BANK OF AMERICA RELATIONSHIP AND LETTER OF CREDIT REQUEST

Date: June 21, 2026

To: **Bank of America, N.A. Global Trade & Supply Chain Finance Bank of America Corporate Center 100 North Tryon Street Charlotte, North Carolina 28255**

RE: Request for Irrevocable Standby Letter of Credit Facility Sheriff's Levy Surety Bond Transaction Long-Term Banking Relationship Since 2003

To Whom It May Concern:

The undersigned respectfully submit this request for consideration of an Irrevocable Standby Letter of Credit ("ILOC") facility in support of a proposed Sheriff's Levy Surety Bond in the amount of Fifty-Seven Million Eight Hundred Thousand Dollars ($57,800,000.00).

This request is presented as an expansion of a long-standing relationship with Bank of America and its predecessor banking relationships spanning approximately twenty-three (23) years, beginning in or about 2003 and continuing through the present day.

Throughout this relationship, Prince Ra Hotep El has maintained banking relationships, business development activities, and entrepreneurial ventures utilizing the banking system. In approximately 2005–2006, Prince Ra Hotep El was recognized through a Bank of America business program and received a Most Valuable Participant (MVP) business award associated with the Live The Next Step Program.

The Applicants respectfully request Bank of America review the enclosed underwriting and collateral package for the purpose of establishing an Irrevocable Standby Letter of Credit facility that may be presented to approved surety markets and underwriting organizations.

The requested Letter of Credit is intended to support a Sheriff's Levy Surety Bond associated with ongoing enforcement proceedings and is expected to reduce underwriting uncertainty by providing institutional credit support acceptable to participating sureties.

RELATIONSHIP HISTORY WITH BANK OF AMERICA

The Applicants respectfully note that their relationship with Bank of America extends beyond ordinary banking activities and spans more than two decades.

During prior federal litigation concerning residential property matters in California, Bank of America and representatives of the El Family participated in proceedings before the United States District Court for the Central District of California involving disputes related to mortgage servicing and property interests.

While Bank of America was initially named among parties connected to the matter, the course of proceedings demonstrated areas of mutual interest concerning the protection of property rights, banking records, and the resolution of disputed claims.

The Applicants have maintained a favorable view of Bank of America based upon their historical interactions with the institution, its personnel, and its willingness to engage in the review of financial and business matters over many years.

The banking relationship dates back to approximately 2003 and includes entrepreneurial, educational, and business development activities.

Additionally, Prince Ra Hotep El was recognized through a Bank of America business development initiative and received a Most Valuable Participant (MVP) award associated with the Live The Next Step Program during the 2005–2006 period.

The Applicants submit this package in the spirit of continuing and expanding that long-standing relationship through trust administration services, commercial banking opportunities, treasury management, technology initiatives, and the proposed Irrevocable Standby Letter of Credit facility.

The Applicants believe that the present request represents an opportunity to build upon an established relationship while supporting future growth, innovation, and financial development initiatives.

BANK OF AMERICA RELATIONSHIP AND LETTER OF CREDIT REQUEST

Date: June 21, 2026

To: **Bank of America, N.A. Global Trade & Supply Chain Finance Bank of America Corporate Center 100 North Tryon Street Charlotte, North Carolina 28255**

RE: Request for Irrevocable Standby Letter of Credit Facility Sheriff's Levy Surety Bond Transaction Long-Term Banking Relationship Since 2003

To Whom It May Concern:

The undersigned respectfully submit this request for consideration of an Irrevocable Standby Letter of Credit ("ILOC") facility in support of a proposed Sheriff's Levy Surety Bond in the amount of Fifty-Seven Million Eight Hundred Thousand Dollars ($57,800,000.00).

This request is presented as an expansion of a long-standing relationship with Bank of America and its predecessor banking relationships spanning approximately twenty-three (23) years, beginning in or about 2003 and continuing through the present day.

Throughout this relationship, Prince Ra Hotep El has maintained banking relationships, business development activities, and entrepreneurial ventures utