by or against the party that is, or whose attorneys are, to be sanctioned.

(6) Requirements for an Order. An order imposing a sanction must describe the sanctioned conduct and explain the basis for the sanction.

(d) Inapplicability to Discovery. This rule does not apply to disclosures and discovery requests, responses, objections, and motions under Rules 26 through 37.

Based upon the express limitations expressed in Rule 11, the Sixth Circuit has set for the several factors or principles that a court must consider when determining appropriate sanctions. First, the two goals of Rule 11 are deterrence and compensation. Of the two, deterrence is the primary goal. Second, because deterrence, not compensation, is the principal goal, courts should impose the least severe sanction that is likely to deter. Third, a party who seeks attorney's fees as sanctions under Rule 11 must mitigate damages. The party should act promptly and avoid unnecessary expenses in responding to papers that violate Rule 11. Finally, the courts must consider an attorney's ability to pay a monetary sanction. See Jackson v. Law Firm, 875 F.2d 1224 (6th Cir. 1989). A further limitation on Rule 11 sanctions is that it may not be imposed for conduct related to discovery. Rule 3 sets forth the remedy for sanctionable conduct in discovery. Rule 11 imposes on litigants a continuing duty of candor, and a litigant may be sanctioned for continuing to insist upon a position that is no longer tenable. Riddler v. City of Springfield, 109 F.3d 288, 293 (6th Cir. 1997).

While the rule de-emphasizes monetary sanctions and discourages direct payouts to the opposing party, the rule recognizes that under unusual circumstances, deterrence may be ineffective unless the sanction not only requires the person violating the rule to make a monetary payment, but also directs that

some or all of the payments be made to those injured by the violation Fed. R. Civ. R. 11, advisory committee notes (1993 Amendments).

Parties either in addition to or, in unusual circumstances, instead of the person actually making the presentation to the court." FED.R.CIV. 11 Advisory Committee Notes (1993 Amendments). Courts have generally declined to impose sanctions on represented parties. See 5A CHARLES ALAN WRIGHT & ARTHUR R. MILLER, FEDERAL PRACTICE & PROCEDURE § 1336.2 (3D ED. 2004) ("Imposing a sanction on the client has met with disfavor."). However, we have upheld the imposition of Rule 11 sanctions on parties, along with their attorney, when they misrepresented key facts during their depositions and at trial. Union Planters Bank v. L & J Dev. Co., 115 F.3d 378, 384-85 (6th Cir. 1997).

B. 28 U.S.C. § 1927.

Section 1927. Counsel's Liability for Excessive Costs.

Any attorney or other person admitted to conduct cases in any court of the United States

or any Territory thereof who so multiplies the proceedings in any case unreasonably and vexatiously may be required by the court to satisfy personally the excess costs, expenses, and attorneys' fees reasonably incurred because of such conduct.

Unlike Rule 11, 28 U.S.C. §1927 authorizes the imposition of sanctions on only an "attorney or other person admitted to conduct cases. Section 1927 allows a court to require an attorney "who so multiples the proceedings in any case unreasonable and vexatiously . . . to satisfy personally the excess costs, expenses, and attorneys' fees reasonable incurred because of such conduct." 28 U.S.C. § 1927. The courts have held that a court may sanction an attorney under § 1927 for unreasonably and vexatiously multiplying the proceedings "despite the absence of any conscious impropriety." Jones v. Cont'l Corp., 789 F.2d 1225, 1230 (6th cir. 1986). An attorney is therefore sanctionable under § 1927 "without a finding of bad faith, 'at least when an

attorney knows or reasonable should know that a claim pursued is frivolous, or that his or her litigation tactics will needlessly obstruct the litigation of non-frivolous claims.'" Riddler v. City of Springfield, 109 F.3d 288, 298 (quoting Jones, 789 F.2d at 1230). However, "[t]here must be some conduct on the part of the subject attorney that trial judges, applying the collective wisdom of their experience on the bench, could agree falls short of the obligations owned by a member of the bar to the court and which, as a result, causes additional expense to the opposing party." Id. (quoting In re Ruben, 825 F.2d 977, 984 (6th Cir. 1987). Under this objective standard, "§ 1927 sanctions require a showing of

something less than subjective bad faith, but something more than negligence or incompetence." Red Carpet Studios Div. of Source Advantage, Ltd. v. Sater, 465 F.3d 642, 646 (6th Cir. 2006).

Section 1927 does not authorize the imposition of sanctions on a represented party, nor does it authorize the imposition of sanctions on a law firm. Claiborne v. Wisdom, 414 F.3d 715, 722-24 (7th Cir. 2005).

Section 1927 imposes an objective standard of conduct on attorneys, and the courts need not make a finding of subjective bad faith before assessing monetary sanctions. Sanctions may be imposed if the court determines that an attorney reasonably should have known that a claim pursued is frivolous. Jones v. Cont'l Corp. 784 F.2d 1225, 1230 (6th Cir. 1986).

Although care must be taken in assessing attorney fees under 28 U.S.C. § 1927, to assure that attorneys are not deterred from their ethical obligation "does not amount to carte blanche to burden the federal courts by pursuing claims that are frivolous on the merits, or by pursuing non- frivolous claims through the use of multiplicative litigation tactics that are harassing, dilatory, or otherwise 'unreasonable and vexatious.'" Jones v. Continental Corp., 789 F.2d 1225, 1230 (6th Cir. 1986).

An award of attorney's fees against a losing plaintiff in a civil rights action is an extreme sanction and must be limited to truly egregious cases of misconduct. Riddler at 299.

An appellate court review of a district court's determination of sanctions under whether Rule 11 or under 28 U.S.C. § 1927 is subject to an abuse of discretion standard. Riddler, 293, 298. A court will be deemed to have necessarily abused its discretion if it bases its ruling on an erroneous view of the law or a clearly erroneous assessment of the evidence. Riddler at 293.

C. Fed. Civil Procedure Rule 37

Rule 37 provides, in relevant part, as follows:

(a) Motion for Order Compelling Disclosure or Discovery. A

party, upon reasonable notice to other parties and all persons affected thereby, may apply for an order compelling disclosure or discovery . . . .

(4) Expenses and Sanctions.

(A) If the motion is granted or if the disclosure or requested discovery

is provided after the motion was filed, the court shall, after affording an opportunity to be heard, require the party or deponent whose conduct necessitated the motion or the party or attorney advising such conduct or both of them to pay to the moving party the reasonable expenses incurred in making the

motion, including attorney's fees, unless the court finds that the motion was filed without the movant's first making a good faith effort to obtain the disclosure or discovery without court action, or that the opposing party's nondisclosure, response, or objection was substantially justified, or that other circumstances make an award of expenses unjust.

The above cited provisions make clear that when a motion to compel is granted, the court shall, after affording an opportunity to be heard, require the offending party or attorney to pay reasonable expenses incurred in filing the motion, including reasonable attorneys fees unless the court finds that circumstances exist that make an award of expenses unjust.

The above cited provisions make clear that when a motion to compel is granted, the court shall, after affording an opportunity to be heard, require the offending party or attorney to pay reasonable expenses incurred in filing the motion, including reasonable attorneys fees unless the court finds that circumstances exist that make an award of expenses unjust.

2. State Procedure a. Civ. R. 11

There are two separate and distinct avenues in which a party can seek to impose sanctions upon another party upon sanctionable conduct under Ohio law. First, Civ. R. 11 provides as follows:

Signing of pleadings, motions, or other documents

Every pleading, motion, or other document of a party represented by an

attorney shall be signed by at least one attorney of record in the attorney's individual name, whose address, attorney registration number, telephone number, telefax number, if any, and business e-mail address, if any, shall be stated. A party who is not represented by an attorney shall sign the pleadings, motion or other document and state the party's address. Except when otherwise specifically provided by these rules, pleadings need not be verified or accompanied by affidavit. The signature of an attorney or pro se party constitutes a certificate by the attorney or party that the attorney or party has read the document; that to the best of the attorney's or party's knowledge, information, and belief there is good ground to support it; and that it is not interposed for delay. If a document is not

signed or is signed with intent to defeat the purpose of the rule, it may be strickened as a sham and false and the action may proceed as though the document had not yet been served. For a willful violation of this rule, an attorney or pro se party, upon motion of a party or upon the court's own motion, may be subject to an appropriate action, including an award to the opposing party of expenses and reasonable attorney fees

incurred in bringing any motion under this rule. Similar action may be taken if scandalous or indecent matter is asserted. When considering sanctions pursuant to Civ. R. 11, the trial court evaluates whether the attorney filing the pleading or motion: (1) read the documents; (2) possesses good grounds for filing it; and (3) does not file the document with a purpose to delay the proceedings. Ceol v. Zion Industries, Inc. (1992), 81 Ohio App.3d 286, 290; Callahan v. Akron General Med. Ctr., 2009-Ohio-5148. If the court finds that attorney violates just one of these elements, the court must then determine if the violation was willful, rather than merely negligent, but for sanctions may be imposed.

When reviewing a trial court's decision to grant sanctions, an appellate court must ascertain whether: (1) the attorney had "good ground" to support the claim, meaning whether the claim has any support in the law; and if not, (2) whether the trial court determined if there was a willful violation of the mandates of Civ. R. 11. Nations Rent v. Michael Conster Co. (Mar. 27, 2002) 2000-Ohio-1380 at p. 11. A review of an award of sanctions is under an abuse of discretion standard. However, the first step in an appellate court's analysis is to determine that the trial court had good legal grounds to support a claim. This aspect of the review is subject to a de novo analysis. City of Lorain v. Elbert (April 22, 1998), 9th Dist. No. 97CA006747; Wayne Mut. Ins. Co. v. Parks, 2002-Ohio-3990; Burns v. Henne, 115 Ohio App.3d 297, 302. In ruling on a motion for sanctions pursuant to Civ. R. 11, a court "must consider whether the attorney signing the document: (1) has read the pleading; (2) harbors good grounds to support it to the best of his or her knowledge, in information and belief; and (3) did not file it for purposes of delay. Ceol, supra. B. R.C. 2323.51 The second avenue to obtain sanctions against a party is pursuant to the statutory provisions of R.C. 2323.51. This statute has been found to not be in conflict with Civ. R. 11, which requires an attorney to have "good grounds to support" in a claim set forth in a complaint. Sigmon v. Southwest General Health Center, 2007-Ohio-2117. Nor does this violate Art. IV of the Ohio Constitution. Gates v. Brewer (1981), 2 Ohio App.3d. 347. R.C. 2323.51 prevents an attorney from filing and prosecuting claims that are (1) not warranted under existing law or (2) that cannot be supported by good faith argument for an extension, modification, or reversal of existing law. The statute provides information as follows:

R.C. 2323.51 allows a court to award attorney's fees to a party who has been adversely affected by frivolous conduct in connection with a civil action. Sanctions may be assessed against a party who has commenced or persisted in maintaining a frivolous action. Sigmon v. Southwest Gen. Health Ctr., 8th

Dist. No. 88276, 2007 Ohio 2117, at p. 33. See, also, Kozar v. Bio-Medical Applications of Ohio, Inc., 9th Dist. No. 21949, 2004 Ohio 4963, at p. 20. The statute defines "conduct" as "[t]he filing of a civil action, the assertion of a claim, defense, or other position in connection with a civil action, or the taking of any other action in connection with a civil action[.]" R.C. 2323.51(A)(1)(a

The determination that a party's or attorney's action was frivolous because the conduct served merely to harass or injure the opposing party is a factual determination. Lable & Co. v. Flowers (1995), 104 Ohio App.3d 227, 233, 661 N.E.2d 782. Thus, a court will review such a ruling with substantial deference to the trial court's findings. Id. However, the trial court's finding that the conduct was frivolous because it is not warranted under existing law or a good faith argument for extension, requires a purely legal analysis. Id. Accordingly, a court's review is de novo as matters of law are "peculiarly within the competence of an appellate court[.]" Passmore v. Greene Cty. Bd. of Elections (1991), 74 Ohio App.3d 707, 712, 600 N.E.2d 309. Generally, when awarded fees under 2323.51, the court may not award for "stressed and lost time". Orbit Elecs, Inc. v. Helm Instruments Co., 167 Ohio App.3d 301.

The court may award attorney fees against party under R.C. 2323.51(A). When the trial court found, after hearing, that a child's mother engaged in frivolous conduct that adversely affected both her child and the child's father, when she prosecuted a motion to suspend the father's visitation with the child, the trial court did not abuse its discretion when it ordered the mother to pay the father's attorney fees. Edwards v. Livingstone, 3 Ohio App. Lexis 3646. In awarding attorney fees pursuant to R.C. 2323.51, the court should endeavor to cite the specific fees necessitated by the frivolous conduct. Thus, attorney fees incurred after the point of frivolous conduct are appropriately awarded as sanctions. Soler v. Evans, St. Clair & Kelsy (2003), 152 Ohio App.3d 781.

R.C. 2323.51 sanctions generally do not apply to administrative hearings. Tomsu v. Ohio Civ. Rights Comm'n, 116 Ohio Misc.2d 24. Generally, an award of attorney fees is not available to a pro se litigant. Tomsu v. Ohio Civ. Rights Comm'n 116 Ohio Misc.2d 24.

Fees charged by counsel is not conclusive in determining the amount of sanctions to be imposed on the party who filed a frivolous lawsuit. The relevant issue for the court to determine is the amount of expenses incurred by the party who had to defend against the frivolous action. Johnson v. Allen, 1996 Ohio App. Lexis 504 (1996). Naming of attorney fees as a sanction is collateral to an independent of the primary action. Painter v. Midland Steel Co., 65 Ohio App.3d 273 (1989). Any fees should be awarded under 2323.51 directly against a party's counsel when counsel is to blame for bringing the frivolous

claims. Estep v. Kasparin (1992), 79 Ohio App.3d 313. R.C. 2323.51 defines two types of frivolous conduct: (1) conduct that serves only to harass or maliciously injure the opposing party in a civil action; and (2) conduct that is unwarranted under existing law for which there is no "good faith argument for an extension, modification, or existing law." The relevant inquiry for an alleged violation of Div.(A)(2)(n)(ii) is "whether no reasonable lawyer would have brought the action in light of the existing law." Kozar v. Bio-Medical Applications of Ohio, Inc. 2004-Ohio-4963 at p. 20. In making its award, the trial court must first determine that the conduct was frivolous as defined in the statute and that opposing party was adversely affected, and if so, then it may determine the amount of fees, costs, and expenses which were necessitated by the frivolous conduct.

C. Civ. R. 37 Pursuant to Civ.R. 37(D), if a party fails to appear before the officer who is to take his deposition after the party is served with proper notice of the deposition, a trial court may "make such orders in regard to the failure as are just, and among others it may take any action authorized under subsections (a), (b), and (c) of subdivision (B)(2) of [Civ.R. 37]." Civ.R. 37(B)(2)(c) permits a trial court to "render [] a judgment by default against the disobedient party." Thus, Civ.R. 37(D) invests the trial court with the power to enter a default judgment against a party for failure to attend his or her deposition. However, because default judgment is such a harsh sanction, a trial court may only impose that sanction when a party's absence is due to willfulness or bad faith. State ex rel Dispatch Printing Co. v. Johnson, 106 Ohio St.3d 160, 2005 Ohio 4384, p. 49, 833 N.E.2d 274, quoting Toney v. Berkemer (1983), 6 Ohio St.3d 455, 6 Ohio B. 496, 453 N.E.2d 700, syllabus; Ohio Bar Liability Ins. Co. v. Silverman, 10th Dist. No. 05AP-923, 2006 Ohio 3016, p. 15.

Failure to comply with a discovery request coupled with a subsequent lack of explanation for that noncompliance indicates willfulness and bad faith. Kentucky-Indiana Lumber v. Grayland Pelfrey/ Remodeling Concepts, 2d Dist. No. 2006 CA 100, 2007 Ohio 6137, p. 14; Flatt v. Atwood Manor Nursing Ctr., 3d Dist. No. 3-06-26, 2007 Ohio 5387, p. 30; Fester v. Price (Dec. 26, 1997), 11th Dist. No. 96-G-2033, 1997 Ohio App. LEXIS 5866; Russo v. Goodyear Tire & Rubber Co. (1987), 36 Ohio App.3d 175, 178-79, 521 N.E.2d 1116; Bohl v. Vigh (Jan. 30, 1995), 12th Dist. No. CA 94-06-046, 1995 Ohio App. LEXIS 268; Shiflett v. Filburn (Aug. 12, 1993), 10th Dist. No. 93AP-263, 1993 Ohio App. LEXIS 3948.

In Ohio Furniture Co. v. Mindala (1986), 22 Ohio St.3d 99, 101, 22 Ohio B. 133, 488 N.E.2d 881, the Supreme Court of Ohio held that a non-complying party must receive notice of the possibility of a

dismissal before a trial court imposes it as a discovery sanction under Civ.R. 37(B)(2)(c). As later stated by that court, "'[t]he purpose of notice is to provide the party in default an opportunity to explain the default or to correct it, or to explain why the case should not be dismissed with prejudice.'" Hillabrand v. Drypers Corp., 87 Ohio St.3d 517, 518, 2000 Ohio 468, 721 N.E.2d 1029, quoting Logsdon v. Nichols (1995), 72 Ohio St.3d 124, 128, 1995 Ohio 225, 647 N.E.2d 1361. Dismissal and default judgment are two different and distinct discovery sanctions. Civ.R. 37(B)(2)(c) (permitting a trial court to "dismiss [] the action or proceeding or any part thereof, or render [] a judgment by default against the disobedient party" (emphasis added). However, "[t]he granting of default judgment is an equally harsh remedy and requires the same due process guarantee of prior notice as dismissal." Malaco Constr., supra. See also Dayton Modulars, Inc. v. Dayton View Community Dev. Corp., 2d Dist. No. 20894, 2005 Ohio 6257, p. 9, quoting Haddad v. English (2001), 145 Ohio App.3d 598, 6093, 763 N.E.2d 1199.

**B. MOTION TO STRIKE PLEADINGS**

1. Fed. Procedure R. 12(f)Motion to Strike. The court may strike from a pleading . . . immaterial, impertinent, or scandalous matter. The court may act:

(1) on its own motion; or

(2) on motion made by a party either before responding to the pleading

or, if a response is not allowed, within 20 days after being served

with the pleading.

While Rule 12(f) gives district courts the discretion to strike "immaterial, impertinent, or scandalous" matters, motions to strike are generally disfavored. The standard is strict," and "only allegations that are so unrelated to plaintiffs' claims as to be unworthy of any consideration should be stricken." Johnson v. Anhorn, 334 F. Supp.2d 802, 809 (RD. Pa. 2004) (citation and quotation marks omitted). To be immaterial, an allegation must have "no essential or important relationship to the claim for relief." Del. Health Care, Inc. v. MCD Holding Co., 893 F. Supp. 1279, 1291-92 (D. Del.1995) (citation omitted). To be impertinent, an allegation must consist "of statements that do not pertain, and are not necessary, to the issues in question." Id. And to be scandalous, an allegation must "improperly cast [] a derogatory light on someone, most typically on a party to the action." 5C Charles Alan Wright & Arthur R. Miller, Federal Practice and Procedure § 1382 (3d ed.). It "must reflect cruelly upon the defendant's

moral character, use repulsive language or detract from the dignity of the court." Carone v. Whalen, 121 F.R.D. 231, 233 (M.D. Pa. 1988) (citations and quotation marks omitted).

Civ. Rule 12(f) provides as follows:Motion to Strike Upon motion made by the party before responding to a pleading, or if no responsive pleading is permitted by these rules, upon motion made by a party within 20-28 days after service of the pleading upon him or upon the court's own initiative at any time, the court may order strickened from any pleading any insufficient claim or defense or any redundant, immaterial, impertinent, or scandalous matter."

The court's consideration of a motion to strike pleadings must be in conjunction with Civ. R. (8) which defines a pleading as "a claim for relief * * * shall contain * * * a short and plain statement of the claims showing that a party is entitled to relief. However, even under notice pleadings, a complaint must be more than "a fair assertion of legal conclusions." At the very least, facts as to when and where the allegations took place are essential to provide fair notice anticipated by the civil rules. Bratton v. Adkins (Aug. 6, 1997) 9 Dist. No. 18106.

The sole function of a motion to strike pleadings is to test the irregularity of the filing. Malone v. Summer & Co. (1968), 17 Ohio App.2d 58. In this regard, the court must look at the regularity connected with the filing, as when filed after time, to form with respect to verification, or failure to comply with previous orders of the court. It is not an appropriate focus to inquire into the merits of the case. Finch v. Finch, 10 Ohio St. 501, 505.

The motion may also be employed to strike sham or frivolous pleadings. White v. Calhoun, 83 Ohio St. 401. Exercise of the power to strike an sham pleading necessarily imports the taking of evidence at the hearing. White v. Calhoun, supra; Roger v. Metropolitan Life Ins. Co., 115 Ohio App. 333. The term "vexatious" as applied to pleading in courts that have instituted maliciously and without probable cause for the purpose of annoying or embarrassing one's opponent and when it is not calculated to lead to any practicable result. The term "scurrilous" imports indecency or abuse and is synonymous with vile, vulgar, foul, or foul mouth. United States v. Strong, 263 F. 789; United States v. Alt, 263 F. 800, 810.

C. OHIO RULES OF PROFESSIONAL CONDUCT Rule 2.1 – Scope of Representation.

(d) A lawyer shall not counsel a client to engage, or assist a client, in conduct that the lawyer know is illegal or fraudulent. A lawyer may discuss the legal consequences of any proposed course of conduct with a client and may counsel or assist a client in making a good faith effort to determine the validity, scope, meaning, or application of the law.

(e) Unless otherwise required by law, a lawyer shall not present, participate in presenting, or threaten to present criminal charges or professional misconduct allegations solely to obtain an advantage in a civil matter.

**COMMENTS** - If a lawyer comes to know or reasonably should know that a client expects assistance not permitted by the Ohio Rules of Professional Conduct or other law or if the lawyer intends to act contrary to the client's instructions, the lawyer must consult with the client regarding the limitations of the lawyer's conduct. See R. 1.4(a)(5). Rule 2.2 – Withdrawing from Representation in Meritless Action. Paragraph 2 instructs counsel to withdraw from any litigation for the reasons that would require declining employment under paragraph 1. Thus, even if an action was initially filed in good faith, a lawyer should withdraw from representation if the client insists on pursuing as what has become a meritless action. Rule 2.4 – Goal of Client Conduct "Repugnant" or "Imprudent."

Paragraph 2 advises that a lawyer may withdraw when continued representation involves participation in client conduct that has an objective or goal that the lawyer considers repugnant or imprudent. This paragraph requires withdrawal if the lawyer would be asserting a position that is intended merely to harass or injure another. If it is not obvious that the only purpose would be to harass or injure, and the client refuses to give her consent to the lawyer's withdrawal, then the lawyer may request permission to withdraw from a matter pending a tribunal only if one of the reasons given in Rule 1.16 applies. One of these reasons is that the client's conduct renders a representation and reasonably difficult for the lawyer. Rule 11 – Upholding the Honor of the Profession. A lawyer cannot knowingly condone perjury or the subordination of perjury for any tribunal. A lawyer should report any perjury or subordination of perjury to the tribunal in which such conduct occurred.

The rule does not define knowingly, and can be assumed that this term means actual knowledge

or falsity of the statement. D. TELLING IT TO THE JUDGE1. IDENTIFYING SANCTIONABLE CONDUCT AS A MATTER OF RECORD. Incidence of sanctionable conduct can and should be brought to the court's attention through a number of different ways. Methods to document sanctionable conduct include: (1) Memorialize sanctionable conduct in follow-up written communication citing applicable rules and/or statutory provisions forbidding such conduct; (2) If non-verbal sanctionable conduct occurs at deposition, record the incident into the record. Consider obtaining verification from witnesses to event; (3) consider a videotape deposition if knowingly dealing with Rambo tactics.

The best method to bring the matter to the court's attention is by way of separate motion practice with appropriately authenticated exhibits demonstrating the incidence of sanctionable conduct for the court's consideration. E. YOUR REPRESENTATION AND THE BIG PICTURE

Your practice of law as an attorney shall be constant with the requirements of the professional code of regulations, the model rules of professionalism, such practice is not only mandated by these rules, more importantly, establishes your representation in the legal community. The longer you practice law, the more you will find that your reputation in the legal community defines how you are treated in new situations. Regardless of the nature of your practice, the legal community is well defined and how a lawyer acts in one case is often times related to lawyers within the involved law firms, the lawyer acquaintances of involved lawyers, or judges in the same courthouse. Rambo tactics utilized in one case will inevitably impact how that same lawyer will be treated in other cases.

In sum, while a lawyer obviously has a client to represent in a matter, the lawyer's compliance with the rules of professional conduct and with the rules of professionalism will not only impact how that lawyer may be treated in the individual case, but in the representation of cases throughout that lawyer's career. F. WHY PLAYING BY THE RULES IS THE ONLY WAY TO PRACTICE I. STATEMENT ON PROFESSIONALISM Issued by the Supreme Court of Ohio On February 3, 1997 The Court created the Supreme Court Commission on Professionalism in order to address its concedrns that trends were developing among lawyers in Ohio and elsewhere which emphasize commercialism in the practice of law and de-emphasize our historical heritage that the practice is a learned profession to be conducted with dignity, integrity and honor as a high calling dedicated to the service of clients and the public good. These trends have been evidenced by an emphasis on financial rewards, a diminishing of courtesy and civility

promoting its understanding and an appreciation for it by the public. I recognize that my actions and demeanor reflect upon our system of justice and our profession, and I shall conduct myself accordingly.

To the public and our system of justice, I offer service. I shall devote some of my time and skills to the community, governmental and other activities to promote the common good. I shall strive to improve the law and our legal system and to make the law and our legal system available to all.

G. WEEDING OUT THE RAMBO'S

Rule of Professional Conduct 8.3. Reporting professional misconduct.

(a) A lawyer who possesses unprivileged knowledge of a violation of the Ohio Rules of Professional Conduct that raises a question as to any lawyer's honesty, trustworthiness, or fitness as a lawyer in other respects, shall inform a disciplinary authority empowered to investigate or act upon such a violation.

(b) A lawyer who possesses unprivileged knowledge that a judge has committed a violation of the Ohio Rules of Professional Conduct or applicable rules of judicial conduct shall inform the appropriate authority.

(c) Any information obtained by a member of a committee or subcommittee or a bar association, or by a member, employee, or agent of a nonprofit corporation established by a bar association, designed to assist lawyers with substance abuse or mental health problems, provided the information was obtained while the member, employee, or agent was performing duties as a member, employee, or agent of the committee, subcommittee, or nonprofit corporation, shall be privileged for all purposes under this rule. Mere suspicion of misconduct need not be reported.

Actual knowledge is the standard. While a lawyer is not required to report to disciplinary authorities information regarding another lawyer's misconduct revealed through a client, a lawyer should encourage clients to waive privilege if it would not substantially prejudice client's interest.

## IV. ETHICS – IT'S LEGAL, BUT IS IT RIGHT A. STATE CODE OF ETHICS AND ETHICS CODE OF VARIOUS SPECIALTIES.

1. The State Bar Code of Ethics.a. The Ohio Rules of Professional Conduct. Preamble – Lawyer's Responsibility Lawyers play a vital role in the preservation of society. A lawyer's conduct should conform to the requirements of law, both in professional service to clients and in the lawyer's business and

## Rule 3.3 – Candor Towards Tribunal

(a) make a false statement of fact or law to a tribunal or failure to correct a false statement on material fact or law previously made to the tribunal by the lawyer;

(b) failure to disclose to the tribunal legal authority in the controlling jurisdiction known to the lawyer to be directly adverse to the position of the client and not disclosed by opposing counsel;

(c) Offer evidence that a lawyer knows to be false.

Rule 3.4 – Fairness to Opposing Counsel and Party.

A lawyer shall not do any of the following:

(a) Unlawfully obstruct another party's access to evidence;

(b) Unlawfully alter, destroy, or conceal a document or other material having potential evidentiary value, or counsel or assist another person to do any such act;

(c) Falsify evidence, counsel or assist a witness to testify falsely, or offer an inducement to a witness that is prohibited by law;

(d) Knowingly disobey and obligation under the rules of a tribunal, except for an open refusal based on a good faith assertion that no vow of obligation exists;

(e) In pretrial procedure, intentionally or habitually make a frivolous motion or discovery request for failing to make reasonably diligent effort to comply with a legally proper discovery request by opposing counsel;

(f) In trial, allude to any matter that the lawyer does not reasonably believe is relevant or that will not be supported by admissible evidence or by a good faith belief that such evidence may exist, assist personal knowledge of facts in issue, except when testifying as a witness, or state a personal opinion as to the justness of a cause, the credibility of a witness, the culpability of a civil litigant, or the guilt or innocence of the accused.

(b) A lawyer who receives a document relating to the representation of a lawyer's client and knows or reasonably should know that the document was inadequately sent shall promptly notify the sender. Importantly, due to the Judges motion to strike Concludes practicing law from the bench.

**C. REAL AND POTENTIAL CONFLICTS OF INTEREST 1. CONFLICT OF INTEREST: CURRENT CLIENTS**

(a) A lawyer's acceptance or continuation of representation of a client creates a conflict of interest if either of the following applies:

(1) the representation of their client will be directly adverse to another current client;

(2) There is substantial risk that the lawyer's ability to consider, recommend, or carry out an appropriate course of action for that client will be materially limited by the lawyer's responsibilities to another client, a former client, or a third person or by the lawyer's own personal interests

(b) A lawyer shall not accept or continue the representation of a client if a conflict of interest would be created pursuant to Division (A) of this rule, unless all of the following apply:

(1) The lawyer will be able to provide competent, and diligent representation to each affected client;

(2) Each affected client gives conformed consent,

confirmed in writing;

(3) The representation is not precluded by Division (C)

of this rule;

(c) Even if each affected client consents, the lawyer shall not accept or continue the representation if either of the following applies:

(1) The representation is prohibited by law;

(2) The representation would involve the assertion of a claim by one client against the other client represented by the lawyer in the same proceeding.

**2. CONFLICT OF INTEREST: CURRENT CLIENTS: SPECIFIC RULES Rule 1.8 – Conflict of Interest: Current Clients: Specific Rules**

(a) A lawyer shall not enter into a business transaction with a client or knowingly acquire an ownership, possessory, security, or other pecuniary interest adverse to a client unless all of the following apply: (1) the transaction and terms on which the lawyer acquires the interest

(2) the client is advised in writing of the desirability of seeking and is given a reasonable opportunity to seek the advice of independent legal counsel on the transaction.

(3) the client gives inform consent, in a writing signed by the client, to the essential terms of the transaction and the lawyer's role in the transaction, including whether the lawyer is representing the client in the transaction.

**3. RULE 1.9 - DUTIES TO FORMER CLIENTS Rule 1.9 – Duties to Former Clients**

lawyer who has formerly represented a client in a matter shall not thereafter represent another person in the same or a substantially related matter in which that person's interests are materially adverse to the interests of the former client.

(b) Unless the former client gives informed consent, confirmed in writing, a lawyer shall not

knowingly represent a person in the same or a substantially related matter in which a firm with which the lawyer formerly was associated had previously represented a client where both of the following apply:

(1) the interests of the client are materially adverse to that person;

(2) the lawyer had acquired information about the client that is

protected by Rules 1.6 and 1.9(c) and material to the matter.

(c) A lawyer who has formerly represented a client in a matter or whose present or former firm has formerly represented a client in a matter shall not thereafter do either of the following: (1) use information relating to the representation to the disadvantage of the former client except as these rules would permit or require with respect to a client or when the information has become generally known;

(2) reveal information relating to the representation except as these rules would permit or require with respect to a client.

## 4. RULE 1.10 – IMPUTATION OF CONFLICTS OF INTEREST: GENERAL RULE

Rule 1.10 – Imputation of Conflicts of Interest: General Rule

(a) While lawyers are associated in a firm, none of them shall represent a client when the lawyer knows or reasonably should know that any one of them practicing alone would be prohibited from doing so by Rule 1.7 or 1.9, unless the prohibition is based on a personal interest of the prohigited lawyer and does not present a significant risk of materially limiting the representation of the client by the remaining lawyers in the firm.

(b) When a lawyer is no longer associated with a firm, no lawyer in that firm shall thereafter represent a person with interests materially adverse to those of a client represented by the formerly associated lawyer and not currently represented by the firm, if the lawyer knows or reasonably should know that either of the following applies:

(1) the formerly associated lawyer represented the client in the same or a substantially related matter;

(2) any lawyer remaining in the firm had information protected by Rules 1.6 and 1.9(c) that is material to the matter.

(c) When a lawyer had had substantial responsibility in a matter for a former client and becomes associated with a new firm shall knowingly represent,

in the same matter, a person whose interests are materially adverse to the

interests of the former client.

(d) In circumstances other than those covered by Rule 1.10(c), when a lawyer becomes associated with a new firm, no lawyer in the new firm shall knowingly represent a person in a matter in which the lawyer is personally disqualified under Rule 1.9a unless both of the following apply:

(1) the new firm timely screens the personally disqualified lawyer from any participation in the matter and that lawyer is apportioned no part of the fee from that matter;

(2) written notice is given as soon as practicable to any affected former client.

(e) A disqualification required by this rule may be waived by the affected client under the conditions stated in Rule 1.7.

(f) The disqualification of lawyers associated in a firm with former or current government lawyers is governed by Rule 1.11.

C. Vigorous Representation or Questionable Practices

It is noteworthy that the 2007 Amendment of the Ohio Rules of Professional Conduct changed the rules with regards to a lawyer's diligence owed to a client. Under the former rule, a lawyer was required to "put zeal in the advocacy upon the client's behalf." The reference was deleted in the 2000 Amendment which now provides as follows:

A lawyer shall act with reasonable diligence and promptness in representing a client. Staff Notes:

The official comment to the rules reflect that the deletion of "zealous advocacy" was done because it was often invoked as an excuse for unprofessional conduct. Under Ohio law, no disciplinary rule requires "zealous advocacy." Moreover, the disciplinary rule recognizes that courtesy and punctuality are not inconsistent with diligent representation. See DR 6-101(A)(3). A lawyer, where permissible, may exercise discretion to waive or fail to assert a right or position See DR 7-101(B)(1). (A lawyer may refuse to aid or participate in conduct that the lawyer believes to be unlawful, even though there is some support for an argument that it is lawful).

FORMAL NOTICE AND DEMAND FOR PRESERVATION OF RECORDS

DISPUTED MAY 10, 2023 PROPERTY REMOVAL / EVICTION AUTHORITY

TO:

State of Nevada; Clark County; Las Vegas Township; Office of the Ex-Officio Constable; Las Vegas Metropolitan Police Department; and other agencies possessing responsive records

RE:

Request to identify legal authority, executing personnel, agency records, and preserve evidence concerning the May 10, 2023 property removal

PROPERTY:

8237 Fawn Brook Court, Las Vegas, Nevada 89149

APN:

125-21-311-121

RELATED CASE:

Las Vegas Justice Court Case No. 23C006611

NOTICE STATUS:

Supplemental notice based on consolidated court, governmental, photographic, video, and private-investigator findings

I. PURPOSE OF THIS NOTICE

This Notice places the receiving governmental entities on formal notice of a material conflict in the record concerning the authority, timing, personnel, and agency responsibility for the physical removal conducted at the above property on May 10, 2023 at approximately 1:00 p.m. It also demands preservation of the complete governmental record so that the event can be evaluated from primary evidence rather than assumptions.

The Estate/Trust does not ask a receiving agency to accept a criminal characterization merely because one is alleged. The immediate questions are factual: Who was present? Who employed or authorized them? What court process was in force on May 10? Which agency received and executed that process? What return, log, dispatch record, personnel record, body-camera record, service record, lockout record, or other official record documents the event?

II. TEMPORARY WRIT / TIME-LIMIT ISSUE

The records supplied by the Estate/Trust reflect a temporary writ entered in the underlying April 2023 proceeding with a handwritten May 4, 2023 time limitation ending at approximately 5:00 p.m. The Estate/Trust's position is that the physical removal did not occur during that stated period; instead, individuals arrived at the property on May 10, 2023 at approximately 1:00 p.m.

The Estate/Trust therefore disputes that the May 10 event can simply be presumed to have been a lawful execution of the earlier temporary writ. The issuing court, Constable, LVMPD, Clark County, and any participating private party should identify the precise process allegedly authorizing entry and removal on May 10, including any later order, extension, reissuance, posting, service, instruction to the Constable, return of service, or other document.

III. NEVADA'S OFFICIAL EVICTION PROCEDURE MAKES THE IDENTITY OF THE EXECUTING AGENCY MATERIAL

Nevada law directs writs of restitution to the sheriff or constable, and NRS 40.420 provides that the sheriff or constable executes such a writ. Nevada's statutory framework also requires proof of service before specified removal orders or writs issue. Clark County's own Las Vegas Township Constable materials state that the office performs evictions and that, after an eviction order is received, the Constable posts the order and performs the lockout according to the statutory timetable.

Accordingly, if the Las Vegas Township Constable states that it has no record of executing the May 10 removal, and the supervising sergeant responsible for that jurisdiction reports no information concerning such an eviction, those facts create a significant evidentiary question requiring reconciliation with the Justice Court record and with the identities of the persons physically present.

IV. INTERNAL-AFFAIRS / LAW-ENFORCEMENT DISCREPANCY

The Estate/Trust reports that an Internal Affairs or internal police inquiry advised that none of the men depicted or identified as being present during the May 10 event were police officers. The Estate/Trust further reports that Sergeant Longo stated that he had no information concerning the eviction despite the location falling within the relevant Constable jurisdiction.

These statements should be verified from the agencies' own recordings, emails, notes, complaint files, personnel rosters, dispatch records, CAD entries, body-camera indexes, duty assignments, and internal-affairs records. This Notice deliberately requests those records rather than treating an investigator's summary as a substitute for the original governmental evidence.

V. JUSTICE COURT RECORD CREATES A SECOND DISCREPANCY

The later Justice Court record in Case No. 23C006611 identifies filings made on April 2023 for a writ of restitution to be held on and by May 4, 2023 and no other update to such or writ nor a warrant exist as of May 17, 2023 titled 'Notice of Order and Bond Claim' concerning persons identified as Constable Officers Brown, S. Edwards P#15524, T. Simmons P#5523, and Sergeant Longo. The court record also identifies a Motion to Rescind Writ of Restitution Order and Eviction and a Motion to Set Aside/Cancel the Summary Eviction.

The existence of those filings does not, standing alone, establish who actually employed or authorized the individuals present on May 10. It does, however, make the absence of corresponding agency execution records a material issue that should be answered through the underlying records.

It appears hearings were set but failed to commence, please explain why!

VI. PHOTOGRAPHIC / VIDEO EVIDENCE

The Estate/Trust possesses photographic and video evidence depicting individuals at or around the property during the disputed events. Two representative images are attached to this Notice as Exhibit A and Exhibit B. The images are offered to document appearance, presence, clothing, timing/context, and the existence of visual evidence; they are not offered here as facial-identification conclusions.

Nevada's courts and recording offices possessed records showing an existing title/instrument dispute before the 2023 dispossession. If Nevada nevertheless permitted or facilitated later foreclosure, mediation, recording, restitution, or possession proceedings based upon different purported creditors, beneficiaries, trustees, or owners, identify every instrument and governmental determination establishing the lawful transition from the previously recorded interests to the parties ultimately asserting possession.

EXHIBIT A - Representative image from property evidence

[pastedGraphic.png]

EXHIBIT B - Screenshot showing disputed court document and source image

[pastedGraphic_1.png]

VII. REPORTED NEIGHBOR / HOA HISTORY - PRESERVE, INVESTIGATE, DO NOT ASSUME

The Estate/Trust further reports a history of unauthorized entries or attempted entries involving persons associated with the neighborhood/HOA, including an allegation that an HOA-associated person possessed or used a master key and was captured on camera. The Estate/Trust states that the HOA's authorized role was limited and did not include taking possession of the home or its contents.

The Estate/Trust also reports that a nearby residence was associated with drug activity and was later raided, and that a neighboring individual represented himself as former law enforcement although the Estate/Trust's investigators located public information indicating that the former-law-enforcement connection instead belonged to that individual's father-in-law residing in Hawaii.

These matters are included as investigative leads and reported facts requiring verification. They should not be treated as established proof that any neighbor, HOA member, or other identified person planned or committed a robbery unless competent evidence establishes that conclusion.

VIII. FOUR PRIVATE INVESTIGATORS / AI-ASSISTED RESEARCH

Four private investigators have reportedly located records and developed additional findings using conventional investigative methods together with AI-assisted research. Their work should be preserved with source URLs, certified/public records, screenshots, dates of access, metadata, investigator notes, and the original underlying records. AI-generated conclusions alone are not requested to be accepted as evidence; the purpose is to identify and preserve the primary records to which the investigative work points.

IX. WHAT WAS THE MAY 10 EVENT?

Because the Estate/Trust disputes the continuing validity of the earlier temporary writ on May 10, reports that the Constable has no execution record, reports that the responsible sergeant had no information concerning the event, and reports that Internal Affairs found that the men present were not police officers, the receiving agencies are requested to determine and state what legal authority, if any, supported the

May 10 entry and removal.

If no valid May 10 court process, authorized sheriff/constable execution, agency assignment, or lawful private authority can be produced, the event should not simply be labeled an 'eviction' by assumption. Whether the conduct legally constituted burglary, robbery, trespass, conversion, theft, civil-rights violations, or another offense or civil wrong depends on facts such as entry authority, intent, force or threat, property taken, participation, and knowledge. Those determinations should be made from preserved evidence and applicable law.

X. FORMAL RECORD-PRESERVATION DEMAND

Preserve from January 1, 2018 through the present all records relating to the property, the Trust/Estate, the foreclosure/mediation proceedings, Case No. 23C006611, the May 4 and May 10 events, and all persons or entities involved. This includes:

• Every writ, eviction order, temporary writ, extension, reissuance, stay, rescission, posting, notice, instruction to the Constable, proof of service, return, execution report, lockout sheet, fee receipt, and case-management entry.

• Constable and LVMPD CAD/dispatch records, radio traffic, duty rosters, personnel assignments, body-camera indexes and recordings, vehicle/GPS logs, internal-affairs records, emails, text messages, photographs, reports, and supervisor notes.

• Records sufficient to identify Officers/individuals Brown, S. Edwards P#15524, T. Simmons P#5523, Sergeant Longo, and every person physically present in an official or purportedly official capacity.

• All communications among the Justice Court, Constable, LVMPD, attorneys, process servers, locksmiths, property managers, HOA representatives, foreclosure actors, lenders/servicers, and persons claiming possession.

• All HOA access-control records, key records, gate records, security footage, complaints, work orders, emails, board communications, and records relating to entry into the home.

• All records concerning removal, inventory, transport, storage, release, destruction, sale, or disposition of real or personal property taken from the premises.

• Original electronic metadata, audit logs, access logs, e-filing logs, document histories, timestamps, hashes, and backups sufficient to establish when records were created, changed, viewed, transmitted, or deleted.

XI. REQUEST FOR WRITTEN RESPONSE

Please identify in writing: (1) the exact court process authorizing physical removal on May 10, 2023; (2)

the agency charged with execution; (3) the names and employment status of the persons who attended; (4) the date and time the executing agency received the process; (5) the date and time of posting/service; (6) the return or completion record; (7) the authority for any private persons participating; and (8) the location of all records responsive to this Notice.

If an agency maintains that no responsive record exists, the Estate/Trust requests a written statement identifying the record systems searched, date ranges searched, search terms or identifiers used, applicable retention schedules, whether responsive records were destroyed or transferred, and the person responsible for the search.

XII. RESERVATION

Nothing in this Notice waives any claim, defense, objection, property interest, trust interest, constitutional right, evidentiary position, or remedy. The Estate/Trust expressly reserves the right to supplement this Notice as additional certified records, investigator materials, video, photographs, public records, and agency responses are obtained.

Respectfully submitted,

AUTHORITIES CONSULTED

Nevada Revised Statutes, Chapter 40, including NRS 40.280, NRS 40.420 and NRS 40.425; Nevada Revised Statutes, Chapter 258; and Clark County's published Las Vegas Township Constable eviction-process materials. These authorities are cited for the procedural questions presented and do not, by themselves, determine the disputed facts.

SUPPLEMENTAL QUESTIONS REQUIRING A RECORD-SUPPORTED RESPONSE

A response stating only that the State, Court, County, municipality, Constable, or other governmental entity "was not involved" will not resolve the documentary questions presented by this Notice. Each recipient is requested to answer the following from its actual records and to identify the supporting document, custodian, case entry, recording number, or statutory authority relied upon.

1. If the June 22, 2018 transaction identified LeaderOne Financial as the original lender, identify the complete instrument chain by which any enforceable interest was later transferred or assigned to Fannie Mae, PennyMac, or another entity.

2. If the Estate/Trust records reflect tender and satisfaction of the obligation before the later foreclosure activity, identify the specific unpaid obligation that allegedly remained, the amount claimed due, the creditor legally entitled to enforce it, and the evidence relied upon.

3. Identify the precise deed of trust, note, assignment, endorsement, beneficiary designation, servicing authority, or other instrument that allegedly supplied the legal predicate for foreclosure at the time the Nevada foreclosure machinery was invoked.

4. Identify who initiated or requested foreclosure mediation concerning 8237 Fawn Brook Court, the date it was initiated, the statutory pathway used, all fees paid, and every notice allegedly served upon the Trust, Trustee, Executor, or registered agent.

5. If the Trust, Trustee, and Executor did not contractually agree to mediation with LeaderOne, identify the statute, rule, filing, notice, and jurisdictional facts relied upon to place the property into the Nevada Foreclosure Mediation Program.

6. Identify the governmental office, court, Administrative Office of the Courts unit, district court, mediator, advisory-panel participant, or other official who authorized, assigned, processed, certified, supervised, or reviewed the property-specific mediation.

7. Explain how the foreclosure-mediation process was applied to the property in light of the earlier court and public records that the Estate/Trust contends reflected tender, satisfaction, releases, title interests, and foreign-judgment filings concerning the property and parties.

8. If the underlying transaction was treated as a private creditor-debtor matter, identify exactly what act invoked Nevada governmental or judicial machinery and what evidence demonstrated that the party invoking that machinery possessed an enforceable interest.

9. Identify whether the foreign-judgment filings were ever vacated, stayed, set aside, rejected, or otherwise deprived of legal effect. If so, provide the order, docket entry, date, issuing judicial officer, notice of hearing, and proof of service. If not, explain how later governmental action accounted for the existing filed and sealed record.

10. Identify the precise legal process allegedly authorizing physical removal from the property on May 10, 2023 at approximately 1:00 p.m., including any extension, reissuance, new writ, posting, return, or order effective after the stated May 4, 2023 time limitation.

11. If the Constable did not execute the May 10 event and law-enforcement/internal-affairs records do not identify the persons present as police officers, identify who those persons were, who authorized them, and the lawful authority under which they entered or participated.

12. For every assertion that a governmental entity 'was not involved,' identify the scope of that statement: whether it means the entity was not the lender, creditor, foreclosing beneficiary, plaintiff, executing agency, mediator, supervising body, court, recorder, or other governmental participant. A generalized denial should specify which form of involvement is being denied.

REQUEST CONCERNING ANY 'NO INVOLVEMENT' RESPONSE. If any recipient again responds that it was not involved, the Estate/Trust requests that the recipient identify the records searched, custodians contacted, date range, case/property identifiers used, retention schedules reviewed, and the factual basis for that conclusion. The response should also distinguish direct participation from judicial, administrative, recording, supervisory, enforcement, or ministerial involvement.

The Writ of Execution[s]

instruments against associates such as National Default Servicing Corporation, County and State Employees, Trevor Jones and Rebecca Hanley of Premier Valley Properties. The Writ of Execution[s] were finally served upon the Responsents by way of the Clark County Justice Court whom somehow claimed they had Jurisdiction over a matter for a Writ of Restitution which is unheard of in Law and not or never supported by the Constitution that being Judge Goodie Department 6B Case No: 23C006611. **This claim against a bond is filed pursuant to NRS 240A.120,** I princess emilily hotep el beneficiary of the Monica Rene Hall Estate Trust BT "the claimant" and the managing Trustee[s] one being prince ra hotep el-bey are giving notice to the Secretary of State in writing upon filing the action due to violations of the Constitution and Treaties such as 4th Amendment as the Constable Brown appeared not in control of an illegal forced entry as he stated himself that the Highway patrol officer [bike officer] was in control while the Constable themselves was supposed to be in control and enforcing any alleged eviction that was not lawful and was an illegal search and seizure. Violations of the NRS trespassing codes and breaking and entering. The Highway patrol officer[s] had encountered both the beneficiary princess emilily hotep el one month prior to the home invasion as well encounter physical contact with prince ra hotep el the cohort on or about June 12, 2021 near the property. The second officer from the highway patrol officer no names given during the home invasion, trespass and illegal search and seizure May 10, 2023. No body cams were present and the officers all three were intimidating the homeowners with words and threats that if they did not leave the home under duress that they including six month old puppies King Huge and Queen Sheba. None violent puppies not attack dogs, but was forced to leave without food water and a kennel with threats that Animal Control would be called and the force of shot they would use would be much worse than expected. This claim against a bond of Constable Brown, Edwards, and T. Simmons P #15523, whom was not present but was stated by the Constable office he was supposed to be present but never appeared but Constable Deputy Brown presented his card as this is filed pursuant to NRS 240A.120 is has been filed within The Consular Court Tribunal, a Court of competent jurisdiction for damages to the extent covered by the bond. The amount of each bond shall be in the amount of $150,000.00 for each Constable mentioned herein as Brown, Edwards and the Supervisor Longo. They failed to serve documents on the Law Firm that seemed to be purposefully and somehow confused the Writ of Executions as Summons which is

falsifying documentations and tampering with Court Orders and evidence. Due to the Highway officers without body cams trespassing upon property Parcel No. 125-21-311-121 lot 325 postal mailing address 8237 Fawn Brook Ct Las Vegas Nevada Republic [89149] and failed to serve upon the property an alleged writ of restitution according to Sec 40.425. The Constable was suppose to serve the Writ according to NRS 21..076 and explains the types of properties exempt and explain the procedure for claiming those exemptions. The clerk of the Court shall attached the notice to the writ at the time the writ is issued. No such actions were accomplished. In fact the property has posted upon the front door of the parcel no 125-21-311-121 lot 325 postal mailing address 8237 Fawn Brook Ct Las Vegas NV 89149 three Court Ordered Property Exemptions. The man prince ra hotep el attempt to hand the alleged Highway Patrol Officers the Exemptions but they claimed they don't allow nothing to be handed to them, and or they didnt want to see the documents because it was time for the home owners to leave and if they didnt leave they would be dragged out in handcuffs and their 6 month old puppies would be shot by animal control. They failed to serve according to NRS 2.075 as to the matter had been held in the proper jurisdiction in the Consular Court Tribunal and the Common Law Court Cc commonlawcourt.com and the home had been paid tendered in full Cc UCC 3-603[b]. Also Cc NRS 104.3603[2]. There was no debt nor a mortgage Cc the Court Order stamped and Sealed by Steven D. Griereson the Clerk of the Eighth Judicial. This is not limited to NRS 21.076. All the liens and orders Mortgage Assignments etc,.. and such the like had been removed during the case no. A-22-8497976-C and such case was removed and finalized in the competent court of the Consular Tribunal on August 10, 2022. No one from Aldridge Pite LLP aka Aldridge Pite Haan LLP appeared on the behalf of the alleged FannieMae whom is not a party to the matter in any way Cc the OIG or the Office of Inspector General and Cc the letters from previous claims against Aldridge Pite LLP aka Aldridge Pite Haan LLP. Prince Ra Hotep El was able to present the documents to Constable Brown Cc audio and tried to explain while being rushed to leave or be forced to leave the private property held within the Monica Rene Hall Estate Trust BT. He did listen for a 30 second window but the other two Highway Patrol officer whom was not supposed to be present in the matter began threatening to removed the owners and their puppies by force if he didn't move quickly. Cc Audio recording.

If the Constable Brown would've listened and if Constable Edwards was present as he was supposed to

be stated by the Constable office downtown by the clerk in the window this would've never happen and the home owners would be in their home but possibly dealing with the HOA Board members whom was present during the forcibly removal of the owners of the property watching and laughing siting in their truck and home. The petitioners herein have provide a copy of any and all documents relevant to the complaint. Unsubstantiated complaints cannot be investigated, so it is important to provide all receipts and documents relevant to the complaint. The property has exemption posted within and outside the property and was removed by the officers or the Locksmith along with Trespassing signs two posted at the front door one in the window bright red sign 10/12 size and the other black and beige 8/8. It is apparent that the two Highway patrol officers was present controlling the unlawful eviction illegal search and seizure as a favor to Aldridge Pite Haan llp aka Aldridge Pite llp, as they failed their [The Constable failed] to remain or be transparent according to their own words on their website https://www.lvmpd.com/en-us/Pages/Transparency.aspx Transparency One of our goals is to build a culture that supports organizational transparency and community inclusion. It is clear none of the officers deputies were supposed to be present at the location parcel no. 125-21-311-121 lot 325 address postal 8237 Fawn Brook Ct Las Vegas NV Republic [89149], they failed to serve the Aldridge Pite Law Firm claiming the address was a virtual address when there were two addresses listed on the documents. More over the proper documents were not prepared and served according to the documents posted in the Constable office on the walls. Not one of the forms was presented neither the Writ of Restitution wasn't explained nor handed to the man present named Prince Ra Hotep El as he was under duress, stress fear scared for his life as the leading Highway patrol officer described as reddish blond balding hair about 250 to 280 lbs 6'0 to 6'2.

1. Except as otherwise provided in NRS 240A.123 and 240A.125, a registrant shall file with the Secretary of State a cash bond or surety bond in the penal sum of $25,000 which is approved as to form by the Attorney General and conditioned to provide:

(a) Indemnification to a client or any other person who is determined in an action or proceeding to

have suffered damage as a result of:

(3) The fraud, dishonesty, negligence or other wrongful conduct of the registrant or an agent or employee of the registrant; or

(4) An act or omission of the registrant in violation of any other federal or state law for which the return of fees, an award of damages or the imposition of sanctions have been awarded by a court of competent jurisdiction in this State; or

(b) Payment to the Secretary of State for any civil penalty or award of attorney's fees or costs of suit owing and unpaid by the registrant to the Secretary of State pursuant to this chapter.

(b) The bond must cover the period of the registration of the registrant, except when the surety is released in accordance with this section.

(c) The surety shall pay any final, nonappealable judgment of a court of this State that has jurisdiction, upon receipt of written notice that the judgment is final.

4. Except as otherwise provided in this subsection, if a cash bond is filed pursuant to subsection 1, the Secretary of State may retain the bond until the expiration of 3 years after the date the registrant has ceased to do business, or 3 years after the date of the expiration or revocation of the registration, to ensure that there are no outstanding claims against the bond. A court of competent jurisdiction may order the return of the bond, or any part of the bond, at an earlier date upon evidence satisfactory to the court that there are no outstanding claims against the bond or that the part of the bond retained by the Secretary of State is sufficient to satisfy any outstanding claims. Interest on a cash bond filed pursuant to subsection 1 must accrue to the account of the depositor.

5. The registration of a registrant is suspended by operation of law when the registrant is no longer covered by a bond or the penal sum of the bond is exhausted. If the Secretary of State receives notice pursuant to subsection 3 that the penal sum of a surety bond is exhausted or that the surety is being released, the Secretary of State shall immediately notify the registrant in writing that his or her registration is suspended by operation of law until another bond is filed in the same manner and amount as the former bond.

**Re: Timberlake Street and Landscape Maintenance Association**

Dear Mr. & Mrs. Hotep El:

Please be advised that this office serves as legal counsel for the Timberlake Street and Landscape Maintenance Association ("Association"). The Association's Board of Directors has provided this office with a copy of your November 11, 2020 letter, addressed to Nevada Community Management, the Association's community management company.

The purpose of your letter is unclear but seems to suggest you are the owners of the property located at 8237 Fawn Brook Court, Las Vegas, Nevada 89149 (the "Property"). However, after reviewing the records of the Clark County Assessor's Office, the Association has determined that you are not the owners of the Property. According to the Clark County Assessor's Office, the Property is owned by Monica Rene Hall. The letter you provided to the Association did not include any documents transferring title to the Property from Ms. Hall to you. Therefore, Ms. Hall remains the owner of record and you are not entitled to any of the rights, powers, and privileges associated with ownership of the Property or membership in the Association.

To the extent that you believe you are the lawful owners of the Property, please provide this office with a copy of the deed conveying title that is fully executed and notarized by Ms. Hall. In the absence of such documentation, the Association will continue to recognize Ms. Hall as the owner of the Property.

Sincerely,

John E. Leach, Esq.

## Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

On May 10, 2023 my family and I were forced from our home by three armed alleged Constable officers, none were wearing body cameras nor protective body armor, this made me feel very unsafe and I didnt believe they were on duty. They would not give their names or identification.The men were accompanied by the HOA Board member Jimmy H. Secretary and Ronal C. President. Also a man named Jim Hastings of Hastings Ltd. They claimed we were being evicted. I asked for a warrant they couldn't provide one. The gave me a letter from the man outside now known as Jim Hastings claiming he was working for and with Aldridge Pite Haan LLP aka Aldridge Pite LLP and FannieMae. Without verification nor a warrant and neither a 24 hour notice they proceeded to force me and my family from our abode home without a 24 hour notice warning, not allowing us to gather clothing food cars etc,.. from the home. Rather this issue began June 22, 2018.

We purchased the property June 22, 2018 and thereafter made attempts to file in the county the Clerk Recorder and Assessor refused our records for the public to prevent any identity theft, further attempts to claim our Title and home. The HOA Issues began the day we moved in, since being in the home we've experience hate words such as the N-Word, Monkeys guerrillas and was stated by board members that we should go back to Africa. Also recently we've been called Muslims when we are not rather our Religious beliefs and history is that of the Hebrew Kemetic people we ascend from.

Damages - Our home have been broken into multiple times, we've been chased from our own home three times as we've tried to gather belongings personal and private. Our locks have broken keys inside them and a lock and chain on our front gate driveway. Paint that appears to be a swastika or similar thereto which appears when it rains or when water hits the driveway. Many men and women since being in the property our home, have tried to enter the home. When we asked who are they looking for they all would say "Corey said I can come live here!"

Another man would appear attempting to try the key code on the front door claiming the owner said he could come and stay in our home. The people whom were creating this story is the HOA BOARD MEMBERS since being fully teamed all the men all four [4] of them with a surveillance team that drive around the neighborhood 24 7. Parking on the side of our home for more that four hours at a time.

Our pool have been damaged for the past five years, we've had to have the pool pump replaced, three times, our front door and windows and the back have been egged and dead rodents placed in our pool and around our home on many occasions since living in the home. We are the original owners since June 22, 2018. We have the property placed in a private off shore trust.

Our mail stolen and redirected, identity used to collect checks from the IRS which we have had to dispute for the past three years. For the past five years we've gotten fraudulent mail claiming it was from the IRS when it wasn't. They also schemed into previous employers information claiming to be the IRS and took more than $104,000.00 between the years 2020 and 2023, when we found out it was the law firm Aldridge Pite LLP doing this along with the HOA.

The entire time they were setting up a Title theft on our property with the assistance from former employees of our title company Fidelity National Tittle Insurance Company FNF. We contacted the Title Company March 15, 2021 and they responded in letter. We demanded and requested that they release the title insurance so that we could move the property into a private Estate Trust and get our own Title insurance in the case that someone would attempt to make theft of the Title on the property, they suggested that that could not honor the demand and request and two of their employees would leave the company join American Title Co... and Aldridge Pite Haan LLP law firm just after the letter dated April 5, 2021.

CYBER CRIMES HATE CRIMES - Since being in the home our wifi routers and computers have been hacked by the HOA BOARD OF DIRECTORS or those in pursuit of being on the board of the HOA. They have access to a Stingray Cell Tower Simulator and other spying instruments. They could access our cameras wifi and computers, changing files and deleting files as well altering files. They also had access to our private documents social security numbers cards and other legal and lawful identifying documents filed and stored on our hard drives and backup drives.

The Cyber Threat Malicious - Cyber activity threatened our right to privacy and our safety and our national and economic security. We have made attempts to report this to the FBI's cyber strategy plan which is to impose risk and consequences on cyber adversaries. The FBI's goal is to change the behavior of criminals and nation-states who believe they can compromise U.S. networks, steal financial and intellectual property, and put critical infrastructure at risk without facing risk themselves. In able for them to do this, they would use our unique mix of authorities, capabilities, and partnerships to impose consequences against our cyber adversaries.

The FBI is the lead federal agency for investigating cyber attacks and intrusions. We collect and share intelligence and engage with victims while working to unmask those committing malicious cyber activities, wherever they are. We know they are all locally within the Jurisdiction of Nevada Clark County.

Notice of Title Theft - Takes place when a Home title theft is a type of real estate fraud where someone uses a homeowner's personal information to forge a deed and steal their home. The thief may apply for a home equity loan or line of credit in the homeowner's name and then fail to make payments exposing the owner to foreclosure and credit damage. In the case of unoccupied homes, like secondary residences, the fraudster might sell the house without the owner's knowledge or rent out the property without permission.

This was committed by home title theft by phishing schemes, malware, data breaches, unsecured Wi-Fi networks and mail theft. Theft of sensitive documents like their deed or a mortgage statement. Here's how home title theft typically happens: Phishin. Phishing occurs when a criminal pretends to be a legitimate company or individual to get a homeowner's personal information.

They may do this by sending an email or letter that looks like it's from a bank or government agency or by calling the homeowner and pretending to be someone they're not. This was not done by Leader One, PennyMac nor FannieMae but by R. Samuel Ehlers and Jim Hastings. It has been reported that the HOA had been phishing the home owners wifi and taking information from the computers hard drives.

We have several hard drives in the home that Jim Hastings the HOA Board and R. Samuel Ehlers want to duplicate copy or theft in order to cover up this matter.

Signs that we made complaints and claims that our home was the target of title theft.

- Receiving bills or collection notices for accounts you didn't open
- Being denied credit because of information on your credit report you don't recognize

Receiving a notice from the IRS that you have unpaid taxes
Getting calls from debt collectors for debts you don't owe
Discovering your home has been rented out or sold
TITLE THEFT WAS THE REASON - The reason for the hate crimes was to cover up the title theft.
We made the Federal Government aware and gave notice of Hate Crimes Against Indigenous people, Title 42, U.S.C., Section 14141 - Pattern and Practice This civil statute was a provision within the Crime Control Act of 1994 and makes it unlawful for any governmental authority, or agent thereof, or any person acting on behalf of a governmental authority, to engage in a pattern or practice of conduct by law enforcement officers or by officials or employees of any governmental agency with responsibility for the administration of juvenile justice or the incarceration of juveniles that deprives persons of rights, privileges, or immunities secured or protected by the Constitution or laws of the United States. ## Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

On May 10, 2023 my family and I were forced from our home by three armed alleged Constable officers. They would not give their names or identification.The men were accompanied by the HOA Board member Jimmy H. Secretary and Ronal C. President. Also a man named Jim Hastings of Hastings Ltd. They claimed we were being evicted. I asked for a warrant they couldn't provide one. The gave me a letter from the man outside now known as Jim Hastings claiming he was working for and with Aldridge Pite Haan LLP aka Aldridge Pite LLP and FannieMae. Without verification nor a warrant and neither a 24 hour notice they proceeded to force me and my family from our abode home without a 24 hour notice warning, not allowing us to gather clothing food cars etc,.. from the home. Rather this issue began June 22, 2018.

We purchased the property June 22, 2018 and thereafter made attempts to file in the county the Clerk Recorder and Assessor refused our records for the public to prevent any identity theft, further attempts to claim our Title and home. The HOA Issues began the day we moved in, since being in the home we've experience hate words such as the N-Word, Monkeys guerrillas and was stated by board members that we should go back to Africa. Also recently we've been called Muslims when we are not rather our Religious beliefs and history is that of the Hebrew Kemetic people we ascend from.

Damages - Our home have been broken into multiple times, we've been chased from our own home three times as we've tried to gather belongings personal and private. Our locks have broken keys inside them and a lock and chain on our front gate driveway. Paint that appears to be a swastika or similar thereto which appears when it rains or when water hits the driveway. Many men and women since being in the property our home, have tried to enter the home. When we asked who are they looking for they all would say "Corey said I can come live here!"

Another man would appear attempting to try the key code on the front door claiming the owner said he could come and stay in our home. The people whom were creating this story is the HOA BOARD MEMBERS since being fully teamed all the men all four [4] of them with a surveillance team that drive around the neighborhood 24 7. Parking on the side of our home for more that four hours at a time.

Our pool have been damaged for the past five years, we've had to have the pool pump replaced, three times, our front door and windows and the back have been egged and dead rodents placed in our pool and around our home on many occasions since living in the home. We are the original owners since June 22, 2018. We have the property placed in a private off shore trust.

Our mail stolen and redirected, identity used to collect checks from the IRS which we have had to dispute for the past three years. For the past five years we've gotten fraudulent mail claiming it was from the IRS when it wasn't. They also schemed into previous employers information claiming to be the IRS and took more than $104,000.00 between the years 2020 and 2023, when we found out it was the law firm Aldridge Pite LLP doing this along with the HOA.

The entire time they were setting up a Title theft on our property with the assistance from former employees of our title company Fidelity National Tittle Insurance Company FNF. We contacted the Title Company March 15, 2021 and they responded in letter. We demanded and requested that they release the title insurance so that we could move the property into a private Estate Trust and get our own Title insurance in the case that someone would attempt to make theft of the Title on the property, they suggested that that could not honor the demand and request and two of their employees would leave the company join American Title Co... and Aldridge Pite Haan LLP law firm just after the letter dated April 5, 2021.

CYBER CRIMES HATE CRIMES - Since being in the home our wifi routers and computers have been hacked by the HOA BOARD OF DIRECTORS or those in pursuit of being on the board of the HOA. They have access to a Stingray Cell Tower Simulator and other spying instruments. They could access our cameras wifi and computers, changing files and deleting files as well altering files. They also had access to our private documents social security numbers cards and other legal and lawful identifying documents filed and stored on our hard drives and backup drives.

The Cyber Threat Malicious - Cyber activity threatened our right to privacy and our safety and our national and economic security. We have made attempts to report this to the FBI's cyber strategy plan which is to impose risk and consequences on cyber adversaries. The FBI's goal is to change the behavior of criminals and nation-states who believe they can compromise U.S. networks, steal financial and intellectual property, and put critical infrastructure at risk without facing risk themselves. In able for them to do this, they would use our unique mix of authorities, capabilities, and partnerships to impose consequences against our cyber adversaries.

The FBI is the lead federal agency for investigating cyber attacks and intrusions. We collect and share intelligence and engage with victims while working to unmask those committing malicious cyber activities, wherever they are. We know they are all locally within the Jurisdiction of Nevada Clark County.

Notice of Title Theft - Takes place when a Home title theft is a type of real estate fraud where someone uses a homeowner's personal information to forge a deed and steal their home. The thief may apply for a home equity loan or line of credit in the homeowner's name and then fail to make payments exposing the owner to foreclosure and credit damage. In the case of unoccupied homes, like secondary residences, the fraudster might sell the house without the owner's knowledge or rent out the property without permission.

This was committed by home title theft by phishing schemes, malware, data breaches, unsecured Wi-Fi networks and mail theft. Theft of sensitive documents like their deed or a mortgage statement. Here's how home title theft typically happens: Phishin. Phishing occurs when a criminal pretends to be a legitimate company or individual to get a homeowner's personal information.

They may do this by sending an email or letter that looks like it's from a bank or government agency or by calling the homeowner and pretending to be someone they're not. This was not done by Leader One, PennyMac nor FannieMae but by R. Samuel Ehlers and Jim Hastings. It has been reported that the HOA had been phishing the home owners wifi and taking information from the computers hard drives.

We have several hard drives in the home that Jim Hastings the HOA Board and R. Samuel Ehlers want to duplicate copy or theft in order to cover up this matter.

Signs that we made complaints and claims that our home was the target of title theft.

- Receiving bills or collection notices for accounts you didn't open
- Being denied credit because of information on your credit report you don't recognize
- Receiving a notice from the IRS that you have unpaid taxes

Getting calls from debt collectors for debts you don't owe
Discovering your home has been rented out or sold

Re: **Claim No.:** **905143**
Policy No.: 2745128-1-18-00079540
Insured: Monica Rene Hall
Property: As described in Schedule A of the Policy; commonly known as 8237 Fawn Brook Court in Las Vegas, Nevada

To Whom It May Concern:

Fidelity National Title Insurance Company (the "Company") has reviewed the claim you submitted on behalf of Ms. Emilily Hotep El f/k/a Monica Hall (the "Insured") and determined that the Policy does not provide coverage for this claim.

The facts surrounding this claim, as understood by the Company, are as follows:

On or around June 26, 2018, the Insured acquired title to certain real property commonly known as 8237 Fawn Brook Court in Las Vegas, Nevada (the "Property") via Grant, Bargain, Sale Deed recorded as Document No. 20180626-0001915. In connection with the transaction, the Insured obtained the above-referenced (12/2/13) Homeowner's Policy of Title Insurance (the "Policy") underwritten by the Company with an effective date of June 26, 2018 ("Policy Date").

You recently contacted the Company asking for assistance in releasing a Deed of Trust (the "Deed of Trust") executed by the Insured in favor of LeaderOne Financial Corporation (the "Original Lender") with Loan Number 1800159043. The Deed of Trust was recorded on June 26, 2018, as Document No. 20180626-0001917. You state that you and the Insured have satisfied the loan secured by the Deed of Trust and have requested the Company to facilitate its release.

Please be advised that the Policy provides coverage for certain enumerated Covered Risks, subject to the Policy's Exceptions, Exclusions, and Conditions. Please be advised that the Policy does not provide coverage for the Deed of Trust. The Insured created the Deed of Trust, and it is therefore excluded from the Policy's coverage by Exclusion 4(a). Additionally, the Deed of Trust is excepted from the Policy's coverage by Schedule B, Paragraph 12.

Separately, the Company does not have the legal authority to take any action with respect to the Deed of Trust. Rather, any release of the Deed of Trust can only be done by, or at the direction, of the Original Lender or its successor. Thus, your request is more properly directed to the Original Lender or its successor.

Please note that the above is based on the information currently available to the Company. The contents of this letter and the contents of any prior correspondence do not constitute, nor shall the same be construed as, a waiver of the terms and conditions of the Policy, any grounds for denial, or any

applicable defenses as may be afforded by law. The Company retains the right to supplement this letter. If there is any information that was unknown to the Company as of the making of this determination that may alter the determination, please provide this information as soon as possible, and this claim will be reevaluated.

Should you have any questions or concerns regarding this matter, you may contact the undersigned at Audrey.Moeller@fnf.com. Please reference the above claim number in all communications with this office. Thank you.

Sincerely,

Audrey A. Moeller

Dear Ms./Mr. Hall:

On behalf of Secretary Carson, thank you for your letter to the Department of Housing and Urban Development. Our office received your letter, dated May 26, 2020, regarding your "URGENT FINAL DEFAULT NOTICE - STATEMENT OF ADVERSE CLAIM" regarding Monica R Hall Estate, 4203 Norval Ave. Quartz Hill, CA, to provide a response.

HUD records were researched regarding the property in question. HUD reviewed the property's chain of title as supplied by a reputable national title company. Research did not find anything regarding this property or its current owner (you) in HUD's Single Family Insurance System or the information supplied by the title company to indicate HUD/FHA is involved.

It appears that the Assessor's Parcel Number (A.P.N.) may have been changed multiple times or at least was inconsistent throughout the multiple title changes on multiple documents.

HUD contacted two of the other parties noted on your correspondence. Mr. Trevor Jones forwarded HUD's correspondence to Select Portfolio Servicing, Inc. Select Portfolio Servicing, Inc. stated that they would respond to you.

Please contact Select Portfolio Servicing, Inc. and the title company that insured your title to clarify any concerns you might have regarding the property in question and regarding what appears to be inconsistencies on the recorded documents.

Thank you for contacting the U.S. Department of Housing and Urban Development with your inquiry and we hope the information above is helpful. If you need additional assistance with your housing needs, please contact our office at 415-489-6410.

Dear Secretary we welcome you into your new position the unfortunate part of this welcome and introduction to fraud take place within the FannieMae Division. FannieMae Granite Park VII 5600 Granite Parkway Plano, TX 75024 Priscilla Almodovar President and Chief Executive Officer.

The attack came due to my religion nationality and my private lifestyle. This was retaliation by the HOA and others. On May 10, 2023 my family and I were forced out of our home and our property as well business and personal items were taken stolen lost etc,.. The FannieMae agency that is an insurer for loans claimed to a Court in Las Vegas Nevada CASE NO.: 23C006611 FannieMae Plaintiff and a woman form the Army Reserves named Monica Rene Hall as claimed to have foreclosed against this woman whom has nothing to do with the property located at **8237 Fawn Brook Ct Las Vegas Nevada 89149** which is held in a Estate Trust called MONICA RENE HALL BT. The family was forced from their home with bad actors. Men claiming to be 1.Police 2. Constable and 3. A man appeared to be a sheriff non had uniforms body cameras or badges and when I asked for their names they said they don't give names.

FannieMae convinced a judge name Jessica Goodey doing business as a lower court judge administrator. She signed a document that was never seen by the family claiming that they were being evicted as they had not paid rent! Also that they were the lender FannieMae evicted the "el family" from their home. The home as filed in the Eighth Judicial District Court is in a trust as mentioned has an allodial land patent title but was

refused to record publicly in the County Records. This lead to a lawsuit against Debbie Conway doing business as the Recorder but signed as herself private and not in her official capacity. Please note this Administrative Judge began January 1, 2023.

Now based upon the letters id receive from the former Secretary Carson he stated that one of our other properties had been sold four to five times. This property is located at **4203 Norval Ave Quartz Hill California 93536**. The APN number was changed a few times and there are illegals living in the property to this day. The chain of title had been effected and there was some fake foreclosure that appeared to be a property take over or an **Adverse Possession.**

PennyMac never filed notice or recorded any securities on the property as they claimed to have purchased the property from LeaderOne Financial on July 13, 2018 while this doesn't make sense because no records appear until March 2021. Thereafter a lis pendens was filed in the Courts and served onto PennyMac Leader One and Fidelity National Title.

Fidelity National Title employee Richard Ehlers aka Samuel Ehlers Esq. and attorney also employed by Aldridge Pite LLP aka Aldridge Pite Haan LLP. As he had access to alter the title records and also they are invested in Lawyers Title and other title companies that have cleared titles on both properties located at **8237 Fawn Brook Ct Las Vegas Nevada 89149 and 4203 Norval Ave Quartz Hill California 93536.**

The family purchased the home June 22, 2018 yet was called squatters by FannieMae, the family also challenged PennyMac as to whom claimed to be the lender when it wasn't and began to bully the family to paying them mortgage monthly while the homes were purchased by two separate trust the one in California was purchased by the Hall Estate Trust as well the one in Nevada was purchased.

FHA (Federal Housing Administration) and HUD (U.S. Department of Housing and Urban Development) are government agencies that oversee and provide mortgage insurance, while Fannie Mae is a government-sponsored enterprise (GSE) that purchases and packages mortgages, not a federal agency itself. FannieMae convinced the Court that they were the owner of the property located in both California and Nevada while the description states different.

If HUD is the overarching agency responsible for housing and urban development policies, while FHA is an agency within HUD that provides mortgage insurance. How is it possible that FannieMae claims to be the lender using a company locally called Jim Hastings LTD? FHA insures loans made by FHA-approved lenders, providing a guarantee to lenders in case of borrower default.

Fannie Mae: Fannie Mae is a GSE, not a federal agency, meaning it is not owned by the government but operates under government oversight. Fannie Mae purchases mortgages from lenders and packages them into mortgage-backed securities, which

are then sold to investors. Fannie Mae's role is to create liquidity in the mortgage market, ensuring that lenders have funds to make new loans.

The only issue here is that the lender was Leader One Financial Corporation and no one from FannieMae ever appeared at the closing or the original lending process, this was added later by the law firm Aldridge Pite Haan llp and lawyer Richard Ehlers Esq.

Based upon the relationship between FHA/HUD and Fannie Mae: Fannie Mae plays a role in the market for FHA-insured loans by purchasing them, which helps to create liquidity in the mortgage market. FHA and HUD have a risk-sharing agreement with Fannie Mae for certain Mortgage Assistance for Homeowners (MAH) transactions, where HUD takes 50% of the risk of loss, and the remaining 50% is shared by Fannie Mae and the borrower.

Fannie Mae also has a role in the multifamily sector, with its own multifamily loan programs, which are different from HUD multifamily loans, as HUD loans are insured by the FHA. Rather there is no loan documents signed by the El family and or FannieMae only Leader One Financial Corporation June 22, 2018 11am. No one ever appeared by Leader One nor was there a check signed over from the original Lender Leader One thereto Open Door the seller.

This fraud was premeditated as they targeted the El family their business and ministry which has suffered much since this time of moving into the home. Several claims and complaints were field against the HOA the law firm judges but the evidence all seemed to have disappeared into thin air.

Multiple complaints and claims along with chattle paper or liens were filed against all parties but they continued coming with different attacks. They also damaged the properties, pool equipment damaged automobiles damaged, threats against the family themselves if they didnt leave the property and the state. After five years since the former administration after the current administration first time in the year 2020 this began

Propaganda used to terrorize the El family along with gangstalking and harassment. On many occasions people would break into the property they would send people over to the home claiming rooms were for rent when they were not. They would make keys and enter the rear of the property they would contact local businesses using Al voice copying programs creating issues with those locally such as the Tesla Solar company and hydrogen water company.

When the El family left Nevada they would receive calls and emails from the water company electric company and many others claiming there were appointment not kept for upgrading equipment and products or services. Mail was being forwarded as well men following the el family across country while leaving Nevada multiple men were witnessed following them into multiple states. The el family relocated three times to three different states trying to avoid their harassing terroristic methods trying to live.

IF YOU WRITE, ATTACH THE
STUB AT THE END OF THIS NOTICE.

## WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 92-6195863. This EIN will identify your estate or trust. If you are not the applicant, please contact the individual who is handling the estate or trust for you. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

Based on the information received from you or your representative, you must file the following forms by the dates shown.

[redacted] [redacted]

If you have questions about the forms or the due dates shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification (corporation, partnership, estate, trust, EPMF, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

* Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.
* Refer to this EIN on your tax-related correspondence and documents.
* Provide future officers of your organization with a copy of this notice.

Your name control associated with this EIN is MONI. You will need to provide this information along with your EIN, if you file your returns electronically.

Safeguard your EIN by referring to Publication 4557, Safeguarding Taxpayer Data: A Guide for Your Business.

You can get any of the forms or publications mentioned in this letter by visiting our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions about your EIN, you can contact us at the phone number or address listed at the top of this notice. If you write, please tear off the stub at the bottom of this notice and include it with your letter.

Thank you for your cooperation.

If a County Recorder of Deeds wrongfully refuses to file a trust document for a homeowner's property, and this refusal directly leads to an injury or a fraudulent foreclosure, the recorder could be held legally responsible for the damages caused, as their actions would be considered a form of official misconduct or negligence. Potential for harm: **If a trust document is not recorded, it can leave the property vulnerable to fraudulent claims or foreclosure actions, potentially causing significant financial loss to the homeowner. **WHEN THE BENEFICIARY princess emilily hotep el** and the ESTATE FILED A CLAIM IN THE YEAR 2022 THE WOMAN DEBBIE CONWAY D.B.A THE RECORDER HIRED THE DISTRICT ATTORNEYS OFFICE TO DEFEND HER AND THE CLAIMS MADE AGAINST HER ACTS OUTSIDE OF OFFICE NO CLAIM WAS FILED AGAINST THE OFFICE and later on March 30, 2023 one year later and was denied due to no State involvement but the insurance company State Farm claims the Government or Municipality was involved when all bad actors did so outside of the scope of their office.

Cc attachments to the Clark County Recorder and the orignal Lender that there was no filings within the county as stated by the Original Lender LeaderOne after the closing on June 22, 2018 transferred thereto PennyMac as of July 13, 2018 but no record of transfer was made and

the woman D.B.A. Clark County Recorder certified and sealed as well placed upon the Block Chain fraudulent documents. Injuring the true owner by allegedly creating an illusion of an eviction having the family forcefully removed from their property without the opportunity to get personal items and papers laptops and other important papers Cc 4th Amendment.

A District Attorney's primary duty is not to defend a major corporation; their role is to represent "the government" and prosecute criminal cases against ***individuals or entities, including corporations,*** when there is sufficient evidence to do so, essentially ***acting as the "people's lawyer" in a jurisdiction.*** **The Clark County Recorder acted outside their scope of duty and by including all these other Corporations to do a mediation.** District Attorney's role: Prosecuting crimes: Their primary responsibility is to review cases presented by law enforcement and decide whether to file charges and prosecute individuals or corporations suspected of criminal activity. There were never a crime presented against princess emilily hotep el nor her Estate Trust and neither her property held within the MONICA RENE HALL ESTATE TRUST BT.

**Therefore there according to the "HOMES MEANS NEVADA , INC. the State Of Nevada Mediation Program Certificate which was never served upon the Grantor prince ra hotep el while he and his cohort were in Jamaica makes this a Judicial Foreclosure whereas the Clark County Recorder and the DA office are not supposed to be included or involved in. Representing the public: A District Attorney acts** on behalf of the community and seeks justice by pursuing criminal cases against those who violate the law. Investigating crimes: They may be involved in investigating potential criminal activity to gather evidence before deciding to prosecute. The District Attorney employees acted outside of their scope and was harassing the el family and their property. Acting in TORT along with other Corporations causing major injuries to the family property estate and their lives. It is not the duty of the DA office to defending corporations: While a corporation can be prosecuted by a District Attorney, the DA would not be responsible for defending a corporation in a criminal case.

By law and legal issues it's pretty rare that a DA's office would seize assets in a civil matter. They can handle civil asset forfeitures. For example "In Oregon, people with lifetime license suspensions can get them overturned after 10 years if they can prove by clear and convincing evidence that they rehabilitated themselves." To do that, you bring a civil cause of action against the district attorney that brought the case that resulted in a suspension. In this matter the property was seized by strange men not recognized by IA internal Affairs no uniform and the four men claimed to be acted on behalf of Sheriff Department, the Constable and the Las Vegas Metro Police Dept. None wore badges nor name tags as well no body cameras were present just the camera phone and audio recording during May 10, 2023 as they forced the cohort from the home along with two puppies threatening to physically remove him and the two puppies would be in quote " removed by animal services alleged to be killed".

On June 22, 2018 during the Closing for the property held within the Trust Estate notice given to the State of Nevada and Clark County Recorder and the Clark County Assessor there was no one present for Leader One Financial Corp nor that of Penney Mac, as well no one present for FannieMae all whom alleges to be the owners or lenders of the property. As such no signature was given and the title ALL RIGHTS RESERVES written in cursive was presented as a notary elderly male was present and it was stated to him I princess emilily hotep el was signing not my nature but all rights reserved in cursive. As such no woman was present during the signing and thus it appears that some woman was present during the closing and the truth is it was a elderly male whom said someone from Leader One Financial would show up soon to sign their portion but no one from the company never showed up. My family and I believe that this was done in retaliation as to the defense stance taken by my family to protect our property and thus the actions outside of the scope of the Official duties began.

## DISCHARGE

The woman D.B.A. as the Recorder prevented the public inspection by blocking the Lis Pendens and Trust documents to be filed upon the property more over she allowed documents to be filed by others outside of Nevada well over 30 days as required by law when a transfer is being attempted. The foreign companies from other States to file two to three years later claiming to be lenders. LeaderOne Financial Corporation stated to the CFPB that they transferred title to PennyMac on July 13, 2018 just one month after the closing by the Monica Rene Hall Estate Trust.

PennyMac filed a document on or about March 2021. Based upon NR Statutes the company that alleges the reyconveyance or transfer as of July 13, 2018 PennyMac failed to record within the County Records for public scrutiny and challenges but appeared on March of 2021 after being served the documents. Due to all the break in chain of title, newly created contracts forgeries fake foreclosures and made up titles and not limited to new titles created outside of the State of Nevada being that the property is in the Republic or District breach of contract and failure to record the conveyances or notice of said documents within 45 days in the County.

This is why liens were filed against all parties involved due to their negligence and retaliation ongoing. May 10, 2023 a mob appeared thereon the property on claiming to be the Constable while the location of South Las Vegas was not their Jurisdiction as to North Las Vegas, as well a man appeared on camera to be the HOA members removing A National flag that was raised in the east in Philadelphia Pennsylvania on about September 2019 as was the celebration of the National flag raising day showing business and other Court actions taking place.

**Debbie Conway hired or was represented by the District Attorneys offices on August 10, 2022 after Defaulting.** A county employee cannot hire the District Attorney's office to defend them in a civil or criminal case. District Attorneys Represent the State: The District Attorney (DA) is a prosecutor who represents the government (the state or "the people") in criminal cases. No Plaintiff in Criminal Cases: In criminal cases, there isn't a plaintiff in the traditional sense. The DA prosecutes individuals on behalf of the state for violating laws. DA's Role is Prosecution, Not Defense: The DA's role is to investigate and prosecute criminal cases, not to defend individuals accused of crimes. This is called a conflict of interest. Meaning A legal conflict of interest is when a person or organization's interests conflict with their duties or obligations. This can happen in many situations, including in law, government, and the workplace. Civil Cases: The DA's office typically does not handle civil cases unless the state is suing or being sued. Private Defense Attorney: If an individual is facing criminal charges, they have the right to hire a private attorney to defend them. Public Defender: If a defendant cannot afford a private attorney, a public defender may be appointed to represent them.

The District Attorney clearly represents a woman Debbie Conway being sued in her private status as well represent NDSC aka National Default Services Corporation whom both along with Debbie Conway has a $4,400,000.00 lien filed against her Cc UCC instrument No. Filed with the Nevada Secretary of State and on record with the Case No claim for public record. The District Attorneys office presented documents on behalf of NDSC and Debbie Conway doing business as the Clark County Recorder Office or Official claiming that there was a hearing for a mediation set for July 2022 with proof of service date June 30, 2022 with the wrong names on the Document and no service made and was not lawfully process or failed Habius Corpus as the wrong name as in David Hall alleged as the Grantor when their is a court order and record of the correct name being Prince Ra Hotep El and whereas the incorrect name Monica Rene Padgett/Hall the property owner is the incorrect name of the owner which the name of the owner is the MONICA RENE HALL ESTATE TRUST BT which is filed by notice on public record with the Nevada Secretary of State and Notice was sent to the Clark County Recorders office whom sent response as to the process service denying to file into public record.

Please notice the caption is incorrect and the titles are not the same therefore by rule of their own court is not the same case the title and name of princess emilily hotep el was misspelled and was in ALL CAPITAL LETTERS claiming falsely this was an entity, rather was a woman on the original filings in the caption is spelled all lower case. In the case the District Attorney whom falsely represented Debbie Conway misstated that it was unclear as to which instruments were to be removed from the property while the actual original filings in the claim and proof of claim clearly states "THE RELEASE OF ALL LIENS" which was mailed by proof of service and then emailed to the eRecording@cscglobal.com. Cc attachments. Photo of email states "Release of all instruments from parcel 125-21-311-121 immediately.pdf.

Please note that the Complaint or claim clearly states that the woman D.B.A. the Recorder was acting on behalf of the multiple companies claiming to own the property as well allowing them all to file documents for foreclosure without verification and certification process of law and retaliated as to the lawsuit filed against her and won favor with the Courts therein with help from Aldridge Pite Haan llp attorney's specifically Richard Kirk Samuel Ehlers whom appears on multiple claims filed agains the property including a 2015 Kia Optima and the process server stated that the case was filed in San Diego California November 2021, but later it was found that it was filed in Nevada January 2022. The judge in that Case refused to allow the Estate Trust or princess emilily hotep el or her cohort and Trustees to file into the case claiming that their not a party to the matter and returned the money for the case.

During the hearing for default judgment August 10, 2022 the case was called and prince ra el presenting on behalf of the beneficiary of the Monica Rene Hall Estate Trust and princess emilily hotep el stated that they were making a special appearance for the Default Judgment, the judge then said, " they are going to take your home from you, so you need to file your complaint against the correct party" then a woman whom represents the District Attorneys office appeared on camera asking for a motion to dismiss while during the 120 days no one presented on behalf of Debbie Conway doing business as the Recorder. As to the letters that show that there is personal interest and retaliation against the beneficiary princess emilily hotep el and the Estate Trust they the District Attorney along with the Judge in Department 27, retaliated and did not make clear who was THEY ARE GOING TO TAkE YOUR HOME" but the Judge mention Sunlight Financial aka Hudsons Pools Services a Trust a change in the contract without notice to the home owners beneficiaries and the Trustees.

Thereafter the woman Debbie Conway conspired and was in tort with National Default Servicing Corporation their parent company a Law Firm, a man named Richard Samuael Ehlers aka Kirk Richard Ehlers whom was employed by the Fidelity National Title Company there in Las Vegas Nevada for four months multiple names whom is conflicted from the matter as well due to his prior attempt to take private property held in The Monica Rene Hall Estate Trust. The act in Tort by all the companies listed within multiple claims came together and appears on the new recorded property as the owner hidden within layers of corporations and businesses.

Ehlers an attorney from Aldridge Pite LLP aka Aldridge Pite Haan LLP lead the way leading the woman doing business as the Clark County Recorder or Recorder of Deeds along with many

other companies such as National Default Servicing Corporation and their parent and subsidiary company a law firm located in Arizona as well made claims to represent all of these companies including Ally Financial Chase Bank and others whom also stole the identity and property therein the state of California in the same process during the same time. While the FHA and FannieMae former Secretary of FHA/HUD Dr. Ben Carson and employees stated in writing that they had nor have nothing to do with the properties held within the Monica Rene Hall Estate Trust and that the attempt to foreclose was in disguise as a ADVERSE POSSESSION. I didn't see anything about her putting together a Mediation as one of her duties as well stopping the public from filing public records so that it can be challenged in public. Her acts alone caused these issues and the many many injuries and embarrassment to the beneficiary and her family located in Nevada today. The Clark County Recorder's office does not provide mediation services. However, Clark County, Nevada does offer mediation services through the Neighborhood Justice Center (NJC). The NJC can help with a variety of disputes, including landlord-tenant issues. The NJC which is a free service that offers mediation, information, and referrals. # TREATY WITH MOROCCO. (a)

In the name of God, the merciful and clement!

Emperor's seal: Abd Errahman Ibenu Keshem, whom God exalt!

Praise be to God!

This is the copy of the Treaty of Peace which we have made with the Americans and written in this book; affixing thereto our blessed seal, that, with the help of God, it may remain firm forever.

Written at Meccanez, the city of Olives, on the 3d day of the month Jumad el Iahhar, in the year of the Hegira 1252. (Corresponding to Sept. 16. A. D. 1836.)

Mutual agreement of the parties to the treaty.

ART. 1. We declare that both parties have agreed that this treaty, consisting of twenty-five articles, shall be inserted in this book, and delivered to James R. Leib, agent of the United States, and now their resident consul at Tangier, with whose approbation it has been made, and who is duly authorized on their part, to treat with us, concerning *all the matters* contained therein.

Neither party to take commissions from an enemy.

ART. 2. If either of the parties shall be at war with any nation whatever, the other shall not take a commission from the enemy, nor fight under their colors.

Persons, &c. of one party, captured in an enemy's vessel, to be released.

ART. 3. If either of the parties shall be at war with any nation whatever, and take a prize belonging to that nation, and there shall be found on board subjects or effects belonging to either of the parties, the subjects shall be set at liberty, and the effects returned to the owners. And if any goods, belonging to any nation, with whom either of the parties shall be at war, shall be loaded on vessels belonging to the other party, they shall pass free and unmolested, without any attempt being made to take or detain them.

Vessels to have passports.

ART. 4. A signal, or pass, shall be given to all vessels belonging to both parties, by which they are to be known when they meet at sea; and if the commander of a ship of war of either party shall have other *ships under his convoy, the declaration of the commander shall alone* be sufficient to exempt any of them from examination.

Visit of vessels at sea.

ART. 5. If either of the parties shall be at war, and shall meet a vessel at sea belonging to the other, it is agreed, that if an examination is to be made, it shall be done by sending a boat with two or three men only: and if any gun shall be fired, and injury done, without reason, the offending party shall make good all damages.

American citizens and effects to be restored.

ART. 6. If any Moor shall bring citizens of the United States, or their effects, to his Majesty, the citizens shall immediately be set at liberty, and the effects restored; and, in like manner, if any Moor, not a subject of these dominions, shall make prize of any of the citizens

## Jim Hastings Highlights

- Owner and Broker of Hastings Brokerage, Ltd. that has listed and sold repossessed property (REO) in Nevada since 1998, California, Arizona and Ohio. Currently only handling REO in Nevada.
- Represented Fannie Mae since 1984, also represents Freddie Mac, Caliber Home Loans and several others.
- Personal closings in excess of One Billion in Residential REO.
- Nevada Supreme Court appointed Broker Representative to the Foreclosure Mediation Advisory Panel.
- Bachelors Degree in Real Estate from Arizona State University in 1988.
- Greater Las Vegas Association of REALTORS Professional Standards Judge.

## Talking Points

- Under the FHFA Conservatorship of Fannie Mae and Freddie Mac, they are prevented from Lobbying. I am here representing Hastings Brokerage, Ltd.
- I represent many sellers that are victims of properties that are seized by squatters. They are rented from fraudulent Craigslist advertisements. We often must rekey when lockboxes are stolen or broken. Craigslist will remove the ads, but the ads have now become non property specific.
- Las Vegas and surrounding areas have different rules now due to our currently outdated laws. The Metropolitan Police Department Northwest Area Command has lead the way in training through Officer Malcolm Napier. When you have squatters in multiple areas of Las Vegas the Metropolitan Police Department will sometimes say it is a civil matter which requires a long eviction process, it depends on the Area Command.
- Properties are squatted by people that harm the neighborhood and can affect property values. Often squatters have criminal intent and do damage to the property. Criminals know laws are currently in their favor right now and that makes them bolder.
- One property, 1729 East Desert Inn Road Las Vegas, Nevada 89169 is usually broken into every week; squatters stay temporarily, and then leave. These issues are causing lenders to lower their prices or spend additional funds on repairs. Some lenders are now cautious about repairing in Las Vegas and surrounding areas because of squatters. This is effecting our market and prices will be lower to compensate for the as-is nature of the sale.
- On 5708 Grand Entries Las Vegas, Nevada 89130 The squatters would fight with the neighbors who would have to call the Las Vegas Metropolitan Police Department. Upon being removed, occupants were arrested, children were picked up by Child Protective Services, a stolen gun was found hidden in the Range with Gang members were inside.

EXHIBIT F Senate Committee on Judiciary
Date: 5-4-2105 Total pages: 2
Exhibit begins with: F1 thru: F2

- Another recent property at 7601 Tiny Tortoise Las Vegas 89149, had drugs inside next to a naked three year old child. The Mother was arrested and the child was picked up by Child Protective Services. There were also known Gang members inside the home wanted for murder.
- There is currently a property that is awaiting the Las Vegas Metropolitan Police Department to remove the unlawful occupants for Freddie Mac since 3/16/15 located at 9038 Toast Avenue Las Vegas, Nevada 89148. Freddie Mac had just repaired the home from the last squatter and new squatters moved in before we even had time to inspect the repairs. The neighbor is in constant contact with our office doing everything he can to help remove the squatters, by giving updates on activity.
- If squatters leave personal property behind we currently have to post the property for 30 days before we can remove anything they have illegally put in the property. The property is off the market at this point. AB386 lowers that timeline to 14 days, therefore saving valuable marketing time and money.
- I am in complete support of AB386. We need to make sure that we fully support the Las Vegas Metropolitan Police Department and others in their efforts to remove squatters and criminals from our neighborhoods and give them the tools to do so. AB386 provides them the legal ability for them to do the job that we all need them to do to keep our neighborhoods safe. Also, AB386 provides the rules for all areas of the Las Vegas Metropolitan Police Department and surrounding areas to be enforced equally.

**AGCOMPLAINT@ag.nv.gov. CLAIM FOR THE MONICA RENE HALL BT ESTATE TRUST Beneficiaries princess emilily hotep el and prince ra hotep el managing trustee -** CONFLICTS & FAVOR WITH THE COURT AND FAVOR WITH THE DISTRICT ATTORNEYS OFFICE STEVEN B. WOLFSON CIVIL DIVISION By: Catherine Jorgenson State Bar No. 001565 DBA Deputy District Attorney State Bar No. 006700 E-Mail: catherine.Jorgenson@ClarkCountyDA.com rather claims to only be the **"Attorneys for Respondent Clark County"? Clark County was not the respondent!**

**SANCTIONS : To be made upon all persons acting outside their official capacity.** On Behalf of the Monica Rene Hall Estate Trust we file the following claims and caused injuries against the following. The liens filed against Debbie Conway the lawyers and law firms and several Corporations should be transferred as funds to fund the trust whereas assets and business were lost stolen missing and damaged. As well used Case law to dismiss a case that has already been defaulted by way of rule of law Motion for Summary Judgement April 28, 2022. Claim in the amount of the liens filed against the Debbie Conway Catherine Jorgenson, Jessica Gooday, Attorney Samuel Richard Ehlers, Aldridge Pite LLP and all attorneys involved, not limited to bad actors claiming to be police sheriff and Constable. Cc: IA letter email.

**SEPARATION OF POWERS** - Breakdown of potential sanctions: Criminal Charges: Depending on the severity of the injuries and the nature of the illegal property seizure, the employee could face criminal charges such as assault, battery, theft, fraud, or even more serious charges depending on the circumstances. Jurisdiction was never proven for breaking and entering the domicile on May 10, 2023 nor was a proper warrant was presented only a letter saying call Tom

from Aldridge Pite Haan LLP. Madison vs. Marbury... **THERE IS NO STATUTE ENFORCEMENT! ONLY LAW ENFORCEMENT.**

If a state employee injures a family and illegally takes their home while acting outside their official capacity, potential sanctions could include: criminal charges, civil lawsuits, termination of employment, disciplinary action within the state agency, and potential loss of professional licenses depending on the specific details of the case and the state's laws. *The persons doing business on behalf of the State or County should face Civil Lawsuits: The affected family could file a civil lawsuit against the employee seeking compensation for damages related to the injuries, property loss, and emotional distress.* The persons doing business on behalf of the State or County should Employment Actions: Termination: The state agency could terminate the employee's employment due to egregious misconduct, especially if the actions were deemed to be a violation of public trust. Disciplinary Action: Even if not terminated, the employee could face disciplinary actions like suspension, demotion, reprimands, or a negative performance review. The persons doing business on behalf of the State or County should face Professional Licensing Consequences: If the employee holds a professional license required for their job (e.g., law license, real estate license), the relevant licensing board could investigate and potentially suspend or revoke their license depending on the severity of the misconduct.

**JURISDICTION CHALLENGED AND IGNORED** - When "Catherine Jorgenson" DBA State Bar No. 001565 Deputy District Attorney State Bar No. 006700 FOR CONFLICT OF INSERTS REPRESENTING A FELLOW EMPLOYEE OR CO-WORKER was asked the question what does the County or State has to do with this"? She did not respond but made it clear she was representing the County while the County nor the State of Nevada was being sued or had a claim against them by the petitioner it was the woman Debbie Conway only. There was no their parties or corporations just Debbie Conway who was doing business as the Recorder.

Whether the court has jurisdiction only has to be addressed if it raises the issue. See State v. Batdorf, 293 N.C. 486 (1977) ("[J]jurisdiction is a matter which, when contested, should be proven by the prosecution as a prerequisite to the authority of the court to enter judgment.") (emphasis added); State v. Drakeford, 104 N.C. App. 298 (1991) (where "[t]he evidence makes a prima facie showing of jurisdiction," that is "sufficient to carry [the case] to the jury without need of a special jury instruction [on jurisdiction]").

**Nature of the Crime Acting like a Mob and a criminal organization:** The severity of the injuries inflicted and the methods used to take the property will significantly impact the potential sanctions. State Laws: Each state has its own laws regarding criminal penalties, civil liability, and employee disciplinary actions. Employee's Employment History: Past disciplinary actions or complaints against the employee could influence the severity of the sanctions. Important Note: This is not legal advice and it is crucial to consult with a lawyer if you are facing a situation like this to understand your rights and potential legal implications.

There is no evidence of anyone loaning money dollars to the Estate or the beneficiaries, in fact no one appeared at the closing on June 22, 2018 10am only prince ra hotep el managing trustee and princess emilily hotep el. When asked where were the representatives for Leader One Financial the notary a male older Caucasian said someone would be along shortly im just hear to get the paper work and closing going and started. No one appeared that day. Princess Emilily El signed not her nature but ALL RIGHTS RESERVED Cc lines where it appears. The woman doing business as the County recorder wanted a forfeiture or a forfeit of Constitutional protection to give her power over people and control using fear and this is a violation of the Constitution and within the Nevada Constitution. She and many others used digital and wifi spying on the home as well made attempts caught on camera live of planting then removing

that planted evidence later. NO PROOF OF INJURING ANYONE JUST RUMORS AND PROPAGANDA!

Lawyers are not licensed in America according to the Constitution! This statement is correct; the US Constitution does not explicitly mention lawyer licensing, meaning lawyers are not directly licensed by the federal government but instead are licensed by individual states through their respective state bars, making them essentially private members of that bar association, not government employees. State regulation: Each state has its own bar association that oversees lawyer licensing and conduct within that jurisdiction.

No federal licensing: While federal courts exist, lawyers practicing in them must still be licensed by the state where they are practicing. Self-governing profession: Though not directly government employees, lawyers are considered to have a self-regulating profession with ethical standards enforced by the courts.

Attorneys for Respondent Clark County? Where is Debbie Conway? Clark County whom are not the respondent nor the defendant in this matter or claim as such is in conflict of interest with deep state fraud. The woman herein Debbie Conway used her power influence and connections to get herself out of the mess she placed herself in. So Catherine Jorgenson the woman D.B.A. Deputy District Attorney State Bar No. 006700 steps in on behalf of friend and co-worker Debbie Conway the woman DBA the County Clerk Recorder as stated on many of her documents whereas she signed on her own behalf.

Catherine Jorgenson began on September 22, 2022 making intimidating threats within the documents she wrote claiming that there Petitioner FAILED TO STATE A CLAIM and FAILED TO PROVIDE A WAY FOR THE Petitioners to receive payment for injuries caused by Debbie Conway as stated by herself on the documents she certified. " I, Debbie Conway, hereby certify this document as a true and correct copy of the original on record with the Clark County Recorder's office." I Debbie Conway certify as true and correct with the Clark County Recorder's office sounds and reads like two different acts one by the woman Debbie Conway and the other by the Clark County Recorders office.

*The people or We the people in Nevada are in serous danger with the men and women doing these things proving nothing but CORRUPTION and if not already many people will be injured hurt or worse killed by the bad actions outside their scope of office. By the use of the District Attorney's office creates fear to anyone apposing their reign of power in office and would normally scare and back down the average man or woman including citizens but the petitioners herein are not the average and believes in the law and knowing being ignorant of the law is no excuse. CONCLUSION - The removal of the woman Debbie Conway and others whom participated in the acts causing multiple injuries as they should not be in these capacity for office.*

Blocking of Law firms and lawyers owning Title companies are doing damage to the American People with targeting to the Aboriginal or indigenous people. They do this because they can easily say that somehow that the indigenous people or poor people which they use that word a lot are somehow trying to be sovereign. Without GOD without the CREATOR of the Universe.

This is slanderous and damning to one character image and likeness. This deep state a type of hidden government made up of potentially unauthorized unknown and or secret networks of power operating independently of a state's political leadership in pursuit of their own agenda and goals. In popular usage, the term carries overwhelmingly negative connotations and is often associated with conspiracy theories. While this is not a conspiracy it actually happened and there is are books and documentaries being made right now to get those messages out to warn the public so that those in the DOJ.If this was not a personal matter and retaliation the documents paid for and not filed would've been filed and the prevention of the acts by bad actors would've never happen. The El family would be in their two homes on the west coast as they had to flee the west and possibly the country as to they are still being harassed followed and stalked across the country family members are harassed stalked threatened etc,.. With a woman like Debbie Conway in that position of office using outside scopes and actions she will collapse the Nevada housing market within the next two years and many citizens residents and other will flee the Nevada Territory immediately how ever they can. This will collapse the economy locally and force the request for more federal funding as they Nevada District grows into deeper debt without no one to fund their bad acts any longer.

As they have become thieves power struck living off the people and whomever they do not like and whom ever they target. When a lawyer has favor with a judge, it is often referred to as "judicial bias" or simply "being in good standing with the court"; this can imply that the judge might be more likely to rule in the lawyer's favor due to a perceived personal connection or positive past interactions, which can raise ethical concerns about impartiality in the legal system. Key points to remember: Ethical concerns: A judge showing favoritism towards a lawyer can be considered a violation of ethical standards and could be grounds for recusal (stepping down from a case). Appearance of impropriety: Even if a judge does not intentionally favor a lawyer, the appearance of a close relationship can still be problematic and raise concerns about fairness. Without a tribunal or the public whereas the people jury etc,.. was not given the opportunity to challenge the matter. More over the State of Nevada is one of the few states where a Allodial Title can be filed. As long as the officials are following their official duties without conflicts of interest and other matters interfering with their official capacity the records would and should reflect the filings made well before an eviction was allegedly authorized by Jessica Goodey whom holds a private practice on the side. Without a jury or a hearing her decision went after a ghost or an all Caps entity named MONICA RENE HALL an ARMY RESERVES OFFICER whom has nothing to do with the property also this entity owns automobiles and property in three different states and is on record but was ignored as they had the wrong property and beneficiary and family suffered for the past two years because of these actions.

## EXHIBIT A - FAVOR WITH THE COURTS

NO CLAIMS FILED AGAINST THE STATE OR COUNTY NEVADA - Not one time has the Monica Rene Hall Estate file a complaint against the State or any division. This was a retaliation by all parties including hidden parties for their acts and fraud identity theft etc,.. The Defendant Debbie Conway defaulted during the hearing held April 28 2022 Motion for Summary Judgment she did not appear nor did her attorney. Slandering and defaming the property owners calling them sovereign citizens caused the uproar within the Nevada Courts as each time the Estate, Trustees attempted to defend their property these words were used against them giving favor to the Defendants no matter what evidence was presented. Complaint/Claim filed March 18, 2022. The woman who was being sued Debbie Conway never appeared nor responded and on August 10, 2022 by video chat a woman appeared as an employed by the State of Nevada the District Attorney's office claiming to represent the woman Debbie Conway.
This is a conflict of interest and immoral as well illegal and unlawful rather the court allowed the woman to speak. September 22, 2022 As the only Defendant in the matter mentioned in the Complaint/Claim by way of the District Attorney other parties including National Default Servicing Corporation.

On August 10, 2022 The Judge in Dept 27 mentioned Sunlight Financial as a party to the matter practicing law from the bench telling the managing trustee and beneficiary that they might want to add Sunlight because they are going to foreclose on the property. Deep state propaganda rules used to prevent the Petitioner from defending their property, but claiming this is a civil matter and belongs in court as to the crimes committed by the Courts for having favor with the Attorneys whom own the Title Companies and are formerly employed by others to position themselves to steal peoples private property. Jim Hastings LTD Favor with Supreme Court Judge Nevada - Jim Hastings documents clears it all up.. on multiple occasions within the document it is alleged that the men in the home they raid are gang bangers drug dealers and are just a few feet away from a gun drugs money and a child! This is alleged and made up to create a criminal identity for the person they are targeting. When Jim Hasting deceived everyone claiming to have been the lender or THE BANK he was caught in the home on many occasions attempting to allegedly plant drugs guns and other paraphernalia but when he and his employees realized they were on camera they would remove the items sometime returning late at night with flashlights to remove the paraphernalia.

As of January 2020 a new HOA board was created a new president came out and introduced himself. Shortly after the people in the community began to whisper that they are after your property and there are several home in the community whereas they are vacant but appear to be some kind of hosting watching place. As we had witness one home one block over where a muslim man was forced from his home the fall of 2020 someone was in the home they would leave but never staying over night. A man in a Honda accord would drive from that home and park on the corner in front of the petitioners home just sitting for hours. Each time a different man same car.

## EXHIBIT B - CONFLICT OF INTEREST

The Complaint criminal and Claim civil was filed against Debbie Conway outside of her capacity as the Recorder hence for stated clearly doing business as she personally saw to it that the Estate Trust its Trustees and the beneficiaries wold never be able to file public record on their property so that if there was any public scrutiny it would be done lawfully. The records are held within the public today in the Common Law Court The Nevada Secretary of State with notices given and served onto the County Clerk Recorder's Office and the Assessors office.

Fraud committed as the Instrument filed 09/20/2022 as Debbie Conway is now conflicted from the matter by way of Lien # [ 2022249281-7 ] and being outside of her official capacity. She allows a Instrument # 20220920-0002136 to be recorded or Recorded Electronically by Premier American Title a company that was acquired in the year of 2016. As to this the person man or woman its not clear as to being named on the document CHERIE which appears not to be honest or human. No proof of service was completed as to the man prince ra hotep el was not in the country when the alleged NOD Date 06/22/2022 took place well after the MSJ or Motion For Summary Judgment was heard in Court on April 28, 2022. The Grantor would be the Trustees including managing trustee prince ra hotep el. The Proof of Service date is 06/30/2022 the beneficiary and her cohort was in Jamaica from June 25, 2022 until July 1, 2022 returning July 3, 2022. These actions are far from reach and out of the Scope of official duty on said persons acting outside their scope of office and in their own personal interest. The bad actors all acted on one accord by ways of blackmail extortion and persuasion with some promised positions and or the opportunity to continue doing these types of crimes over and over again. As such one involved woman was pretending to be a recording artist with the petitions ministry and record label.

She would gather his information record him without him knowing and share this information. She was at the time connected with a boxing trainer for women whom appeared to be prostitutes or call girls. She explains how they have multiple social security cards, passports and birth certificates prince ra el met this man over these women and was trained for one day and the information matched the deeds as explained and seen or witnessed. **EXHIBIT C - LAYERS ARE OWNERS OF TITLE COMPANIES INVOLVED A CONFLICT OF INTEREST IMMORAL AND ILLEGAL**

Premier American Title Agency now owned by a Lawyer owned company was acquired in 2016 which makes this a conflict of interest and fraud as the company offices in Henderson Nevada was permanently closed down. Premier American Title Agency Corporate Office 3571 E. Sunset Rd., Suite 111Las Vegas, NV 89120 http:// www.patnv.com

Samuel Richard Ehlers aka Kirk Ehlers was employed with Fidelity National Title for [4] four months and now has provided new records from that title company altering the lenders information breaking the chain of title and adding forged signatures to the documents.

Premier American Title Agency 400 N Stephanie St #140, vHenderson, NV 89014cThe other offices are Permanently closed as its advertised on google! If further looked into you would find the attorneys and law firms involved in the paper terrorism and harassment as members or owners of the LAWYERS OWNED TITLE COMPANY.

There are no signatures signed on the instruments filed and certified by Debbie Conway and NOTICE it says "This Instrument was Certified by Debbie Conway and filed into the Recorders office of Deeds. The INITIALS or abbreviations typed next to the words RECORDED BY with no name or identity but LETTERS ONLY!

The very fact that Richard S. Ehlers aka Kirk Ehlers identified by the BAR in Nevada states fraud by his actions and the conflicts continue. There are several liens filed against Aldridge Pite Haan llp aka Aldridge Pite llp in three States Nevada Utah and California for he operated therein all three states and filed multiple complaints against the made up names Monica Renee Hall and again Monica Rene Hall Army Reserves private none of which are tied to the property.

The History of the property and the house behind 8237 Fawn Brook Ct Las Vegas Nevada - The home behind the petitioners property was a drug infested home were drug addicts would appear all types of hours during the day or night and buy purchase drugs it took the former HOA present whom lives next door three years to remove this guy and the activities going on.

Just as the ended this began and people would appear trying to break into the home claiming that the owner gave them permission to rent a room in the abode. This went on for months beginning in October 2019. The man tried to enter the property using the key pad code while the petitioner screamed at him whom he ignored until the owners called the sheriff and got armed to defend themselves. The man claimed he was at the wrong house while the woman with him was arrested for some warrants.

## EXHIBIT D - CONFLICTS & FAVOR WITH THE DISTRICT ATTORNEYS OFFICE

By: CATHERINE JORGENSON CIVIL DIVISION State Bar No. 001565 D.B.A. Deputy District Attorney State Bar No. 006700 500 South Grand Central Pkwy., Suite 5075 Las Vegas, Nevada 89155-2215 Telephone (702) 455-4761 Fax: (702) 382-5178 E-Mail: catherine.Jorgenson@ClarkCountyDA.com She claimed she was "Attorneys for Respondent Clark County" while they Clark County was not in the claim or complaint.

A "bar number" ***is essentially considered a license number*** as it refers to the unique identification number given to a lawyer upon being admitted to practice law in a particular jurisdiction, essentially signifying their legal license to practice law in that state; it's often synonymous with their "law license number.". So this title or position is questionable because this lawyer title is not natural or in NATURE in any way.

Attorneys for Respondent Clark County? Where is Debbie Conway? Clark County whom are not the respondent nor the defendant in this matter or claim as such is in conflict of interest with deep state fraud.

The woman herein Debbie Conway used her power influence and connections to get herself out of the mess she placed herself in. So CATHERINE Deputy District Attorney State Bar No. 006700 steps in making intimidating threats within the documents she wrote claiming that there Petitioner FAILED TO STATE A CLAIM and FAILED TO PROVIDE A WAY FOR THE Petitioners to receive payment for injuries caused by Debbie Conway as stated by herself on the documents she certified.

## EXHIBIT E - HABEUS CORPUS FAILED DUE PROCESS CONFLICT OF INTEREST DEEP STATE CONFLICTS & FAVOR WITH THE DISTRICT ATTORNEYS OFFICE AUTOMATIC FAVOR WITH JUDGES

STEVEN B. WOLFSON District Attorney CIVIL DIVISION State Bar No. 001565 By: CATHERINE JORGENSON Deputy District Attorney
State Bar No. 006700 Falsely influenced the court Dept 27 that there was not Claim Stated as to Which liens were to be removed and the Complaint/Claim filed on the Docket clearly states ALL THE LIENS INCLUDING MORTGAGES UTILITIES etc,... ALL MEANS ALL THE CLAIM WAS STATED WELL AND CLEARLY!

On many occasions you can search the Court Dockets and see that there are many failed due processes by the Court itself and by the process servers. On one occasions a man appears at the home claiming there was a lawsuit filed against a woman in the San Diego California State Court but when the documents where presented caught on camera because the process server would not leave the papers at the home, for some one by the Name spelled in all capital letters MONICA "RENEE" HALL with a private cell phone number of the Trustee prince ra hotep el listed with two automobiles and license plates located in Texas and another in North Carolina.

ALL DOCUMENTS WAS REMOVED AND SIGNED BY STEVEN D. GREIRSON THE CLERK OF THE COURT AND SEALED STAMPED!

STEVEN B. WOLFSON District Attorney CIVIL DIVISION State Bar No. 001565 By: CATHERINE Deputy District Attorney State Bar No. 006700 "SUMMARY OF ARGUMENT" She said the "Petitioner has failed to state a claim upon which relief has been granted. Petitioner has not made any allegations that Respondent had a duty to remove documents from the county recorder's record. Instead, Petitioner's allegations focus on the persons who recorded the subject documents that she wants removed. Complaint p. 2, ¶¶ 2-4; p. 3, ¶¶ 7, 9, 11, 12; p. 4. ¶¶ 13, 16. Further, even if Petitioner had asserted a claim against Respondent, she has failed to join required parties, namely those persons who recorded the subject documents,
pursuant to NRCP 19. Lastly, Petitioner has failed to demonstrate that this action is being prosecuted in the name of the real party in interest as required by NRCP 17(a).

FAVOR AND DECEPTION WITH THE COURTS DEPT 27 - Relief was granted on or about April 11, 2022 when the Clerk of The Court Signed the "Notice of Court Order" Release of ALL once again ALL Liens Instruments Mortgages Utilities etc,.. and other relief to damages that could have been prevented by recording the documents on the proper forms as presented by multiple people to the Clark County Recorder, Debbie Conway acting outside of her scope of office refused the documents to have been recorded allowing the circus to have its way with the attorney Richard Ehlers aka.... From law firm Aldridge Pite llp aka Aldridge Pite Haan llp to file multiple lawsuits against the made up persons and entities named MONICA RENEE HALL and MONICA

RENE HALL ARMY RESERVES OFFICER PRIVATE whom doesn't exist with the Jurisdiction of Nevada She actually is stationed and lives on the EAST COAST!

NOTICE THE "STEVEN B. WOLFSON District Attorney CIVIL DIVISION State Bar No. 001565 By: CATHERINE JORGENSON Deputy District Attorney State Bar No. 006700 IN THEIR LEGAL STANDARD FOR MOTION TO DISMISS" Added words and statements, twisted statements and reworded them all the while the statements in the claim made are clear on the Complaint/Claim.

Mis information and falsified dates. The woman princess emilily hotep el appeared at the closing on June 22, 2018 and was in Jamaica on June 26, 2018. So someone else signed the documents. As to who it is clear that during the three to four month employment Richard Samuel Kirk Ehlers while employed with Fidelity National Title created and forged new documents and electronically filed them with help and approval from Debbie Conway being outside her scope of official duty. You can see these facts on linkedin.com where his resume and bio stands or we can send you copies printed four years ago. The illegal use of propaganda and misinformation along with a well funded COP's Program caused more injuries and damages but the threat from the attorney Richard Ehlers makes it all clear and the whispers therein the State of Nevada caused by the woman Debbie Conway as to say the people are using Aka names doing illegal things and this is why the insurance company State Farm claims that the damages and injuries were caused by the Municipality or Government agency.

The woman Debbie Conway and attorney from Aldridge Pite Haan LLP and others made contacts with the Insurance company claiming that the man and woman were somehow squatting in their own home. This was brought to the attention of State Farm Luke Piateck and Christina Pool whom claimed things like you were at fault or the State was at fault not covering the riot and mob portion of the policy. They said during their investigation the fault was with the homeowners being 20 years with State Farm for two properties as well denying coverages for all policies saying that the el family was somehow at fault and the fault doesn't fall on State Farm the Insurer. Which no one said the fault was with State Farm it was clearly laid out in the documents from the Common Law Court and the Consular Court for indigenous abnormal people. Not limited to the State Federal and Justice Courts in California and Nevada.

Evidence photos videos audio recordings made public to the State Farms employees whom act as if they did not listen to or watch or look at the photos or videos claiming that the fault was that of the State of Nevada municipality and not the mob of people acting like such but on their own actins outside of their scope of duty as many others where neighbors surrounding the house on May 10, 2023 May 17, 2023 May 30, 2023 and again June 6th, 2023. To ensure that the petitioners the El family wouldn't return. No warrant was provided at anytime with the names of the petitioners thereon the documents just a letter saying call Tom from Aldridge Pite LLP whom never answered his phone for 30 days and thereafter. Shortly after Jim Hastings LTD and others said they are now in charge and the bank and Tom was relieved from his job.

## EXHIBIT F - CONFLICTS & FAVOR WITH THE DISTRICT ATTORNEYS OFFICE "THE REAL PARTY IN INTEREST IS THE MONICA RENE HALL ESTATE TRUST BT A FOREIGN BUSINESS TRUST FILED WITHIN THE EIGHTH JUDICIAL DISTRICT COURTS JUSTICE COURT AND THE 9th COURT OF APPEAL"

STEVEN B. WOLFSON District Attorney CIVIL DIVISION State Bar No. 001565 By: CATHERINE JORGENSON Deputy District Attorney State Bar No. 006700 LEGAL STANDARD FOR MOTION TO DISMISS In reviewing a motion to dismiss, the Court "accepts the plaintiff's factual allegations as true," and "every reasonable inference is drawn in the plaintiff's favor." Munda v. Summerlin Life & Health Ins. Co., 127 Nev. 918, 923 (2011).

THE COURT FAILED ITS DUTY BY SHOWING FAVOR TO CO WORKERS ACTING OUTSIDE OF THEIR DUTIES! The evidence shows by the Trust alone or THE MONICA RENE HALL ESTATE TRUST and the COURT CASES showing the name correction nobility and appellation that the ALL CAPS changed caption and the representation for only the County Clerk Office is the evidence. By refusing to record the Removal of all liens the Estate Trust and the Lis Pendens the woman Debbie Conway made it clear she had some bad intentions for the property the same actions taken in California by the same law firm ALDRIDGE PITE LLP AKA ALDRIDGE PITE HAAN LLP ignoring the FHA/HUD FannieMae letters whom stated clearly that the property of the MONICA RENE HALL ESTATE TRUST remains in the Trust and the break of chain of title and adding new documents was researched by the FHA making their point mute but with favor from the Courts in Nevada and California they proceed to injure the family forcing them out of their homes to homelessness.

Taking their property inside the homes and managing 30 to 40% of the property including security cameras video equipment and theft of personal property including jewelry watches rings clothing ministry papers National flags studio recording and film equipment fur coats hats boots shoes papers check books credit and debit cards social security cards Nativity and birth certificates, etc,....

Now keep in mind they the Court would be as deceptive stating that the El prince or princess are not a party to the matter but when you look at the original contracts updated by the company or original lenders the names are as such.

STEVEN B. WOLFSON District Attorney CIVIL DIVISION State Bar No. 001565 By: CATHERINE JORGENSON Deputy District Attorney State Bar No. 006700 LEGAL STANDARD FOR MOTION TO DISMISS ALSO FALSIFIED STATEMENTS SUCH AS "[T]he court may take into account matters of public record, orders, items present in the record of the case, and any exhibits attached to the complaint when ruling on a motion to dismiss for failure to state a claim upon which relief can be granted." Breliant v. Preferred Equities Corp., 109 Nev. 842, 847 (1993).

She said "A "dismissal is valid only if it appears beyond a doubt that the plaintiff could prove no set of facts entitling him or her to relief." Knittle v. Progressive Cas. Ins. Co., 112 Nev. 8 (1996). IV. JUDICIAL NOTICE OF PUBLIC RECORDS The Complaint seeks the "removal of INSTRUMENT NUMBER 20210527-0001754 & ALL OTHERS . . . from the property" identified as APN 125-21-311-121. Complaint at 1, ll. 28, 29. The Complaint also specifically references Instrument Nos. 20190103-0002362 and 20190311-0001520. Complaint at 3, ¶ 12. Because it is not clear which documents S:\LIT\G-I\Hotep El, Princess Emilily\Pleadings\Motion to Dismiss.docx 2 of 61

Petitioner seeks to have removed, attached to this Motion are nine documents beginning with the deed to Monica Rene Hall recorded on June 26, 2018. These documents are all the documents that have been recorded against APN 125-21-311-121 from June 26, 2018 through September 20, 2022.

While this is all false and a farce fictional at best, the woman named princess emilily hotep el never signed any documents "That which is written on the documents states ALL RIGHTS RESERVED and no nature or sig nature was signed by the woman alleged to be MONICA RENE HALL, she was made up by the woman Debbie Conway and now realizing the attorney Richard Ehlers created by the two of them fictitious and fictional persons to bring law suits against property and place them in the LAWYERS OWNED TITLE COMPANIES this could only be done when the woman Debbie Conway acted badly outside her scope of official duties being the women and not the County or State therein Nevada! This is very clear and the words used to lie and re-create the words written therein the Complaint/Claim and who was doing the speaking

**IT IS ALL CLEAR and the CLAIM WAS STATED accurately and clearly!**

The information used against the petitioners was to destroy their lives and livelyhood businesses and Indigenous People Federal Credit Union Cryptocurrency clothing lines and other businesses ministries.

Nothing within any of the dockets show any proof to such negativity. In fact the very actions and or acts were created and badly acted out to make it appear that someone was in danger who? We are not sure but the illusion of danger to be alleged from the petitioners was presumed and assumed on the parts of the community whom for the past year day and night would walk around the house of the petitions screaming absurdities and slanders, one elderly man while walking past the home received a phone call and said I am walking past Sodam Husanes brother or cousins house! Really!!!! The woman Debbie Conway did not want her position and power to go away so she went all out including and adding companies that was never filed on the Clark County Recorders office within the history of the petitioners home. In fact all the filings as of 2021 are newly created fluffed and made up. None of which took responsibility and responded to the notices served unto them all as the all acquiesced and said nothing in return but the Debbie Conway devised this plan to rid the petitioners out of the State of Nevada keeping her in power.

**EXHIBIT G - ACTS IN RETALIATION TORT OUTSIDE OF OFFICIAL CAPACITY**

According to the Notices Orders and Judgements signed by many officials in Nevada and California the owner of the property is the MONICA RENE HALL ESTATE TRUST beneficiary is princess emilily hotep el Cc Nevada News for public records and filings Cc Los Angeles Times for public records and filings Cc Nevada Eighth Judicial District Court filings Cc Nevada Federal Court filings Cc Clark County Assessors online filings and records as well Cc Clark County Recorders offices all saying "MONICA RENE HALL ESTATE TRUST".

It is simply recorded and notice is given within the State and the County but they saw fit to injure and cause damages outside the scope of of their offices making them loss of qualified immunity for the duties of the District attorney criminal or civil is to represent the State or County and not a man or woman unless its the People or Public being damaged or injured.

*As the beneficiaries do not participate in politics political sciences and other community events they have been targeted by the program COPS community on patrol and such was posted on the Neighborhood App slandering the petitioners as well the BOD for the HOA and their family children included would target the home and cars of the the petitioners but no one would do anything sherrif was called the constable was given and paid to serve process and 90% of the time did so but failed to serve the attorney and the woman Debbie Conway April 2023 claiming that they wouldn't be served in person but someone would make a Zoom call for process of service!*

*For the first three years of employment the woman remained exempt until November 4, 2021.* Now keep in mind for two years someone somehow was able to contact a former employer and demand federal taxes on an exempt woman Moorish American claiming she was somehow not exempt but during the United States Tax Court case and after many calls made to the IRS no one can find where the $104,000.00 taken from her check went!

Also calling them Muslims and creating a dichotomy and crazy scare amongst the neighbors as if the petitioners were some kind of threat to their safety and value of property so people reacted by surrounding the home several time while the family petitioners were out of town so a gate and fence was placed upon the property.

## EXHIBIT H - MALICIOUS INTENT AND ACTS IN RETALIATION TORT OUTSIDE OF OFFICIAL CAPACITY

Due to the actions taken by the woman Debbie Conway whom created this dichotomy by her own creations actions well outside of her scope of office as the Recorder as stated on the documents she signed and entered into blockchain on record with the Clark County Recorders office. As to her conflict of interest she has no immunity. There are liens field in the Secretary of State for Nevada ever since June 2022 based upon her actions. She has retaliated and used her seat to injure and damage families businesses properties and the community. She is not fit for the position and she is never present at the office or location. As when the Trustees Beneficiaries and Process Servers attempted to make contact with her for the past [7] years Debbie Conway she couldn't be seen even by appointment or at the local offices. She clearly makes her office at her abode home or domicile. The liens are clear as to her actions personally and should be held responsible for all injuries including death threats. Loss of Qualified Immunity. The Nevada Supreme Court ruled that qualified immunity is not a valid defense against lawsuits filed against state employees. This makes Nevada the fourth state to ban qualified immunity in state court. Explanation Qualified immunity is a legal principle that protects government employees from being sued unless they violate "clearly established" rights.

The ruling in Nevada helps ensure that government officials are held accountable for their misconduct. This ruling allows plaintiffs to win damages when government officials violate the state constitution. This ruling allows Nevada residents to sue state employees in state court to hold them accountable for their behavior. As such is to why the Courts including Dept 27 Eighth Judicial District Court of Nevada made it difficult to go after her personally allowing the District Attorney's office to chime in 120 on behalf of The Clark County Recorder Office but not the woman mentioned named Debbie Conway in their opening documents September 2022. During the time on vacation and during the Malay on May 10, 2023 for 30 days men would break into the home and attempt to plant items around the home until they noticed the cameras then went back into the home witnessed by several neighbors front and back that they entered the back sliding doors broke them and went into the petitioners home with flashlights at 11pm.

**MALICIOUS INTENT** - The lawfirm Aldridge Pite Haan LLP also owners and partners with several Title Companies in Nevada California and Utah have liens filed against them for identity theft forgery fraud harassment trespassing etc,.. Yes, if a lawyer files a claim solely to retaliate against lien holders who have filed liens against them, this could be considered an abuse of the legal process and potentially violate the principles of due process, which could be seen as unconstitutional depending on the specific circumstances and jurisdiction. Malicious intent: Filing a claim with the primary motive of retaliation, rather than a legitimate legal dispute, indicates malicious intent which can be problematic legally. **First Amendment concerns:**While not directly related to the First Amendment, using the legal system to suppress criticism or retaliate against

someone exercising their right to file a lien could raise concerns about freedom of speech in certain situations. Abuse of process: Most jurisdictions have laws against "abuse of process," which means using legal procedures in a way that is intended to harass or oppress someone, even if the claims themselves are technically valid.

**ABUSE OF PROCESS** - Abuse of process is the intentional misuse of the legal system to harm another person or company. It can occur in both California and Nevada. California A violation of California Penal Code Section 115 is a felony. Penalties include jail or prison time and fines. Examples include filing frivolous claims or motions to harass the opposing party. The court may strike out pleadings or stay further proceedings. Nevada Penalties include jail time, fines, and restitution. The Attorney General may bring a civil action to recover penalties.

The Attorneys of Aldridge Pite Haan aka Aldridge Pite llp brought multiple suits without basis to coerce a settlement or negotiation or to have the liens removed silently by harassing slandering and creating charters like in a movie that have nothing to do with the private estate and property held at 8237 Fawn Brook Ct Nevada and 4203 Norval Ave California. The lawyers lied made up a defendant making it appear to be the people within these properties but when you look closely the persons being sued lived on the east coast and serves in the Army Reserves with property in Texas and the Carolinas. The multiple suits were brought solely to harass or coerce and to retaliate on behalf of liens filed against them and their clients. Abuse of process is an intentional tort, which is an act that causes harm to others.

**TORT** - Malicious prosecution is a tort in Nevada that occurs when someone is intentionally and without probable cause accused of a crime they didn't commit. It can be charged as a felony or a misdemeanor. Elements of malicious prosecution Malicious intent Lack of probable cause Causing or attempting to cause an innocent person to be arrested or prosecuted Penalties For a felony, the penalty is 1–4 years in state prison and up to $5,000 in fines For a misdemeanor, the penalty is up to 6 months in jail and up to $1,000 in fines. The El family the Estate was never included was forced and removed from their property held within a trust and their personal property business property Credit Union etc,.. was held making it appear to be a government or municipality seizure when it was TORT. They wanted to send a harsh and embarrassing message to prevent the El family their legal team from going after the funds for the claims made. All liens filed and claims made are undisputed and never have been challenged and or challenged properly in a Court of Law. The Lawyer like Ehlers with multiple first names would appear with a different first name same last name on three or more claims.

**A WOMAN AND A ARMY RESERVES OFFICER NAMED IN THE COMPLAINT AS OWNER OF THE PROPERTY** WHICH IS IDENTITY THEFT ON A PRIVATE OFFICIAL ARY OFFICER. The attorney Richard Ehlers created this identity theft by way of his employment with the Title Company and relations thereto ownership of another title company. This woman's private identity was certified recorded as being foreclosed upon therein the Clark County Recorders office.

## EXHIBIT I - QUALIFIED IMMUNITY DOESN'T EXHIST IN THE STATE OF NEVADA

Nevada does not have qualified immunity. - Nevada does not allow qualified immunity as a defense in state court for police officers. This means that government employees can be held liable for injuries or property damage caused while performing their duties if they act in bad faith or unreasonably.

Loss of Qualified Immunity - In January 2023, the Nevada Supreme Court ruled that qualified immunity is not a valid defense against lawsuits filed against state employees.

This makes Nevada the fourth state to ban qualified immunity in state court. Explanation Qualified immunity is a legal principle that protects government employees from being sued unless they violate "clearly established" rights. The ruling in Nevada helps ensure that government officials are held accountable for their misconduct.

What does this mean for Nevada residents? This ruling allows plaintiffs to win damages when government officials violate the state constitution. This ruling allows Nevada residents to sue state employees in state court to hold them accountable for their behavior. What happens at the federal level?

Qualified immunity remains valid law in the federal civil court system. Other ways to reform qualified immunity: State constitutional amendments can be proposed to bar qualified immunity.
Courts can be used to challenge qualified immunity.

Today, four states—Colorado, Montana, Nevada, and New Mexico—have completely banned police officers from using qualified immunity as a defense in state court.

People acted on the behalf of the COP community on patrol program DEI funded and once they saw that no one and I mean no one would do anything because everyone including people holding office was ok with what was happening to the petitioners due to the slander defamation and liable words used to create this illusion that the petitioners were somehow a threat to the community and surround neighbors.

People along with their children would speak so evil and wicked calming that the family was nothing but poor N word trying to live amongst them. While most in the neighborhood are renters at the time or at least on the block north and south. So the woman Debbie Conway made it her business to bring everyone together to attack the petitioners and remove them from their home and steal from them taking gold and silver coins debit cards check books bank account information and other forms of identification documents now the petitioners receive calls from Ohio and Indianapolis claiming they have property that needs attention.

**THE NATURE OF LAWYER-CRAFT IN AMERICA AS PER THE UNITED STATES SUPREME COURT;**

**The practice of Law CAN NOT be licensed by any state/State ( Schware v. Board of Examiners, 353 U.S. 238, 239 )** The practice of Law is AN OCCUPATION OF COMMON RIGHT! ( Sims v. Aherns, 271 S.W. 720 (1925)) The "CERTIFICATE" from the State Supreme Court: ONLY authorizes, To practice Law "IN COURTS" As a member of the STATE JUDICIAL BRANCH OF GOVERNMENT. Can ONLY represent WARDS OF THE COURT, INFANTS, PERSONS OF UNSOUND MIND (SEE CORPUS JURIS SECUNDUM, VOLUME 7, SECTION 4.)

**"CERTIFICATE" IS NOT A LICENSE to practice Law AS AN OCCUPATION**, nor to DO BUSINESS AS A LAW FIRM!!! The "STATE BAR" CARD IS NOT A LICENSE!!! It is a "UNION DUES CARD". The "BAR" is a "PROFESSIONAL ASSOCIATION."

1. Like the Actors Union, Painters Union, etc. 2. No other association, EVEN DOCTORS, issue their own license. ALL ARE ISSUED BY THE STATE. 3. It is a NON-GOVERNMENTAL PRIVATE ASSOCIATION. The State Bar is; An Unconstitutional Monopoly. AN ILLEGAL & CRIMINAL ENTERPRISE; Violates Article 2, Section 1, Separation of Powers clause of the Constitution. There is NO POWER OR AUTHORITY for joining of Legislative, Judicial, or Executive within a state as the BAR is attempting. BAR members have invaded all branches of government and are attempting to control de jure government as agents of a foreign entity!

It is quite simple to see that a great fraud and conspiracy has been perpetrated on the people of America. The American Bar is an offshoot from London Lawyers' Guild and was established by people with invasive monopolistic goals in mind. In 1909 they incorporated this TRAITOROUS group in the state of Illinois and had the State Legislature (which was under the control of lawyers) pass an unconstitutional law that only members of this powerful union of lawyers, called the ABA, could practice law and hold all the key positions in law enforcement and the making of laws. At that time, Illinois became an outlaw state and for all practical purposes, they seceded from the United States of America.

The BAR ASSOCIATION then sent organizers to all the other states and explained to the lawyers there how much more profitable and secure it would be for them, as lawyers, to join this union and be protected by its bylaws and cannons. They issued to the lawyers in each state a charter from the Illinois organization. California joined in 1927 and a few reluctant states and their lawyers waited until the 1930's to join when the treasonous act became DE FACTO and the Citizen's became captives. Under this system, the lawyers could guarantee prejudged decisions for the privileged class against the lower class.

This was all made possible by the AMERICAN BAR ASSOCIATION to favor the right and have unlawfully substituted them in place of Constitutional Laws. The Constitution

was written in plain English and the Statutes passed by Congress were also in plain English, with the intent of Congress how each law should be used and not the opinions of various Judges as the codes list. Any normal person can read the Constitution and Statutes and understand them without any trouble.

The public in California was shocked to learn that the State Government has no control or jurisdiction over the Bar Association or its members. The state does not accredit the law schools or hold Bar examinations. They do not issue state licenses to LAWYERS. The Bar Association accredits all the law schools, holds their private examinations and selects the students they will accept in their organization and issues them so-called license but keeps the fees for themselves. The Bar is the only one that can punish or disbar a Lawyer. They also select the lawyers that they consider qualified for Judgeships and various other offices in the State. Only the Bar Association or their designated committees can remove any of these lawyers from public office. The State Legislature will not change this system as they are also a designated committee of the Bar.

On August 21, 1984, Rose Bird, Chief Justice of the California State Supreme Court, another of the Bar Associations Judicial Committee's, stated in essence that the Bar should determine the legality of all initiatives before they were allowed to go on the ballot. This is contrary to both State and Federal Constitutions, as well as the Laws of this Nation instituted By and For the People as a Sovereign UNITY of Independent States of We The People, not a fraudulent Corporate entity of Lawyers. This is a tremendous amount of power for a PRIVATE union that is incorporated and headquartered in Illinois to hold over the Citizens of California or any other state. The only recourse is through this initiative process and vote by the people.

After the Founding Fathers had formed the Constitution, outlining the laws as to the way our government was to be run, Thomas Jefferson said, in essence, "This proves that plain people, if given the chance, can enact laws and run a government as well as or better than royalty and the blue bloods of Europe."

The American people must stop thinking that lawyers are better than they are and can do a better job than they can before the courts of America. Under the Common Law and the Laws of America, no where is it expressly given for anyone to have the power or the right to form a Corporation. Corporations are given birth because of ignorance on the part of the American people and are operating under implied consent and power which they have usurped and otherwise stolen from the people. By RIGHT AND LAW THEY HAVE NO POWER, AUTHORITY OR JURISDICTION, and must be put out of business by the good Citizens of America in their fight for FREEDOM.

The U.S. Constitution GUARANTEES to every state in this union a REPUBLICAN FORM of government. Any other form of government is FORBIDDEN. No public officer or branch of government can be limited to a RULING CLASS of any kind, or the states become ARISTOCRACIES and NOT republics. Also, the lawyers have made themselves 1st Class Citizens, where many public offices and branches of government

are open to lawyers only. All other people are limited to only two branches of government and to only certain offices in those two branches of government, making all people who are non-lawyers into 2nd class subject citizens.

When the courts belong to the people, as the United States Constitution REQUIRES, (Article IV, Section 4, we the people, will NEVER rule against themselves.) In these Unconstitutional courts foreign tribunals (hoodlum centers), **"men" in black dresses, that are Unconstitutional ROBES OF NOBILITY.** (Article 1, Section 9 and 10) dispense a perverted ideology, where the people are terrorized by members of the BLACK ROBE CULT (lawyers and lawyer judges in the courtrooms).

The legislative branch of government does NOT have the Constitutional Power to issue Court Orders or any other kind of Orders to people, as a fiction court or a court/ corporation for profit and gain cannot reach parity with a lawful man. ONLY presidents and governors have the Constitutional Power to grant PARDONS, but lawyers and lawyer-judges are unconstitutionally granting PARDONS with "immunity from prosecution." Citizens are not permitted to act like people in the courts.

The Citizen (2nd class) is told that he does not know how to fill out fancy lawyer forms; that he is not trained in the law; that he does not know court rules and procedures; etc. This is Unconstitutional "lawyer system," only HEARSAY SUBSTITUTES (lawyers) NOT under oath, have access to the fiction/for profit and gain courts, even though ONLY sworn testimony and evidence can be presented in court.

Anything else is Bill of Attainder, NOT permitted under the U.S. Constitution (Article 1, Sections 9 and 10). The U.S. Constitution does NOT give anyone the right to a lawyer or the right to counsel, or the right to any other HEARSAY SUBSTITUTE. The 6th Amendment is very SPECIFIC, that the accused ONLY has the right to the ASSISTANCE of counsel and this ASSISTANCE of counsel CAN BE ANYONE THE ACCUSED CHOOSES WITHOUT LIMITATION.

**LAWYERS and LAWYER-JUDGES:** Created Unconstitutional "lawyer system" pre-trial "motions" and "Hearings" to have eternal EXTORTIONISTIC litigation's, which is BARRATRY and also is in violation of the U.S. Constitution, and Article 1, as this places defendants in DOUBLE JEOPARDY a hundred times over. Defendants only have a right to A TRIAL (singular), NOT TRIALS (plural.) When a criminal is freed on a TECHNICALITY, HE IS FREED BECAUSE OF A FIX and a PAY-OFF, as a defendant can only be freed if found innocent BY A JURY NOT BY ANY "TECHNICALITY." Whenever a lawyer is involved in a case directly or indirectly, as a litigant or assisting in counsel, ALL LAWYER-JUDGES HAVE TO DISQUALIFY THEMSELVES, AS THERE CANNOT BE A CONSTITUTIONAL TRIAL and also there would be a violation of the conflict of interest laws, along with the violation of separation of powers and checks and balances, because "OFFICERS" OF THE COURT ARE ON BOTH SIDES OF THE BENCH. These same LAWYER-JUDGES are awarding or approving LAWYER FEES, directly and indirectly, amounting to BILLIONS OF DOLLARS annually, all in violation of

conflict of interest laws. As long as there are lawyers, there will never be any law, constitution or justice. There will only be MOB RULE, RULE BY A MOB OF LAWYERS.

**CASE "LAW" IS UNCONSTITUTIONAL**: As CASE "LAW" IS ENACTED BY THE JUDICIAL BRANCH OF GOVERNMENT. When a lawyer-judge instructs, directs, or gives orders to a jury, the lawyer-judge is TAMPERING WITH THE JURY. He also tampers with testimony when he orders the answers to be either "Yes" or "No." The lawyer-judge also tampers, fixes, and rigs the trial when he orders anything stricken from the record, or when he "rules" certain evidence and the truth to be inadmissible. This makes the trial and transcript FIXED and RIGGED, because the jury does not hear the REAL TRUTH and ALL THE FACTS. Juries are made into puppets by the lawyers and lawyer-judges. All lawyers are automatically in the judicial branch of government, as they have the Unconstitutional TITLE OF NOBILITY (Article 1, Section 9 and 10), "Officer of the court." Citizens have to be elected or hired to be in any branch of government but non-lawyer Citizens are limited to only 2 of the 3 branches of government. Lawyers as 1st class citizens, can be hired or elected to any of the three branches of government. Lawyers, "Officers of the Court," in the Judicial Branch, are Unconstitutionally in 2 branches of government AT THE SAME TIME whenever they are hired or elected to the executive or legislative branches. This is a violation of the separation of powers, checks and balances, and the conflict of interest laws.

District attorneys and State's attorneys have taken over the Grand Juries FROM the people, where the people are DENIED ACCESS to the grand juries when they attempt to present evidence of crimes committed in the courtrooms by the lawyers and lawyer-judges. The U.S. Constitution, being the Supreme Fundamental Law, is not and CANNOT be ambiguous as to be interpreted, or it would be a worthless piece of paper and we would have millions of interpretations (Unconstitutional amendments) instead of the few we have now. That is why all judges and public servants are SWORN TO SUPPORT the U.S. Constitution, NOT interpret it. Under INTERNATIONAL ORDERS: ALL LAWYERS, whether they left law school yesterday or 50 years ago, are EXACTLY THE SAME. All lawyers have to file the same motions and follow the same procedures in using the same Unconstitutional "lawyer system". In probate, the lawyers place themselves in everyone's will and estate.

When there are minor children as heirs, the lawyer-judges appoint a lawyer (a child molesting Fagin) for EACH CHILD and, at times, the lawyer fees EXCEED the total amount of the estate. An OUTRAGEOUS amount of TAX "MONEY" is directly and indirectly STOLEN BY LAWYERS. Money that is budgeted to County Boards, School Boards and other local and federal agencies eventually finds its way into the pockets of lawyers, as ALL of these agencies are "TRICKED" and "FORCED" into ETERNAL EXTORTIONISTIC LITIGATION. The lawyers DBA unknown to which state their representing and the woman DBA as deputy District Attorney Director never made contact with the Registered Agent[s] therefore process service is void, nonetheless no one contacted the El family with services as to a hearing or a mediation there is no certificate proof of service!

## THE ESTATE TRUST AND THE INHABITANTS ARE NOT TENANTS NOR FEDERAL EMPLOYEES AND ARE NOT RESIDENTS OF NEVADA

The documents forged and proceeded and allowed jurisdiction within the State and County Courts carried out by individuals acting on their own accord. They made up people and placed them in the home claiming to be tenants. The woman named Monica Rene Hall a Army Reserves personnel was created out of thin air and the woman herself not related to the Estate Trust or the beneficiaries have been placed in Nevada while she is a resident in three different locations including Texas, North Carolina and Pennsylvania.

There were no need for tenant rights as the property as listed in the Clark County Assessors office is in a Trust The petitioners are not a renters, there is and never was an issue with landlords for there was no landlord. The petitioners were accused of being not only renters but squatters which is illegal in the State of Nevada.

The man and woman along with the property held within Estate Trust's are Moorish Americans free man and woman not subjects not attorneys nor pretending to be attorneys private Citizens bound to their Creator their Nationality Religion and their private livelihood. They are accused of being sovereign citizens, anti United States, anti Americans etc,.. accused of be muslims and N words. They were called in many complaints filed against them Negro African American or colored. In fact one person swore by process service that she served a 5'7 African American male about 300lbs when there was no one in the home that fits that description.

A woman named MONICA RENEE HALL was created within multiple complaints while the two different RENEE or RENE are one male the other female which is an incorrect spelling. Also the ALL CAPS signifies that the entity is a corporation and not a woman when this is fraud and false the actual account is an Estate Trust BT filed by notice in the Secretary of State in Nevada as well California.

The woman they created in all CAPS has an address multiple states whereas serving in the Army Reserves she lived or lives in three states North Carolina, Texas and Pennsylvania. This woman or Officer has nothing to do with the property.

HOA board members within a limited HOA has created multiple false claims and no reports as to the property never paid its cost for the HOA cost, they also falsified information claiming someone pulled a gun on them and also claims that someone threatened to shoot them when the home was empty.

Usage of slandering one identity to get others involve. The women DBA employees for the state falsely claimed that the state of Nevada was being sued when it was not. This was a private claims against the woman Debbie Conway whom was doing business as the County Recorder as stated on the MTD document entered into the court docket September 2022.

Deep State - *Which is a body of people, typically Influential members of government agencies or the military, believed to be involved in the secret manipulation or control of government policy.*"the deep state and its policy of allowing extremist ideologies to flourish may be the actual issues of concern" as the El family the petitioners witnessed as they were forced from their home then told they had 30 days to retrieve their belongings inside the home while being removed from their home!

*As the beneficiaries do not participate in politics political sciences and other community events they have been targeted by the program COPS community on patrol and such was posted on the Neighborhood App slandering the petitioners as well the BOD for the HOA and their family children included would target the home and cars of the the petitioners but no one would do anything sheriff was called the constable was given and paid to serve process and 90% of the time did so but failed to serve the attorney and the woman Debbie Conway April 2023 claiming that they wouldn't be served in person but someone would make a Zoom call for process of service!*

They are everywhere - City and State officials attempting to make their lives better by enslaving others and taking their property be it homes gold silver coins, cloths shoes boots business equipment, in las vegas alone in the year of 2021 break ins into recording studios was the new normal.

Their reach extends to but not limited to including moving companies, construction companies, property management companies all bad actors by the way, neighbors HOA board members, police men women, sheriff and Constable Judges Clerk of the Courts, Local Businesses such as Automobile repair shops, local markets employers such as United Health Care etc,.. and such the like, credit unions, Utilities companies, water and sewage Electric Utilities going as far as using AI to voice command events like upgrades on water systems pools including credit card and banks as all chimed in against the El family and said "They called us and warned us about you calling in complaining."

On May 10, 2023 12pm approximately four men appeared in something that looked like police sherif and constable uniforms none wearing badges or riot gear as well no body armor nor body cameras. They forced their way into the home saying "its time for you to leave" Two of the men were driving around the community for the past three months in sheriff trucks never stopping the family or petitioners but watching. Since January 1, 2021 people would appear at the house taking photos videos etc,.. some while the petitioners were at the abode asked who are you while many claimed to be property managers for multiple different companies and or corporations.

They would sit outside in their vehicles for hours some which were not manned or occupied but left with cameras inside filming and recording the every move of the petitioners. Drones were flown over the home once sometime twice each month to cause fear. Each 4th of July the fire works would be aimed at the home of the petitioners. Does that sound like a family behind on their mortgage or squatting or is that something else?

The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 3901 et seq, as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service. Service contact information can be found on the SCRA website's FAQ page (Q35) via this URL: https://scra.dmdc.osd.mil/scra/#/faqs. If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 3921(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

## More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d) (1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

## Coverage Under the SCRA is Broader in Some Cases

Coverage under the SCRA is broader in some cases and includes some categories of persons on active duty for purposes of the SCRA who would not be reported as on Active Duty under this certificate. SCRA protections are for Title 10 and Title 14 active duty records for all the Uniformed Services periods. Title 32 periods of Active Duty are not covered by SCRA, as defined in accordance with 10 USC § 101(d)(1).

Many times orders are amended to extend the period of active duty, which would extend SCRA protections. Persons seeking to rely on this website certification should check to make sure the orders on which SCRA protections are based have not been amended to extend the inclusive dates of service. Furthermore, some protections of the SCRA may extend to persons who have received orders to report for active duty or to be inducted, but who have not actually begun active duty or actually reported for induction. The Last Date on Active Duty entry is important because a number of protections of the SCRA extend beyond the last dates of active duty.

Those who could rely on this certificate are urged to seek qualified legal counsel to ensure that all rights guaranteed to Service members under the SCRA are protected

WARNING: This certificate was provided based on a last name, SSN/date of birth, and active duty status date provided by the requester. Providing erroneous information will cause an erroneous certificate to be provided.

**Nev. Rev. Stat. $ 104.9313** by way of the tender of payment the secured party of the assets and or Collateral is now the property of the claimant herein known as Envoy ;princess emilily hotep el therefore now NRS codes have been breached by claimant for the collateral is hers alone. As shown within their own contract they created a hidden trust to transfer title and debt.

Based upon the Contract[s] presented by the Respondents herein makes the liens filed by the Consul not the claimant and the State Department of MTTOI #13, upholds the States NRS codes for filing as it shows clearly within their own documents letters etc,...
The 4th Amendment and Article VI paragraph 2, we [Consul] shall provide two contracts created by Sunlight Financial and Cross River Bank to support the UCC liens filed within the next week. You can find one of the Contracts attached herein provided by Sunlight/Cross River Bank herein as well you can go online and find the Securities UCC agreement filed by Respondents starting with Securities agreement No 201901030002362 and the second No. 201903110001520.

The Claimant is the Secured party with the UCC 1 filings due to the tender of payment ownership of said property paid in full as to the Respondents harassing notions claiming a debt is still owed rather the State Dept[s] agencies and others have removed the Respondents as the lender and states paid in full with no credit history shown.

Claimants' name and title was corrected and or changed as with court orders and news publications, presented to the the attorney[s] and their clients known as the "Respondents" as such the law states clearly that due to a name change and notification of such keeps the contract in tact, as the Respondents were notified of all name title and appellation correction or changes. The contract was void as of the tender of payment rather Sunlight and the alleged lender as stated on the letter dated February 10, 2021 from account service stating a debt was still owed after tender of payment was rendered unto the Respondents, and shown the ex or F.n.a Monica top left corner of the Tender of Payment Coupon in the amount of $22,032.00.

Moreover there is no MONICA HALL ALL CAPS INCORPORATION is false, and where did you gain this assumption based upon law as to what a woman or a corporation are? As to that the law states as its within the UCC filings 18 U.S.code 1341 sub sec 1342 is clear illegal usage of fictitious name etc,.. please visit www.mld.nv.gov for information about public records.

**18 U.S. Code § 1341** - Frauds and swindles U.S. Code Whoever, having devised or intending to devise any scheme or artifice to defraud, or for obtaining money or property by means of false or fraudulent pretenses, representations, or promises, or to sell, dispose of, loan, exchange, alter, give away, distribute, supply, or furnish or procure for unlawful use any counterfeit or spurious coin, obligation, security, or other article, or anything represented to be or intimated or held out to be such counterfeit or spurious article, for the purpose of executing such scheme or artifice or attempting so to do, places in any post office or authorized depository for mail matter, any matter or thing whatever to be sent or delivered by the Postal Service, or deposits or causes to be deposited any matter or thing whatever to be sent or delivered by any private or commercial interstate carrier, or takes or receives therefrom, any such matter or thing, or knowingly causes to be delivered by mail or such carrier according to the direction thereon, or at the place at which it is directed to be delivered by the person to whom it is addressed, any such matter or thing, shall be fined under this title or imprisoned not more than 20 years, or both.

The UPS tracking number 1Z435F180136942375 UPS which is not a lawful certificate of proof of service, just a parcel delivery or package as stated by UPS itself... You failed to serve the proper parties as it's clear there is no **MONICA HALL ALL CAPS INCORPORATION**, as such does not exist and is not a man or woman so who are you attempting to serve the Trust or the fictitious name? **No such person nor Corporation exist what say ye?**

Please be advised we do not open mail that does not pertain to our title or appellation at our private mail box nor at the Domicile, for that would be considered mail fraud or mail theft...

More over - **18 U.S. Code § 1342** - Fictitious name or address U.S. Code Whoever, for the purpose of conducting, promoting, or carrying on by means of the Postal Service, any scheme or device mentioned in section 1341 of this title or any other unlawful business, uses or assumes, or requests to be addressed by, any fictitious, false, or assumed title, name, or address or name other than his own proper name, or takes or receives from any post office or authorized depository of mail matter, any letter, postal card, package, or other mail matter addressed to any such fictitious, false, or assumed title, name, or address, or name other than his own proper name, shall be fined under this title or imprisoned not more than five years, or both.

Cross River Bank and Sunlight were notified of the UCC 9bill lien on the name titles and private property of Princess Emilily Hotep El F.n.a. Monica Hall a non incorporated private Estate trust.

When the CEO[s] of both Sunlight and C.R.B. terminate their fraudulent records, filed in Clark County as of March 2019 and stop stalking and harassing **18 USCode 878** Envoy Aka ;princess emilily hotep el for the payment was lawful and legal please see the documents sent to you and your alleged clients as the Tender of Payment as such was also 1099c with said agency and filed with the US Treasury over one year ago to this date.

As to your letter starting with number 1. page 2 Envoy ;princess emilily hotep el F.n.a. Monica Hall, who has provided your alleged clients with proof of title name and appellation change by three different court records including NV. She has every right to field recorded with the county as CRB has done, as you stated in your letter there is no security agreement but you might wanna see the recorded security agreement and check with the Secretary of state for the do not detain filed with five State of NV Dept[s] showing the Title name and appellation correction within the NV court.

**18 USCode 1101 (11)** - The term "diplomatic visa" means a nonimmigrant visa bearing that title and issued to a nonimmigrant in accordance with such regulations as the Secretary of State may prescribe. (12) The term "doctrine" includes, but is not limited too, policies, practices, purposes, aims, or procedures. As to your second fraudulent statement within page 2 As such your alleged clients have made the corrections within her file changing and correcting from Monica Hall to current title name and appellation thereto Envoy ;princess emilily hotep el and you have placed such as your alleged client has done on record via emails and mail or UPS parcel deliveries.

That is a contract and you are an attorney you should know that the acknowledgement and correction during the mailing and proof of service between both parties signifies agreement to terms therein and thus is a contract or security instrument as stated within your letter via the UCC filings with NV State Dept. Your client agreed and accepted the terms within the security agreement along with the exhibits and affidavits as such is binding in any court of law.

So we gladly accept your threats to file a lawsuit against a fictitious title called MONICA HALL ALL CAPS INCORPORATION for that doesn't exist, nor is it a person close to Envoy ;princess emilily hotep el former name over 2-5 years ago. We accept the offer of you taking us to court and that you must be assured that the Envoy of Moorish descent is not a US Citizen Cc: 8 USCode 1101 [11] AS YOUR CLIENTS AND YOU WERE PRESENTED WITH ENVOY ;PRINCESS EMILILY HOTEP EL DIPLOMATIC VISA [ENVOY] Please see 8 USCode [A] [1] * USCODE [A][5]

The Moslem Theocratic Temple is the Consulate Court presented the CEO[s] Sunlight Financial and Cross River Bank an opportunity to proceed in a court venue, they defaulted. Envoy ;princess emilily hotep el is not a corporation is a Consular officer of said state

department and or agency whereas the filings of the UCC states clearly please See 8 US CODE 1101(9).

**8 US CODE 1101(9)** The term "consular officer" means any consular, diplomatic, or other officer or employee of the United States designated under regulations prescribed under authority contained in this chapter, for the purpose of issuing immigrant or nonimmigrant visas or, when used in subchapter III, for the purpose of adjudicating nationality.

**8 U.S. Code § 878 -** Threats and extortion against foreign officials, official guests, or internationally protected persons (a) Whoever knowingly and willfully threatens to violate section 112, 1116, or 1201 shall be fined under this title or imprisoned not more than five years, or both, except that imprisonment for a threatened assault shall not exceed three years. (b) Whoever in connection with any violation of subsection (a) or actual violation of section 112, 1116, or 1201 makes any extortionate demand shall be fined under this title or imprisoned not more than twenty years, or both. (c) For the purpose of this section "foreign official", "internationally protected person", "national of the United States", and "official guest" shall have the same meanings as those provided in section 1116(a) of this title.

As you have used according to **NRS 205.570, NRS 205,910** stalking hacking fishing etc,... in the attempt to track down said Claimant and to watch to make attempts to serve as to the timing of the dated letters sent via UPS and not the USPO photos of vehicles where taken as they sat and watched outside of the domicile. Also see NRS 205.530, NRS 205.050 Possession of instrument with theft intent making alterations or repair of instrument for committing offenses penalty.

Your alleged clients intent is to make a theft move by attempting to remove the liens UCCs etc,... filed against you in friendship contract to make an attempt to trespass the property privately owned and make theft of the solar equipment paid in full. That is clear. Also knowing this was documented and filed with the State Department[s] including NV please go to this website to see public records filed with Envoy Aka Diplomat ;princess emilily hotep el.

We also take note of the google of said names herein involved as the consular or consul on behalf of claimant none other than prince ra el. It is clear who has been doing said acts within the jurisdiction of NV as you have exposed yourself with these acts and now this letter via UPS which is not a lawful legal proof of service.

Please Cc; not obtained by respondents **NRS 205.0827, NRS 205.0832, [a] [b]** etc,... NRS 205.0832 Actions which constitute theft.

**Nevada Revised Statutes 41.515; NRS 41.515**

*Nevada Revised Statutes 41.515 is the Nevada civil trespassing law.[2] Nevada law 41.515 defines a trespasser as a person who enters or remains on any land owned, leased, or occupied by another person without the other person's express or implied consent.*
In addition, Nevada Revised Statutes 41.515 clarifies that a property owner has no duty to a trespasser or liability for failure to exercise reasonable care to prevent dangerous conditions for trespassers. If a person commits civil trespass, they may be civilly liable for damages to the property owner. **Trespassing in Nevada is entering onto someone's property with an intent**

**to vex or annoy the owner or refusing to depart after having been given a lawful order to depart. Trespassing requires an element of intent because the offender must either want to offend or injure the peace of the lawful occupant, or they must refuse to leave the property after the owner tells them to leave.** Trespassing in Nevada is both a criminal and civil law violation that protects the right of a property owner to solely use and enjoy their property. **Trespassing is both a civil and criminal offense.** A person who is accused of trespassing may face both civil allegations and criminal charges. The state decides whether to charge the offender with a crime. However, the landowner or lawful occupant may bring a civil claim regardless of whether or not there are criminal charges. While trespassing may be both a civil and criminal offense, the requirement to prove each one is slightly different.

Nevada Civil Trespass Nevada civil trespass laws provide a legal remedy for a property owner when a trespass occurs. When trespass occurs, the property owner may bring a civil claim to enforce their rights. Nevada civil trespass laws allow for nominal damages, compensatory damages, and even punitive damages if the offender commits trespass with rudeness, recklessness, aggravation, or gross negligence.

**Nevada Elements of Civil Trespass The Nevada elements of civil trespass are:** A person invades the property of another The invasion is intentional; it doesn't happen accidentally It causes the damages that result The victim suffers damages or harm Even if there are no monetary damages that result from the trespass, the property owner may claim nominal damages. Nominal damages provide a remedy for a legal wrong even when there are no specific damages. The Nevada elements of civil trespass are what the victim has to prove to win a civil claim for trespass. Legal Duties to a Trespasser in Nevada In general, a property owner has no legal duty for the safety of a trespasser. A property owner does not have to take steps to prevent or remedy dangerous conditions that may injure a trespasser. However, a property owner is liable for willful and wanton harm to a trespasser. They are also liable if they discover a trespasser and then fail to take reasonable steps to prevent harm.

**Claimant wants to press charges for trespassing.** *There are two ways to press charges for trespassing. First, you can call the police and ask them to bring criminal charges against the offender. The police evaluate whether the person violated criminal law.*

The state also handles the prosecution. In addition to criminal charges, you also have the choice to pursue civil trespassing charges. You can press civil charges for trespassing on your own with the help of a civil attorney.

**Nevada Trespass Warning - A Nevada trespass warning may take several forms. Under Nevada law 207.200, Nevada law allows a few different ways to provide a no trespassing notice.** Nevada law 207.200 states the ways that a property owner may post notice. Depending on whether the land is agricultural or not, a person may post a warning in fluorescent orange every 1,000 feet or 200 feet. In addition, fencing that creates a sufficient barrier to indicate the intent to exclude can also count as an adequate warning. Finally, an oral or written demand to stay off the property is also sufficient as a Nevada trespass warning.

Lawful money" is a term used in the Federal Reserve Act, the act that authorizes the Board of Governors of the Federal Reserve System to issue Federal Reserve notes. The Act states that Federal Reserve notes "shall be obligations of the United States and shall be receivable by all national and member banks and Federal reserve banks and for all taxes, customs, and other public dues. They shall be redeemed in lawful money on demand at the Treasury Department of the United States, in the city of Washington, District of Columbia, or at any Federal Reserve bank." The Act did not, however, define the term "lawful money," but up until 1913, the only currency issued by the United States that was legally recognized as "lawful money" was various issues of "demand notes" (subsequently known as "old demand notes") and "United States notes" authorized by Congress during the Civil War.

At the time, some currency was not considered legal tender, although it could be used by national banking associations as "lawful money reserves." Thus, the term "lawful money" had a broader meaning than the term "legal tender."

**In 1933, Congress changed the law so that all U.S. coins and currency (including Federal Reserve notes), signifying a denomination with the $ one or two bars,** regardless of when issued, constitutes "legal tender" for all purposes. Federal and state courts since then have repeatedly held that Federal Reserve notes are also "lawful money." Milam v. U.S., 524 F.2d 629 (9th Cir. 1974), is typical of the federal and state court cases holding that Federal Reserve notes are "lawful money." In Milam, the United States Court of Appeals for the Ninth Circuit reviewed a judgment denying relief to an individual who sought to redeem a $50 Federal Reserve Bank Note in "lawful money." The United States tendered Milam $50 in Federal Reserve notes, but Milam refused the notes, asserting that "lawful money" must be gold or silver. The Ninth Circuit, noting that this matter had been put to rest by the U.S. Supreme Court nearly a century before in the Legal Tender Cases (Juilliard v. Greenman), 110 U.S. 421 (1884), rejected this assertion as frivolous and affirmed the judgment.

This is the copy of view of the contract between Princess Emilily Hotep El F.n.a. Monica Hall a non incorporated Private Estate Trust.

Herein are the letter[s] from Unton Andrews Kurth Aliza Pescovitz Malouf and her assistant claiming there is a debt owed after the Tender of Payment and new contract based upon the Act 0f 1933 and 1934. Herein the attorney claims that they are making changes to the former name as to the current title and appellation creating a new agreement by law a name/entity type change doesn't mean a contract is void.

Herein the contract princess emilily hotep el made payments and then requested a payoff demand once received the payoff was final when the tender of payment was submitted even if the tender of payment was rejected § 3-603. TENDER OF PAYMENT.

(a) If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument, the effect of tender is governed by principles of law applicable to tender of payment under a simple contract.

(b) If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument and the tender is refused, there is discharge, to the extent of the

amount of the tender, of the obligation of an indorser or accommodation party having a right of recourse with respect to the obligation to which the tender relates.

(c) If tender of payment of an amount due on an instrument is made to a person entitled to enforce the instrument, the obligation of the obligor to pay interest after the due date on the amount tendered is discharged. If presentment is required with respect to an instrument and the obligor is able and ready to pay on the due date at every place of payment stated in the instrument, the obligor is deemed to have made a tender of payment on the due date to the person entitled to enforce the instrument.

Hunton Andrews Kurth attorney Aliza Pescovitz Malouf continued pursuing the alleged debt after it was tendered in full. The Tender of Payment states by law, once the TOP is offered it is a new contract. BY USE OF THE NOTICE OF" INTENTIONS:" The above United States government obligations is hereby accepted and acknowledged and I do assign and pledge the total value of the obligation to the United States of America through the United States Department of the Treasury to be redeemed for value and receivable at the Federal Reserve, the Federal Reserve Bank, and/or any member bank and/or national Association as prescribed by statute (the act of March 9, 1933; the act of May 12, 1933; 12 USC 411; 18 USC 8; and the intentions of the United States Congress concerning THE CURRENT SERIOUS NATIONAL EMERGENCY).

Respondents Attorney repeatedly replied after her client stated the same statement that they are not liable to the Federal Government nor to the rules laws of the Feds for banking includings the S.E.C., and this is far from the truth for they file forms 8K with the SEC and a claim was filed with the FTC. The law is clear that the tender of payment is for all banks, State or National Banks doing business within the political jurisdiction of the United States of America.

"The ownership of all property is in the state by virtue of the government" "Under the new law government obligations, bills of exchange, drafts, notes, trade acceptances, and bankers acceptances, because it is backed by the credit of the nation. It will represent a mortgage on all the homes, and other property of all the people of the nation." The said notes shall be obligations of the United States and shall be receivable by all national and member banks and Federal reserve banks and for all, and other public dues. They shall be redeemed at the Treasury Department of the United States, in the city of Washington, District of Columbia, or at any Federal Reserve bank. 12 U.S. Code § 411 - Issuance to reserve banks; nature of obligation; redemption - (Dec. 23, 1913, ch. 6, § 16 (par.), 38 Stat. 265; Jan. 30, 1934, ch. 6, § 2(b)(1), 48 Stat. 337; Aug. 23, 1935, ch. 614, title II, § 203(a), 49 Stat. 704.) GOVERNMENT OBLIGATION's REMITTANCE COUPON Pay and Pledged to the Order ofWithout recourse." The holder will then deliver the endorsed note, to the Director, Finance Office. (ii) On receipt of the endorsed note the Director, Finance Office, will acknowledge receipt of the note and process payment to the assignor of the par value of the note as of the date of the Treasury check.

As such the Respondents Cross River and Sunlight as joined UCC 1 and UCC 3 have continued sending letters via email and USPO mail claiming there is yet a contract present. Thereafter sending over 8 different notices and Consulate Court Orders and other Court documents the Respondents contrinued as to threat to take property paid for by tender of payment as to their own contract listing princess emilily hotep el F.n.a. Monica Hall rather used the all caps incorporation the respondents created themselves as MONICA HALL debtor name with address listed in 13b of the UCC financing statement and the amended addendum.

The information clearly states that nothing changed within their UCC statement except the address and the secured party in record which is not clear as to who is the secured party.

Collateral is listed as the following in the Claimants NV State UCC 1 statement and the Respondents Cross River Bank and others known as the successors and assigns as 7.015 KW photovoltaic solar energy system consisting of Hanwha Q cells Q peak G4 1/SC 305 modules, Delta Electronics Solivia 7.6 NA G4 TL [240V] inverter and All other products, proceeds, and attachments.

As by law the Respondents were given notice and court order documents showing the name title and appellation changes and they themselves made it upon their own documentation called a notice of bill.

Name change does not alter or dismiss a contract rather the contract is enforceable pertaining to the Tender of Payment made to the Respondents Cross River Bank and Sunlight who have made attempts to hide their dealings within the Trust they've created in their own intentions to take property on private property paid in full and call it a foreclosure. When it is paid in full.

Therefore the contract was void and the new contract by way of the 1933/34 act "The ownership of all property is in the state by virtue of the government" "Under the new law government obligations, bills of exchange, drafts, notes, trade acceptances, and bankers acceptances, because it is backed by the credit of the nation. It will represent a mortgage on all the homes, and other property of all the people of the nation." Senate Document No. 43, 73rd Congress, 1st Session, Congressional Record, March 9, 1933 on HR 1491 p. 83. The said notes shall be obligations of the United States and shall be receivable by all national and member banks and Federal reserve banks and for all, and other public dues. **Nev. Rev. The Respondents are using this attempt to defraud the State of NV placing the State Dept in responsibility as to fraudulent demands and request for liens to be fraudulent when they have themselves continued to make attempts to collect on a debt the CFPB, FTC, SEC and others have found to have been paid in full in the amount of $22,032.00.

**858. FRAUDULENT TRANSFER OR CONCEALMENT—18 U.S.C. § 152(7)** Based upon the laws of this land which are held together for the WE the POPELE By THE PEOPLE whom are the Government the matter is simple as to law. The Attorney using slick and misleading fraudulent conveyance of language as the attempt to conceal the real motive for demanding a lawful and legal UCC filing as to remove the property after it has been tendered in full. As indicated previously the concealment of property can be charged under either 18 U.S.C. § 152(7) or § 152(1). An important difference between these two paragraphs is that subsection (7) is not restricted to property of the bankruptcy estate. Subsection (7) provides: A person who...in a personal capacity or as an agent or officer of any person or corporation, in contemplation of a case under title 11 by or against the person or any other person or corporation, or with intent to defeat the provisions of title 11, knowingly and fraudulently transfers or conceals any of his property or the property of such other person or corporation;...shall be fined..., imprisoned..., or both.The elements of the offense under subsection (7) which the government must prove are: the defendant fraudulently transferred or concealed the defendant's property or the property of another; and such act of transfer or concealment was done with the intent to defeat the provisions of Title 11, or in contemplation of a case under Title 11.

This matter is simple, their own UCC filings show the fraudulent transfers by way of the conveyance of language used to transfer the collateral or debt into a private hidden trust and then go after the property as collateral by way of foreclosure of the MONICA HALL ALL CAPS INCORPORATION which makes no senses due to no such corporation exist unless created by the Respondents and their Attorney[s] listed herein 11 USCode 548 making the transfers to a hidden trust to increase corporate wealth by creating paper slavery! Thus being undeniable in the facts presented on all corners the liens stand and are to be paid in the amount approximately $45,000.00 for obvious reasons of fraud, theft, trespass, fraudulent transfers and obligations identity theft etc,..

## Gold Reserve Act of 1934 31U.S.Code § 822[a] The Act of 1933

States by the international Monetary Fund [IMF]. The President shall comply with this provision consistent with United States membership obligations in the International Monetary Fund and subject to such limitations as are appropriate to the sensitive nature of the information". [b] [1] Section 10[a] of the Gold Reserve Act of 1934 [31U.S.Code § 822[a]] is amended - [A] by striking out to and immediately following "necessary" and interesting lieu thereof a comma; and [B] by inserting immediately after " International Monetary Fund " the following : "regarding orderly exchange arrangements and a stable system of exchange rates : Provided/ however ,That no loan or credit to a foreign government or entity shall be extended by or through such Fund for more than six months in any twelve-month period unless the President provides a written determination to the Congress that unique or exigent circumstances make such loan or credit necessary for a term greater than six months".

[2] Section 10[b] of the Gold Reserve Act of 1934 [31 U.S.C.§ 822[a][b]] is amended by striking out the phrase "stabilizing the exchange value of the dollar" in the fourth sentence thereof and inserting in lieu thereof the phrase "the purposes prescribed by this section". [c] The joint resolution entitle "Joint resolution to assure uniform value to the coins and currencies of the United States', approved June 5, 1933 [31 U.S.C.§ 463] shall not apply to obligations issued on or after the date of enactment of this section. Approved October 28, 1977. So pay attention to those last few words Joint Resolution coins concurrences of the United States.

Before HJR 192 was passed, Executive Order 6102 was signed into effect by President Roosevelt. This executive order required all gold and gold certificates to be surrendered to the federal government by May 1, 1933. House Joint Resolution 192 was then passed by Congress on June 5, 1933. This law was passed to do away with the gold clause in the constitution and in all public and private contracts.1933 was also when the United States went bankrupt, which was not the first time that it went bankrupt. In fact, the United States was so far in debt that it went bankrupt two additional time previously – once in 1789 (forming the Constitution so the state's could sign on as security for the fed's debts), and then in 1861 (when the Southern State's said "No More" and wanted to succeed rather than sign on to another pledging of assets to pay the federal government's debt). Then, in 1933, and with HJR192, they took all the Gold, all the true money, all the property (and instituted eminent domain and property taxes/divided land titles), and instituted the income tax to control the labor of the people. In addition, with HJR 192 is when they instituted the Birth Certificates to control the people and have the future American people become the collateral for all the federal government's debts.

Yes...that's right – the birth certificate is the TITLE to your body and it has been pledged as an asset. The holder has the right to the taxes and fines, fees, etc that you pay to the government through judgments, court cases, payroll, income taxes, property taxes, etc. From the very beginning, the government was indebted to European bankers as a result of the revolution.

How ironic that we had to borrow money from England to pay for the war we fought against them. So, fast forward to the early 1900's and you'll come across several key events that make it quite obvious there was a master plan at work to enslave the people. If you read a book named The Creature From Jekyll Island, you'll become intimately acquainted with the happenings in the year 1910, when 6 men, who were either elite bankers and/or politicians, met in secret in a place named Jekyll Island. The purpose of this meeting

was to formulate plans for economics reforms for the United States. This is where the banking cartel began in this country. The idea of a central bank had always been rejected, and so the men who met on Jekyll Island, needed to come up with a way to trick the people into allowing a central bank to be instituted. Three years later, in 1913, President Wilson signed the Federal Reserve Act into effect, which is the current central bank in the United States, even though it is actually not governed by any agency of the Federal Government. Eight years later, in 1921, the Maternity Act was passed which required all birth to be registered with the state.

So, now all key pieces were in place for the upcoming bankruptcy default and restructure. In 1933, when the Federal Government went bankrupt, they passed E.O. 6102 and HJR 192 and pledged us as collateral to back the government debt. They made the people slaves. But they couldn't technically make us slaves physically but hidden within your pecuniary wages and sweat equity calling it labor and income when you are not the corporation that hired you with commodities investments and other invested interest, because that would be illegal. So, they had to give us a remedy. So what is the HJR 192 Remedy? It is that the government has the obligation to discharge and settle any debts we may incur in our daily lives. Yes, this includes mortgages, car loans, utilities, etc...Wasn't HJR 192 repealed?

Technically, it was but the provisions that brought us into having no money of substance still exist and apply. In other words, we didn't go back to using "real money" (gold/silver) again; and therefore, the maxim of "whoever brings the obligation must bring the remedy" still applies. So, the government still has the fiduciary duty to discharge and settle your debts, because we still don't have access to money of real substance, AND because the USA is still in bankruptcy mode. So, the Secretary of the Treasury is still the "Receiver" in a Bankruptcy. The birth certificate is still a bond and your debts are still prepaid by a mans or woman's future labor, property, and taxes that they are assuming the Administration of as the Office of the Executor of the ESTATE of the ALL CAPS JOHN H DOE name. They still hypothetical the Birth Certificate and made Billions of the birth (or Naturalization) of every new citizen. In fact, in every court case over $7,000, there are new bonds created and traded off your BC ESTATE.

This is why the Tender of Payment on all debts are lawful, many are just writing HJR192 across a bill or debt and think it's discharged when its not. You'll have to be more creative in the world of business and create an instrument, record it publicly and send it to the US Treasury and the IMF, keep a copy and post it as a public record. At least send to the US Treasury [copy] keep one original copy for self and send to corporation who alleges to control and own the instrument See UCC 3-603[a] and [b].

| Incident Description | On May 10 around 1:15 pm my husband and were illegally forced from our home with no warrant or search warrant -the 4th amendment violation ,from 3 unknown man dressed in highway clothing driving what appeared to be a highway patrol bike and truck and a lock smith. They said we were being evicted. They claimed that we had to leave or would take us by force. None of the men would gave their name nor did anyone have a body cam. When asked for warrant they refused to give anything but made threats of unpleasant events if we did not cooperate. The other two refused and were very intimating holding there hands on there hips on there guns. When my husband ask for the Sheriff they laughed and stated he was not in town " He is in D.C" Due to fear of being killed we left the home.<br>During that time of removal the HOA President and VP was at the seen. Unknowning to them they did not know that the house has multiple cameras that have recorded and captured them plotting to do damage to our home. On or around May 17 the camera captured them taking down part of or gate. A few days later one of them was on the property again but saw people looking at him and walked away. On May 26 the camera captured them on the property again taking down the Moroccan flag.<br>18 USC 1341-18 USC 1351. |

# AUTHORITY MATRIX - CONSTITUTIONAL, TREATY, AND NEVADA STATUTORY ISSUES ASSERTED / IMPLICATED BY THE PRESERVED RECORD

Record-reference page only. The entries identify legal authorities raised by, or potentially implicated by, the submitted record. They do not state that any violation has been finally adjudicated. Treaty applicability, state-action requirements, standing, causation, defenses, and the law in effect on the date of each event remain matters requiring independent determination.

| Authority | Issue preserved for reconciliation |
|---|---|
| **U.S. Const. Art. VI, cl. 2** | Supremacy Clause: Constitution, federal laws made pursuant to it, and applicable treaties are supreme law; any treaty-based claim still requires proof that the particular treaty provision applies. |
| **U.S. Const. Amends. I, IV, V, XIV** | Petition/redress and access to government; unreasonable governmental search/seizure; federal due process/takings; state and municipal due process/equal protection. State-action and other elements must be established. |
| **Nev. Const. Art. 1 §§ 1, 8, 10, 15, 18** | Inalienable rights; due process/property protections; right to prosecute or defend one's own cause; no imprisonment for debt; security of persons, houses, papers and effects from unreasonable searches/seizures. The 2021 notices expressly invoked Nevada constitutional protections. |
| **Treaty of Peace & Friendship with Morocco (1787/1836)** | Treaty notice and Supremacy Clause theory are preserved as asserted in the record. Inclusion is not a finding that the treaty creates immunity from Nevada law or governs the property/foreclosure dispute; the specific applicable article and protected capacity must be established. |
| **NRS 107.080 / 107.086** | Deed-of-trust power-of-sale and foreclosure-mediation procedures: authority to foreclose, statutory notices, timing, and required foreclosure predicates should be reconciled against the title/foreclosure record. |
| **NRS 116.3116-.31168** | HOA lien/foreclosure framework, including notice, default/election to sell, notice of sale, and statutory foreclosure procedures. Apply only to the extent an HOA lien/foreclosure event is established by competent records. |
| **NRS 116.31175 / 116.3118** | Association books, records, contracts and financial-record access/retention issues, relevant to requests for HOA records and preservation. |
| **NRS 205.463 / 205.464** | Nevada identity-information offenses are relevant only if evidence establishes the statutory elements, including knowing acquisition/use and required unlawful intent; NRS 205.464 specifically addresses certain conduct by public officers/employees. |
| **NRS Ch. 239, incl. 239.010** | Public-record inspection/copying and governmental custody issues, subject to statutory confidentiality exceptions; relevant to preservation, missing-record, alteration/deletion, and reconstruction requests. |
| **State / municipal agencies; DA civil functions** | For Governor/AG, courts/clerks, county/municipal law enforcement, recorder, public-record custodians, and DA civil functions: reconcile actual notice/receipt, legal authority, preservation duties, actions taken, and any later inconsistent record. Receipt of a complaint proves notice/possession, not the truth of the allegations or a mandatory prosecution duty. |

**New Appendix Page Map:** AA: 473-480; AB: 481-486; AC: 487-488; AD: 489-507; AE: 508-509.

**2021 notice record:** The Princess filing identifies Nevada public officials and presents a Notice of Motion/Motion to Intervene with an Injunction; its certificate states service by registered mail and/or hand delivery to the filing clerk. The Prince filing presents the parallel notice in his stated capacity. These documents preserve the submitting parties' constitutional and treaty theories and claimed notice; they are not treated here as judicial findings.

**Use:** Compare each asserted authority with the exact act, actor, date, capacity, notice, and resulting injury shown by the corresponding exhibit. This avoids converting a legal theory into a factual conclusion before the supporting predicate is established.

## JOURNAL ENTRIES

On May 25, 2022, a proposed Order/Document titled Order Regarding Exemption was forwarded to the Department from the Clerk's Office. The document sets forth that it was submitted by an individual identifying herself as Princess Emilily Hotep el. On May 26, 2022, an Order/Document titled Proposed Order Nev. Civ. IC-2-2(f) tender of Payment UCC3-603(b) NRS 104.3603, Imprpoper [sic] Service Nev. R Civ P. 4.2 Article VI ch. 1, 4 USCode 101, 4 USCode 102, 15 US Code 1692g, 11 US Code 1325-Confrimation [sic] Res Judicata Nev. R. Civ P. 60 Nunc Pro Tunc was forwarded to the Department from the Clerk's Office which was also stated to have been submitted by a person identifying herself as Princess Emilily Hotep el. However, the instant case is captioned Ally Bank, Plaintiff v. Monica Renee Hall, Defendant and does not include anyone with the name of the person who submitted the proposed documents.

The proposed Orders cannot be signed for the following reason(s): NRCP 7(b) provides that a request for a court order must be made by motion. Pursuant to NRCP 17, an action must be prosecuted in the name of the real party in interest. Pursuant to EDCR 7.23 every paper presented for filing, must bear the signature, name . . . of the party presenting or filing the same. Finally, pursuant to EDCR 7.21, any party obtaining any order, judgment or decree must furnish the form of the same to the clerk, judge, or judicial officer within 14 days after being notified of the ruling. Here, the person who submitted the proposed Orders is identified as Princess Emilily Hotep el. The proposed Orders do not arise from any motion set for hearing or any ruling made by the Court. Additionally, the person identified as Princess Emilily Hotep el is not an individual party to the case nor listed as an attorney on the instant case which is titled in the caption as Ally Bank, Plaintiff v. Monica Renee Hall, Defendant. Additionally, it was contended that the instant case was removed to federal court as a Notice of Removal filed. However, as addressed at the hearing on June 14, 2022, the documents attached to that filing do not match the case name of the instant case and has other

issues. Given that the instant facts, the Court finds it appropriate to issue the instant minute order.

Therefore, as detailed above, the Documents/Orders are unable to be signed, as they do not arise from any court ruling nor are they submitted by a party to the case and have no force or effect.

CLERK'S NOTE: This Minute Order has been electronically served to all registered parties for Odyssey File & Serve.

Narrative

David Hall states that he and his wife, Monica Renee Hall became the suspect of identity theft where their personal identifiers were used to obtain mortgages, apartments, loans, and stolen investments and bonds. They have reports from all four credit bureaus and claims have been filed with all of the necessary bureaus. They have taken the necessary measures to protect their identities. They have court dates set for Identity Theft in Los Angeles. The suspects were all working for JRMC Bank. Both David and Monica state that at no time did they authorize the use of their personal identities to obtain these fraudulent accounts.

COUNTY OF LOS ANGELES SHERIFF'S DEPARTMENT
**INCIDENT REPORT - NARRATIVE** 916 - 0694 - 1159 - 444

While working as 113/B I responded to the indicated location in regards to a possible Forgery report. When I arrived at the location I contacted the reporting parties, who told me the following. They stated in November of 2005 they were in the process of acquiring a second mortgage on their residence located at 4203 Norva Ave. Quartz Hill Ca. They said they were in the process of signing the loan agreement when they decided they did not want to continue due to the deceptive terms of the loan.

The parties stated on 11-01-05 they signed a "Notice of Right to Cancel" form in the area listed as "I Wish To Cancel." They stated R-2 hand delivered to "Notice of Right to Cancel" form to the lender on 11-03-05 at the office located in Woodland Hills. At this time they believed they were free and clear from the re-finance.

They stated approximately October 2007 they received notice from "Washington Mutual Bank" that they owed them money. They said at this time they began disputing the mortgage and requesting copies of the loan paper work from the lender. While conducting the dispute they found the loan had been sold to several different banks prior to "Washington Mutual" obtaining the loan.

They found "Chase Bank" was now in possession of the fraudulent loan. They requested the necessary paper work from "Chase Bank." They received the request on or about October 2014. They said they reviewed any and all paper work which had been sent to them and found the "Notice of Right to Cancel" had been modified. They stated a new form had been created removing their names from the cancellation portion, then their signatures were forged on the forms in the section listed as "Acknowledgment of Receipt."

They decided they would have their documents examined by a "Forensic Document Examiner." They delivered the documents along with several other signature examples to "Beth Chrisman" who is a "Forensic Document Examiner" located at:

13437 Ventura Blvd., Suite 213
Sherman Oaks Ca. 91423
Phone: 310-957-2521

On March 31st, 2015, "Beth Chrisman" prepared an "Opinion Report" in regards to her findings from her examination (see attached). On page 3 of the "Opinion Report" it is indicated: "Based on a through analysis of the documents submitted to me, my professional expert opinion is that it is highly probable that the Monica Hall of the known writing did not sign the questioned document."

This report is being forwarded to the L.A.P.D. "West Valley" division due to the fact it is believed the possible forgery occurred in their policing area.

This report is a summary of the events which occurred as told to me by the reporting parties.

## What happened

On two occasions i Diplomat ;Princess Emilily Hotep El faxed my Appellation and Title correction from ex relations Monica Hall to Ally Bank. They have refused my court orders for the payments and the correction of title, as well they have refused the tender of payment in full and have ignored all cails concerning the payments. They have also ignored the IRS documents filings for the 1099c debt cancellation and discharge. They have collected the funds and refused to update my account. I have contacted them multiple times via email fax and USPS mail with proof of service. They are attempting to create a new account with my ex relations MONICA HALL which i am not. They have made attempts to possess my property without law or merit. With each call i make they seem to be more and more difficult in dealing with the matter. So I've turned to the State Department which the FTC hired 3rd party works for the USA people. This is not a difficult matter, it takes awareness and honesty.

**Record-use clarification.** Inclusion of this source document establishes what the submitted record states and preserves the correspondence and claimed rights for comparison. It does not, by itself, establish that a particular work or designation is federally registered, that every use is infringing, or that postal delivery satisfies every potentially applicable rule of service. Those questions depend on the governing law and supporting registration, ownership, use, service, and recipient records.

# NOTICE OF USPS PROOF OF DELIVERY / SERVICE RECORD

## AND CLARIFICATION OF GOOGLE LEGAL-REMOVALS CORRESPONDENCE

**The CSC office in California is located at the following address:**
**Corporation Service Company**

**Sacramento, CA 95833** csrcontact@cscinfo.com

**TO: Google LLC / Google Legal Support / Google Search Legal Removals**

**RE: Preservation of USPS Mailing and Delivery Evidence; Distinction Between Physical Delivery and Webform Submission**

NOTICE:

This Notice is submitted to preserve and clarify the record concerning documents transmitted to Google, Google's subsequent Legal Removals correspondence, and any separate United States Postal Service mailing and delivery records. It is not based on the proposition that submission through Google's legal webform itself constitutes formal service of process.

## I. GOOGLE'S SEPTEMBER 3, 2026 CORRESPONDENCE

In Request No. 5-6513000040605, Google stated that information appearing in its search results comes from third-party publicly available webpages and that, if information is removed from the third-party webpage, Google's search results will update over time to reflect the page's new content. Google also directed the requester to its outdated-content refresh process when an older version remains visible.

> **Google's response therefore addresses third-party source changes and the corresponding updating of Google Search results; it does not state that Google itself had already removed the challenged third-party material.**

## II. GOOGLE'S SEPTEMBER 4, 2026 CORRESPONDENCE

In Request No. 7-6147000042025, Google separately stated that its legal webform is for submitting court orders against third parties who posted allegedly unlawful content. Google further stated that it does not accept service of process through that webform and does not consider itself properly served with the order merely because the order was submitted through the webform.

> **This Notice accepts and preserves Google's stated distinction concerning the webform. It does not characterize the webform submission itself as formal service of process.**

## III. SEPARATE USPS MAILING / DELIVERY RECORD

Separate from any webform or email submission, the sender states that documents were transmitted to Google through the United States Postal Service. The purpose of this Notice is to place the corresponding USPS evidence into the record and to distinguish that physical mailing/delivery evidence from Google's statement concerning its webform.

Supporting USPS Evidence Attached as Exhibit: Cc Email attachment

## IV. LIMITED EFFECT OF THIS NOTICE

The USPS tracking record, return receipt, delivery confirmation, or other postal evidence establishes only what that evidence actually shows, including mailing and/or delivery to the identified destination. This Notice does not represent that postal delivery, standing alone, conclusively establishes legally sufficient service of process under every potentially applicable procedural rule.

Whether a particular mailing constitutes legally effective service depends on matters including the type of proceeding or notice, the governing service rule, the entity or person served, the address used, the method of mailing, and whether the recipient was authorized to receive service.

## V. REQUEST FOR GOOGLE TO DISTINGUISH THE TWO TRANSMISSION METHODS

Google is requested to maintain an accurate record distinguishing:

- electronic submission through Google's legal-removals webform or email channels;
- Google's substantive correspondence concerning third-party webpages, outdated content, correction, and search-result updating; and
- any separate physical USPS mailing and delivery evidenced by the attached postal records.

Accordingly, Google's statement that submission through its webform did not constitute service should not be read as a factual determination that no separate USPS mailing or delivery occurred. Conversely, evidence of USPS delivery should not be overstated as proof of legally sufficient service unless the governing service requirements are independently satisfied.

## VI. PRESERVATION AND REQUEST FOR ACKNOWLEDGMENT

Google is requested to preserve this Notice, the referenced Legal Removals correspondence, the underlying requests, and the attached USPS mailing/delivery evidence as part of the correspondence record. Google is further requested to acknowledge receipt of this Notice and, if Google disputes the legal sufficiency of any separately documented USPS service, to identify the specific basis for that position so the issue may be addressed accurately.

## VII. ATTACHMENTS

- Google email dated September 3, 2026 — Request No. 5-6513000040605.
- Google email dated September 4, 2026 — Request No. 7-6147000042025.
- USPS tracking history / delivery confirmation.
- USPS Certified Mail receipt and/or Return Receipt, if applicable.
- Many other emails sent as of August 30, 2026

- Copy of the documents contained in the USPS mailing, if included in the service record.

## NOTICE OF RESERVED IDENTITY, TITLE, CREATIVE AND ESTATE RIGHTS

"Prince Ra Hotep El" is asserted as a title and appellation associated with the individual and capacities identified in the applicable records and is not intended as a claim that the holder is the Creator or GOD. The designation reflects the holder's stated principles of self-governance and mastery of mind, body, and spirit.

Dave Beano, David Beloved, David Hall, David Jr Hall, and associated designations have distinct historical, creative, commercial, estate, and/or business-trust contexts. Their appearance in separate records does not authorize third parties to merge those identities or capacities, create unsupported aliases, falsely attribute judicial proceedings or characteristics, imply endorsement, or commercially exploit protected works or identity attributes.

All applicable rights are expressly reserved in copyrighted works, creative properties, trademarks or source identifiers where legally protected, rights of publicity and privacy where applicable, estate and trust property, contractual rights, and other protected intellectual property.

Public availability of a record or work does not, by itself, authorize alteration, false attribution, false endorsement, or uses that otherwise violate applicable rights. Nothing herein seeks to prohibit uses independently permitted by law, including lawful reporting, judicial records, fair use, or other applicable exceptions.

## ORDER, NOTICE AND DEMAND FOR CORRECTION OF IDENTITY RECORD, REMOVAL OF DISPUTED CHARACTERIZATION, AND SEARCH-ENGINE DE-INDEXING

**IN RE:**
**Prince Ra Hotep El**

**Related Public Record:**
*Hotep El et al. v. Ally Bank et al.*
U.S. District Court, District of Nevada
Case No. 2:22-cv-00874

**Directed Notice To:**
Justia, Inc. / Justia Dockets & Filings
Google LLC / Google Search Legal Removals

## I. PURPOSE OF ORDER AND NOTICE

The Court records and gives notice that Prince Ra Hotep El disputes the publication, indexing, republication, aggregation, or presentation of the characterization **"sovereign citizen"** as a factual description of his identity.

The Court further records the objection to presenting former names, artistic names, professional identifiers, ministries, business names, titles, or other designations as current legal "aliases" without an adequate factual basis.

## II. IDENTITY RECORD

The record submitted to this Court shall identify the Nevada District Court Order for Change of Name, Case No. **D-21-624033-N**, as documentary evidence concerning the legal name **Prince Ra Hotep El**.

The Order should be attached as **Exhibit A**.

## III. FEDERAL DOCKET RECORD

The related federal docket is *Hotep El et al. v. Ally Bank et al.*, No. 2:22-cv-00874.

The public Justia reproduction specifically records:

**Filing 3 — "NOTICE of Special Appearance by Prince Ra Hotep El, Monica Rene Hall Estate Trust."**

That is important because the Justia record itself uses Prince Ra Hotep El.

## IV. DISTINCTION BETWEEN ALLEGATIONS AND ADJUDICATED FACTS

The Order should emphasize:

Statements, allegations, arguments, labels, characterizations, or terminology appearing within litigation documents are not, merely because they appear in a judicial record, established biographical facts concerning a person.

That principle is particularly relevant because Justia itself warns that its reproduced filings and docket sheets **"should not be considered findings of fact or liability."**

## V. DISPUTED CHARACTERIZATION

The Court records the objection that the term **"sovereign citizen"** has been attributed to Prince Ra Hotep El and subsequently disseminated or made discoverable through internet search results.

The Court should state carefully that it is **recording and sustaining the requester's objection to that characterization**. Unless we have an adjudication establishing defamation, I would not have the Order declare that particular attorneys or a federal judge legally committed "libel," "slander," or "defamation" as an adjudicated fact.

Instead:

The Court finds for purposes of its own records that the characterization is disputed, is rejected as an accurate statement of Prince Ra Hotep El's asserted identity, and shall not be treated within this Court's records as an established biographical fact.

## VI. NOTICE CONCERNING INDIGENOUS / ABORIGINAL IDENTITY

This section can preserve the broader position:

Prince Ra Hotep El contends that the challenged characterization has occurred within a larger pattern of disputed treatment concerning his asserted Indigenous/Aboriginal identity and legal status. Nothing contained within this Order converts that broader allegation into an adjudicated finding against persons or institutions that have not been subjected to this Court's adjudicative jurisdiction and process.

That last sentence matters. It prevents the document from claiming authority we haven't established.

## VII. ORDER AND DEMAND TO JUSTIA

The Court can direct/request that Justia:

1. Review the identified docket page and associated metadata;
2. Correct inaccurate identity information under Justia's control;

3. Block the identified Justia URL from external search-engine indexing where permitted by Justia policy;
4. Prevent Justia-generated metadata from presenting disputed litigation characterizations as established biographical facts;
5. Preserve the underlying public record while distinguishing allegations from judicial findings; and
6. Provide written confirmation of the action taken.

## VIII. NOTICE AND DEMAND TO GOOGLE

This part should recognize Google's August 31 response.

Google told you that it does not control third-party webpages and instructed you to work with the publisher.

Accordingly:

Google LLC is placed on notice that the source publisher, Justia, is being separately requested to correct and/or block the identified material from search-engine indexing.

Upon correction, blocking, removal, or modification by Justia, Google is requested to promptly recrawl the affected URLs and remove outdated cached material, snippets, identity associations, and search presentations reflecting the superseded information.

## IX. PRESERVATION OF THE ACTUAL COURT RECORD

This is another strong provision:

Nothing in this Order requests destruction, concealment, alteration, or falsification of an authentic federal judicial record. The requested relief concerns inaccurate identity characterization, third-party republication, metadata, search-engine indexing, search-result presentation, and the treatment of disputed litigation terminology as though it constituted an adjudicated biographical fact.

That separates your request from an attempt to rewrite PACER.

## X. DOCUMENTS / EXHIBITS

**Exhibit A:** Nevada Order for Change of Name
**Exhibit B:** Justia *Hotep El et al. v. Ally Bank et al.* page
**Exhibit C:** Google Search screenshots showing the challenged characterization
**Exhibit D:** Google Removal Request correspondence, including Request No. **6-2311000041441**
**Exhibit E:** Justia blocking/correction request
**Exhibit F:** Any underlying federal filing containing the exact disputed characterization

Google's response specifically requests the exact URL, exact offending language, and—when relying upon a court order—the particular portion requiring removal. So the final order should make those items extremely easy for Google to identify.

## XI. ORDER

The operative conclusion can read:

**IT IS THEREFORE ORDERED AND RECORDED** that the characterization identified herein is formally disputed and rejected as an established statement of identity within the records of this Court.

**IT IS FURTHER ORDERED** that certified copies of this Order may be transmitted to Justia, Google LLC, and other publishers, search providers, custodians, or recipients maintaining or disseminating the disputed identity characterization for purposes of notice, correction, de-indexing, updating of records, and preservation of evidence.

**IT IS FURTHER REQUESTED AND DEMANDED** that each recipient review information within its possession or control and take whatever corrective, de-indexing, updating, or removal measures are available under its applicable policies and governing law.

Nothing herein purports to alter the authentic docket of the United States District Court or adjudicate the legal liability of a nonparty over whom this Court has not established jurisdiction.

Then we finish with:

**SO ORDERED.**

# Notice of Algorithmic Mis-association, Defamation, and Intent to Hold Liable. To the UNITED STATES DISTRICT COURT DISTRICT OF NEVADA & To GOOGLE

## NOTICE OF ALGORITHMIC MIS-ASSOCIATION, DEFAMATION, AND LIABILITY

## I. PREAMBLE & SOVEREIGN STATUS

- A. Identity of the Declarant: Clear statement identifying Prince Ra Hotep El (https://www.google.com/search?q=prince+ra+hotep+el&kgmid=/m/0bm94n2) in his lawful capacity and as the legitimate executor/trustee protecting trust property.

- B. Constitutional and Treaty Foundation: Explicit invocation of Article VI, Clause 2 of the U.S. Constitution (The Supremacy Clause).

  - Citation of the Treaty of Peace and Friendship and relevant tribal treaties as the binding Law of the Land.

  - Rejection of any localized judicial opinions, administrative rules, or corporate designations that attempt to override these supreme authorities.

## II. THE FIRST CAUSE OF ACTION: ALGORITHMIC MIS-ASSOCIATION AND DATA CONFLATION

- A. Specific Identification of the Error: Detailed breakdown of how the search algorithm has incorrectly merged the identity and public records of Prince Ra Hotep El with an unrelated individual (Yusef Hotep-El) across different state jurisdictions.

- B. Evidence of Identity Conflation: Listing of specific search query strings, URLs, and automated search blocks that display this cross-contaminated data.

- C. Evidentiary Distinction: Formal statement confirming that these are two entirely separate entities with no reciprocal legal, familial, or financial ties.

**III. THE SECOND CAUSE OF ACTION: DEFAMATORY LABELING AND IDENTITY INJURY**

- A. Unlawful Application of Pejorative Terms: Specific challenge to the platform appending the non-legal, manufactured label "sovereign citizen" to the declarant's identity.

- B. Commercial and Professional Sabotage: Documentation of how this false digital footprint acts as a weaponized red flag in the modern economic grid.

- C. Real-World Quantum of Damages: Detailed listing of the severe, systemic injuries caused by this labeling:

  - Interference with the right to travel and secure commerce.

  - Denial or disruption of housing opportunities (buying homes, leasing, renting).

  - Destruction of business reputation, loss of jobs, and financial livelihood.

  - The multi-generational impact and reputational harm passed down to children and family members.

**IV. NOTICE OF CORPORATE LIABILITY AND COLOR OF LAW ACTIVITIES**

- A. Corporate Promotion of Harms: Argument that the platform's refusal or delay in correcting known automated errors constitutes active promotion of defamatory material.

- B. Operating Under Color of Law: Addressing how prioritizing administrative court rules or judicial opinions over supreme treaty law functions to protect illegal "color of law" activities.

- C. Formal Notice History: Reference to the prior legal letters sent to the Google Legal Department (noting the lack of substantive resolution as of the current date), establishing a clear timeline of corporate awareness.

**V. MANDATORY DEMANDS FOR ADMINISTRATIVE AND TECHNICAL REMEDIES**

- A. Immediate Decoupling: Demand for manual engineering intervention to completely separate the search profile of Prince Ra Hotep El from Yusef Hotep-El.

- B. Removal of Defamatory Terms: Demand for the immediate erasure of the term "sovereign citizen" and any associated pejorative characterizations from all search listings, knowledge graphs, and algorithmic associations linked to the declarant's name.

- C. Preservation of Evidence: Instruction to the corporation to preserve all internal algorithmic logs, search indexing data, and internal communications regarding these profiles for potential future litigation.

**VI. SIGNATURE & VERIFICATION**

- A. Declaration of Truth: A formal statement that the notice is presented in truth and under the authority of the supreme law.

- B. Executed Capacity: Signing explicitly as the Executor/Trustee, safeguarding the identity, property, and estate under treaty protection.

UCC 1-308

Date: August 31, 2026

Disclosure and Notice - To force manual engineering reviews and formalize your record corrections while your legal correspondence is being evaluated, you must utilize Google's explicit administrative portals. Standard emails or general customer service queues do not reach the data integrity departments. [1]

Use these precise compliance tracks and official portals to address the defamation, data conflation, and pejorative labeling. [2, 3]

1. The Legal Defamation and Content Removal Track

When an automated algorithm associates a person's name with an unrelated individual or a damaging pejorative term like "sovereign citizen," it constitutes actionable identity injury. You must submit specific web forms to create a traceable legal ticket. [3, 4]

- Main Content Escalation Portal: Use the main Google Report Content for Legal Reasons Tool (https://support.google.com/legal/troubleshooter/1114905?hl=en). Select "Google Search" as the product, and choose the option specifying Defamation/Reputational Injury. [1, 5, 6]

- Defamation Claim Specifics: Access the explicit Google Legal Defamation Overview Form (https://support.google.com/legal-help-center/answer/16833565?hl=en). You will need to provide:

  - The exact URLs of the search result pages showing the conflation.

  - A statement clarifying that Prince Ra Hotep El and Yusef Hotep-El are entirely separate entities residing in different states.

  - Proof of real-world harm (e.g., how the pejorative labeling actively disrupts banking, travel, or property leases). [3, 7, 8]

2. The Knowledge Panel & Entity Decoupling Track

If Google has generated a Knowledge Panel (the summary box at the top or side of the screen) that blends the two identities together or appends the unauthorized "sovereign citizen" classification, you must seize control of that data node.[4, 9]

- Claiming the Digital Entity: Search for the specific name. Look directly at the bottom of the consolidated summary card for a button reading "Claim this knowledge panel". This process requires uploading identification to prove you are the authorized representative/executor of the entity. [9, 10]

- The Direct Feedback Path: If you cannot claim it immediately, click the small "Feedback" or "Suggest Edits"text at the very bottom right corner of the Knowledge Panel. Select the specific text blocks that are incorrect, label them as "Inaccurate / Defamatory," and paste the structural details showing the cross-contamination. [11, 12]

3. Forcing an Outdated Cache Clear

## SECTION I: PREAMBLE & SOVEREIGN STATUS

TO: Google LLC, Legal Department and Data Integrity Compliance Division
FROM: Prince Ra Hotep El, in the lawful capacity of Executor and Trustee for the Estate and Trust Property

DATE OF NOTICE: August 30, 2026

NOTICE TYPE: Formal Notice of Algorithmic Mis-association, Defamation, and Intent to Hold Liable

**NOTICE TO AGENT IS NOTICE TO PRINCIPAL; NOTICE TO PRINCIPAL IS NOTICE TO AGENT.**

Lawful Capacity and Mandate: I, Prince Ra Hotep El, execute this document in my lawful, binding capacity as the designated Executor and Trustee holding legal title and fiduciary responsibility to protect, defend, and safeguard the assets, estate, and property held within the Trust from any external injury, unlawful seizure, or reputational devaluation.

The Supreme Law of the Land: This Notice explicitly invokes Article VI, Clause 2 of the United States Constitution (The Supremacy Clause), which establishes that the Constitution and all Treaties made under the authority of the United States shall be the supreme Law of the Land.

No localized judicial opinions, administrative court rules, municipal codes, or private corporate automated indexing policies possess the lawful authority to override, amend, or abridge rights secured under the supreme law.

Treaty Framework: The standing, execution, and property protections asserted herein are secured by and tied directly to the Treaty of Peace and Friendship and the binding historical treaties ratified between the United States and Sovereign Indigenous Nations, including but not limited to the Choctaw, Chickasaw, Cherokee, and Blackfoot.

These sovereign compacts protect the estate from corporate overreach and illegal activities conducted under color of law. No private entity or corporate search engine may publish defamatory designations to circumvent these supreme protections.

**Cache Removal Engine:** Utilize the Google Request Personal Content Removal Engine (https://support.google.com/websearch/contact/content_removal_form?hl=en) to submit individual links that have already been modified or contain exposed personal identifying information linking the declarant to unrelated court actions. [13]

Would you like to move forward with drafting the specific legal text blocks and dynamic disclosures for Section I and Section II of your Notice, so you can paste them directly into these compliance forms?

All Rights Reserved UCC 1-308

**SECTION II: THE FIRST CAUSE OF ACTION: ALGORITHMIC MIS-ASSOCIATION AND DATA CONFLATION**

Identification of Serious Algorithmic Error: This Cause of Action arises from a severe, ongoing technical and data-integrity failure within Google's search algorithms. The automated indexing systems have cross-contaminated, merged, and conflated the public records, identity, and profile of Prince Ra Hotep El with an entirely separate, unrelated individual named Yusef Hotep-El.

Evidentiary Distinction: Let the record show that Prince Ra Hotep El and Yusef Hotep-El are two distinct, separate entities operating across different state jurisdictions. They possess no reciprocal familial, legal, commercial, financial, or organizational ties.

The Nature of the Damage: By automatically linking, suggesting, and presenting these two distinct identities as a single consolidated profile or within the same search query return string, Google is actively publishing false, unverified, and misleading public data. This automated cross-contamination creates an immediate, highly destructive digital footprint.

Specific Demand for Engineering Intervention: You are hereby commanded to initiate an immediate manual engineering intervention to decouple, delink, and completely separate the digital identity, search indexing arrays, and search result strings of Prince Ra Hotep El from those of Yusef Hotep-El.

The continued failure to separate these identities following receipt of this formal notice constitutes a reckless disregard for data integrity and active corporate participation in identity defamation.

Respectfully submitted,

## JUSTIA PARTY-DESIGNATION RECORD AND REQUEST FOR SOURCE IDENTIFICATION / CORRECTION

**Hotep El et al. v. Ally Bank et al.**
**Case No. 2:2022-cv-00874**

Purpose. This exhibit documents what the supplied Justia docket presently identifies concerning the parties and Prince Ra Hotep El's appearance, and distinguishes those entries from any separate characterization or party designation that may be appearing through search engines, data brokers, automated summaries, or other publications.

### A. PARTY INFORMATION SHOWN ON JUSTIA

| Role / Entry | Information Displayed |
|---|---|
| Petitioner | Princess Emilily Hotep El |
| Petitioner | Monica Rene Hall Estate Trust |
| Estate Trust - Represented By | Prince Ra EL |
| Defendant | Aldridge Pite Haan LLP |
| Respondent | Ally Bank |
| Case Number | 2:2022cv00874 |

### B. DOCKET ENTRY CONCERNING PRINCE RA HOTEP EL

Justia Filing 3 states: "NOTICE of Special Appearance by Prince Ra Hotep El, Monica Rene Hall Estate Trust." The supplied Justia docket does not identify Prince Ra Hotep El as the Petitioner in the case-level party listing.

### C. "SOVEREIGN CITIZEN" CHARACTERIZATION

The phrase "sovereign citizen" does not appear in the text of the supplied eight-page Justia docket record. Accordingly, this exhibit does not attribute that characterization to Justia without a separate source showing that Justia published it.

### D. REQUEST FOR SOURCE IDENTIFICATION AND CORRECTION

Any database, search engine, automated summary, people-search service, legal-research publisher, or other publication identifying Prince Ra Hotep El individually as the Petitioner and/or characterizing him as a "sovereign citizen" is requested to identify the specific source record upon which that representation is based.

If no source record supports the designation or characterization, correction, suppression, de-indexing, or removal of the unsupported association is requested to the extent available under the recipient's policies and applicable law.

### E. RECORD-PRESERVATION CLARIFICATION

This exhibit does not request alteration or destruction of an authentic federal court record. It requests accurate attribution of party capacity and source identification for any disputed characterization propagated beyond the underlying record.

### SOURCE RECORD

Justia Dockets & Filings, Hotep El et al. v. Ally Bank et al., Case No. 2:2022-cv-00874, U.S. District Court for the District of Nevada. Supplied copy dated August 31, 2026.

Relevant portions: Filing 1 identifies the complaint as brought by Princess Emilily Hotep El and Monica Rene Hall Estate Trust; Filing 3 records a Notice of Special Appearance by Prince Ra Hotep El and Monica Rene Hall Estate Trust; the party section identifies Princess Emilily Hotep El and Monica Rene Hall Estate Trust as Petitioners, Prince Ra EL as representing the Estate Trust, Aldridge Pite Haan LLP as Defendant, and Ally Bank as Respondent.

# EXHIBIT A-Y

## SEARCH-RESULT IDENTITY DISTINCTION
## YUSUF HOTEP-EL / PRINCE RA HOTEP EL

### Documentation of Separate Court Records and Risk of Similar-Name Conflation

Purpose. This exhibit documents a separate Indiana criminal appellate record involving an individual named Yusuf Hotep-El and preserves the distinction between that individual and Prince Ra Hotep El. It is intended to support requests that search engines, data aggregators, legal publishers, and automated systems avoid conflating persons merely because their names contain the words "Hotep" and "El."

### A. INDIANA LAWYER PUBLICATION

The Indiana Lawyer published an article on November 13, 2018 concerning Yusuf Hotep-El and an Indiana Court of Appeals decision. The publication's headline refers to a "sovereign citizen." The article identifies the subject as Yusuf Hotep-El and discusses criminal charges arising in Indiana, including possession of cocaine, possession of narcotic drugs, possession of a controlled substance, possession of marijuana, and an habitual-offender allegation.

### B. OFFICIAL INDIANA APPELLATE RECORD

The corresponding Indiana Court of Appeals matter is Yusuf Hotep-El v. State of Indiana, Court of Appeals Case No. 18A-CR-477, decided November 13, 2018. The official opinion identifies Yusuf Hotep-El as the Appellant-Defendant and describes the criminal charges and the dispute concerning termination of his self-representation.

| Indiana Record | Identifying Information |
|---|---|
| Person | Yusuf Hotep-El |
| Case | Yusuf Hotep-El v. State of Indiana |
| Court | Indiana Court of Appeals |
| Case No. | 18A-CR-477 |
| Decision Date | November 13, 2018 |
| Underlying Context | Indiana criminal prosecution |

### C. SEPARATE NEVADA RECORD

The Nevada federal docket previously preserved in the accompanying exhibits is a different matter: Hotep El et al. v. Ally Bank et al., Case No. 2:2022-cv-00874, U.S. District Court for the District of Nevada. The supplied Justia reproduction identifies Princess Emilily Hotep El and Monica Rene Hall Estate Trust as Petitioners and separately records a Notice of Special Appearance by Prince Ra Hotep El and Monica Rene Hall Estate Trust.

### D. NO ESTABLISHED IDENTITY CONNECTION

The sources reviewed for this exhibit do not establish that Yusuf Hotep-El and Prince Ra Hotep El are the same person. No identity relationship should be inferred merely from similarity in the names. This exhibit does not assert that any particular search engine has intentionally conflated the two individuals; rather, it preserves the documentary distinction so that any disputed search result or automated association can be evaluated against the underlying records.

### E. REQUEST FOR SEARCH / DATA CORRECTION

Where a search engine, data broker, legal publisher, knowledge panel, automated summary, or other database associates Prince Ra Hotep El with the Indiana criminal matter involving Yusuf Hotep-El, the publisher is requested to identify the source and matching methodology responsible for that association and to correct, suppress, de-index, or otherwise disambiguate any unsupported identity linkage to the extent available under its policies and applicable law.

**F. SOURCES PRESERVED**

The Indiana Lawyer, "COA upholds denial of pro se rights to 'sovereign citizen'," November 13, 2018.

# ESCALATED EXPLICIT MISCHARACTERIZATION / IDENTITY-MIS-ASSOCIATION REPORT

## FORMAL NOTICE OF DISPUTED DEFAMATORY CHARACTERIZATION, ALGORITHMIC MIS-ASSOCIATION, RECORD-CAPACITY ERROR, AND DEMAND FOR CORRECTION AND PRESERVATION

**Google Legal Request No. 7-7144000041185**

| | |
|---|---|
| TO | Google LLC, Legal Department and Appropriate Search / Data Integrity Personnel |
| FROM | Prince Ra Hotep El, in the asserted and documented capacity of Executor and Trustee for Estate and Trust Property |
| DATE OF NOTICE | August 30, 2026 |
| NOTICE TYPE | Formal Notice of Algorithmic Misassociation, Disputed Defamatory Characterization, Demand for Correction, Preservation of Evidence, and Notice of Potential Liability |
| RELATED NEVADA MATTER | Hotep El et al. v. Ally Bank et al., Case No. 2:22-cv-00874, U.S. District Court, District of Nevada |

**NOTICE TO AGENT IS NOTICE TO PRINCIPAL; NOTICE TO PRINCIPAL IS NOTICE TO AGENT.**

## SECTION I: PREAMBLE — LAWFUL CAPACITY, IDENTITY, AND GOVERNING AUTHORITY

Lawful Capacity and Mandate. Prince Ra Hotep El submits this Notice in his asserted capacity as Executor and Trustee with fiduciary responsibility concerning the Estate and Trust property identified in the accompanying records. Supporting trust, estate, court, and capacity documents are incorporated through the A-Z Exhibit Index. Nothing in this Notice asks Google to adjudicate disputed questions of fiduciary authority; rather, Google is requested to accurately report the capacities actually reflected by the underlying source records.

Supreme Law of the Land. This Notice invokes Article VI, Clause 2 of the United States Constitution - the Supremacy Clause - which establishes the Constitution, federal laws made pursuant to it, and treaties made under the authority of the United States as the supreme Law of the Land. State judges are bound by that constitutional structure. The Claimants preserve all properly applicable federal constitutional and treaty rights. No search-engine policy, automated indexing system, third-party metadata convention, or privately generated characterization can alter the actual identity, legal capacity, or contents of an authentic judicial or governmental record.

Treaty Framework. The Claimants preserve treaty-based arguments arising from the historic Treaty of Peace and Friendship between the United States and Morocco and any specifically applicable treaties involving Indigenous Nations, including properly established Choctaw, Chickasaw, Cherokee, or Blackfeet/Blackfoot treaty rights. Each treaty claim must be evaluated according to the particular treaty provision, protected person or entity, asserted right, and legal applicability established by the supporting record. This Notice does not contend that treaty status automatically exempts any person or trust from generally applicable federal or state law.

Critical Identity Distinction. Invocation of constitutional provisions, treaties, Indigenous rights, trust rights, fiduciary authority, or objections to governmental conduct does not itself establish that Prince Ra Hotep El is a "sovereign citizen." Any Google-controlled presentation making that factual association is specifically disputed and should be supported by an identified source and accurate context.

## SECTION II: FIRST CLAIM FOR CORRECTION — ALGORITHMIC MIS-ASSOCIATION AND DATA CONFLATION

Identification of the Serious Identity Error. This portion of the Notice concerns an alleged ongoing search and data-integrity problem in which searches concerning Prince Ra Hotep El have produced or associated information concerning an entirely separate individual, Yusuf Hotep-El, whose Indiana criminal appellate proceeding bears no demonstrated identity relationship to Prince Ra Hotep El.

| Record | Nevada Matter | Indiana Matter |
|---|---|---|
| Case | Hotep El et al. v. Ally Bank et al. | Yusuf Hotep-El v. State of Indiana |
| Case No. | 2:22-cv-00874 | 18A-CR-477 |
| Court | U.S. District Court, District of Nevada | Indiana Court of Appeals |
| Nature | Civil removal/remand dispute | Indiana criminal appellate proceeding |
| Identity point | Prince Ra Hotep El appears separately in Special Appearance / representative material | Yusuf Hotep-El is the named appellant-defendant |

Evidentiary Distinction. No source presently identified in this Notice establishes that Prince Ra Hotep El and Yusuf Hotep-El are the same individual. No identity relationship should be inferred merely because both names contain "Hotep" and "El." The Notice also disputes any unsupported assertion of reciprocal familial, legal, commercial, financial, or organizational relationships between them.

Nature of the Search-Identity Injury. Where Google's search systems, generated summaries, entity-resolution systems, snippets, Knowledge Panels, related-search mechanisms, or other Google-controlled presentations cause information concerning Yusuf Hotep-El to appear as information about Prince Ra Hotep El, the resulting presentation creates a substantial risk of mistaken identity, particularly where the associated material concerns a criminal proceeding or the characterization "sovereign citizen."

Google-generated material preserved with this Notice described an association between Prince Ra Hotep El and Yusef/ Yusuf Hotep-El as involving two different people and as an algorithmic identity problem. That material is preserved as evidence of what Google's generated system displayed, not as binding legal authority.

## SECTION III: DISPUTED NEVADA PARTY AND CAPACITY CHARACTERIZATION

The preserved Justia reproduction identifies Princess Emilily Hotep El and Monica Rene Hall Estate Trust as Petitioners. It separately records Filing 3 as a Notice of Special Appearance by Prince Ra Hotep El and Monica Rene Hall Estate Trust and lists Prince Ra EL as representing the Estate Trust. This Notice requests identification of any source record that purportedly makes Prince Ra Hotep El an individual Petitioner or Plaintiff in Case No. 2:22-cv-00874.

Prince Ra Hotep El states that his participation concerning Estate/Trust records was in an asserted representative/ executor capacity. That capacity should be verified against the actual instruments and filings. This Notice does not ask Google to decide the legal authority of an executor or whether a trust may appear in federal court without licensed counsel.

## SECTION IV: DISPUTED NAMES, ALIASES, BUSINESS TRUSTS, AND CREATIVE IDENTIFIERS

- Prince Ra Hotep El - the identity and court capacity at issue.
- David Jr Hall / David Jr Hall Business Trust - the Notice disputes converting a Business Trust designation into a personal alias without a supporting source.
- Dave Beano - asserted as a creative, musical, artistic, clothing/design, or commercial identifier; artistic or brand use should not automatically be presented as a legal alias.
- David Beloved / David B. Hall Jr. - any association should identify the exact source supporting the spelling, identity match, and claimed relationship.

A lawful former name may remain historically relevant in authentic records. The requested correction is not an attempt to erase accurate historical records; it seeks to prevent unsupported conversion of separate capacities, brands, business trust names, misspellings, or unrelated persons into a current personal-alias profile.

## SECTION V: DISPUTED "SOVEREIGN CITIZEN" CHARACTERIZATION

The term "sovereign citizen" is disputed as an identity label for Prince Ra Hotep El. The supplied Justia docket does not contain that phrase. Any Google-controlled presentation using the label should identify its exact source and context. If a source contains the phrase only in a denial, quotation, legal argument, or discussion, the presence of those words should not automatically be transformed into a factual classification of the person. The separate Indiana publication concerning Yusuf Hotep-El likewise should not be used as evidence that Prince Ra Hotep El bears the same characterization.

## SECTION VI: NEVADA PROPERTY, MEDIATION, DEBT-COLLECTION, AND COLOR-OF-LAW ISSUES PRESERVED

The Claimants preserve allegations concerning Nevada property and foreclosure processes, mediation, the role and authority of Aldridge Pite LLP and/or Aldridge Pite Haan LLP, licensing or certification, party identity, property interests, and claimed injury to Monica Rene Hall Estate/Business Trust, its fiduciaries, and beneficiaries. These allegations require documentary proof and are not stated here as adjudicated facts.

The supporting exhibits should identify the operative Nevada Supreme Court rule or mediation authority in effect at the relevant time; the applicable licensing or debt-collection provisions; entity and engagement records; assignments; title and property instruments; notices; orders; enforcement records; and the actual state and federal dockets.

## SECTION VII: CONSTITUTIONAL, SUPREMACY CLAUSE, AND COLOR-OF-LAW FRAMEWORK

Article VI establishes the federal constitutional supremacy framework. The Fourteenth Amendment protects against qualifying state deprivations of life, liberty, or property without due process of law. Nevada Constitution Article 1, Section 8 likewise contains due-process and property protections. 42 U.S.C. § 1983 supplies a civil cause of action for qualifying deprivations of federal rights by persons acting under color of state law. 18 U.S.C. § 242 addresses willful deprivation of protected rights under color of law as a federal criminal matter enforced by governmental authorities. A disagreement with a judicial ruling, standing alone, does not establish a color-of-law violation.

## SECTION VIII: TREATY AND INTERNATIONAL HUMAN-RIGHTS ISSUES PRESERVED

The Claimants preserve properly supported treaty arguments and human-rights concerns, including equality, effective remedy, fair hearing, privacy and reputation, property, and non-discrimination. Potentially relevant instruments may include the Treaty of Peace and Friendship, specifically applicable Indigenous treaties, the Universal Declaration of Human Rights, the International Covenant on Civil and Political Rights, the International Convention on the

Elimination of All Forms of Racial Discrimination, the United Nations Declaration on the Rights of Indigenous Peoples, and the American Declaration on the Rights and Duties of Man.

These authorities differ in legal status, enforceability, reservations, implementing legislation, jurisdiction, and remedies. Their inclusion preserves issues for appropriate review and does not establish that every instrument creates a private cause of action or that a violation has already been adjudicated.

## SECTION IX: GOOGLE'S SEPTEMBER 1, 2026 REQUEST FOR CLARIFICATION

Google Legal Request No. 7-7144000041185 received a response from removals@google.com dated September 1, 2026. Google stated that it had reviewed the request, was unable to fully understand it, and invited additional details so that it could investigate further. This supplemental Notice and the A-Z exhibit structure are intended to provide the requested clarification in a source-specific, issue-specific form.

## SECTION X: FORMAL DEMANDS FOR REVIEW, CORRECTION, AND PRESERVATION

- Conduct an appropriate manual review of the specifically challenged search associations.
- Decouple Prince Ra Hotep El from Yusuf Hotep-El and the Indiana criminal matter absent reliable evidence establishing an identity connection.
- Correct unsupported Google-controlled identity/entity associations, snippets, generated summaries, or Knowledge Panel information.
- Identify the exact third-party URL, docket entry, data provider, or source relied upon for each association Google declines to correct.
- Do not present Prince Ra Hotep El as an individual Petitioner/Plaintiff in the Nevada matter unless the underlying court record supports that designation.
- Review unsupported alias associations and distinguish former legal names, trust/business names, brands, artistic identifiers, misspellings, and unrelated persons.
- Review the source and context of any "sovereign citizen" characterization associated with Prince Ra Hotep El.
- Where an underlying third-party source has been corrected or removed, recrawl and update Search in accordance with applicable Google procedures.
- Preserve complaint tickets, submitted URLs, responsive communications, and other records reasonably associated with the specific correction requests.
- Provide a written response identifying what was corrected, what remains, and the source relied upon for any disputed association Google declines to correct.

## SECTION XI: NOTICE FOLLOWING ACTUAL KNOWLEDGE

After receipt of this supplemental documentation, continued presentation of a specifically identified and demonstrably unsupported identity association may be relevant to questions of notice, knowledge, reasonableness, available corrective measures, causation, and any remedies permitted by applicable law. Nothing herein presumes Google's liability before those issues are determined by an authority with jurisdiction.

Respectfully submitted,

UCC 1-308

Disclosure and Notice - To force manual engineering reviews and formalize your record corrections while your legal correspondence is being evaluated, you must utilize Google's explicit administrative portals. Standard emails or general customer service queues do not reach the data integrity departments. [1]

Use these precise compliance tracks and official portals to address the defamation, data conflation, and pejorative labeling. [2, 3]

1. The Legal Defamation and Content Removal Track

When an automated algorithm associates a person's name with an unrelated individual or a damaging pejorative term like "sovereign citizen," it constitutes actionable identity injury. You must submit specific web forms to create a traceable legal ticket. [3, 4]

- Main Content Escalation Portal: Use the main Google Report Content for Legal Reasons Tool (https://support.google.com/legal/troubleshooter/1114905?hl=en). Select "Google Search" as the product, and choose the option specifying Defamation/Reputational Injury. [1, 5, 6]
- Defamation Claim Specifics: Access the explicit Google Legal Defamation Overview Form (https://support.google.com/legal-help-center/answer/16833565?hl=en). You will need to provide:
  - The exact URLs of the search result pages showing the conflation.
  - A statement clarifying that Prince Ra Hotep El and Yusef Hotep-El are entirely separate entities residing in different states.
  - Proof of real-world harm (e.g., how the pejorative labeling actively disrupts banking, travel, or property leases). [3, 7, 8]

2. The Knowledge Panel & Entity Decoupling Track

If Google has generated a Knowledge Panel (the summary box at the top or side of the screen) that blends the two identities together or appends the unauthorized "sovereign citizen" classification, you must seize control of that data node.[4, 9]

- Claiming the Digital Entity: Search for the specific name. Look directly at the bottom of the consolidated summary card for a button reading "Claim this knowledge panel". This process requires uploading identification to prove you are the authorized representative/executor of the entity. [9, 10]
- The Direct Feedback Path: If you cannot claim it immediately, click the small "Feedback" or "Suggest Edits"text at the very bottom right corner of the Knowledge Panel. Select the specific text blocks that are incorrect, label them as "Inaccurate / Defamatory," and paste the structural details showing the cross-contamination. [11, 12]

3. Forcing an Outdated Cache Clear

## SECTION I: PREAMBLE & SOVEREIGN STATUS

TO: Google LLC, Legal Department and Data Integrity Compliance Division
FROM: Prince Ra Hotep El, in the lawful capacity of Executor and Trustee for the Estate and Trust Property

DATE OF NOTICE: August 30, 2026

NOTICE TYPE: Formal Notice of Algorithmic Mis-association, Defamation, and Intent to Hold Liable

**NOTICE TO AGENT IS NOTICE TO PRINCIPAL; NOTICE TO PRINCIPAL IS NOTICE TO AGENT.**

Lawful Capacity and Mandate: I, Prince Ra Hotep El, execute this document in my lawful, binding capacity as the designated Executor and Trustee holding legal title and fiduciary responsibility to protect, defend, and safeguard the assets, estate, and property held within the Trust from any external injury, unlawful seizure, or reputational devaluation.

The Supreme Law of the Land: This Notice explicitly invokes Article VI, Clause 2 of the United States Constitution (The Supremacy Clause), which establishes that the Constitution and all Treaties made under the authority of the United States shall be the supreme Law of the Land.

No localized judicial opinions, administrative court rules, municipal codes, or private corporate automated indexing policies possess the lawful authority to override, amend, or abridge rights secured under the supreme law.

Treaty Framework: The standing, execution, and property protections asserted herein are secured by and tied directly to the Treaty of Peace and Friendship and the binding historical treaties ratified between the United States and Sovereign Indigenous Nations, including but not limited to the Choctaw, Chickasaw, Cherokee, and Blackfoot.

These sovereign compacts protect the estate from corporate overreach and illegal activities conducted under color of law. No private entity or corporate search engine may publish defamatory designations to circumvent these supreme protections.

**SECTION II: THE FIRST CAUSE OF ACTION: ALGORITHMIC MIS-ASSOCIATION AND DATA CONFLATION**

Identification of Serious Algorithmic Error: This Cause of Action arises from a severe, ongoing technical and data-integrity failure within Google's search algorithms. The automated indexing systems have cross-contaminated, merged, and conflated the public records, identity, and profile of Prince Ra Hotep El with an entirely separate, unrelated individual named Yusef Hotep-El.

Evidentiary Distinction: Let the record show that Prince Ra Hotep El and Yusef Hotep-El are two distinct, separate entities operating across different state jurisdictions. They possess no reciprocal familial, legal, commercial, financial, or organizational ties.

The Nature of the Damage: By automatically linking, suggesting, and presenting these two distinct identities as a single consolidated profile or within the same search query return string, Google is actively publishing false, unverified, and misleading public data. This automated cross-contamination creates an immediate, highly destructive digital footprint.

Specific Demand for Engineering Intervention: You are hereby commanded to initiate an immediate manual engineering intervention to decouple, delink, and completely separate the digital identity, search indexing arrays, and search result strings of Prince Ra Hotep El from those of Yusef Hotep-El.

The continued failure to separate these identities following receipt of this formal notice constitutes a reckless disregard for data integrity and active corporate participation in identity defamation.

Respectfully submitted,

*Envoy Prince Ra Hotep El Sultan*
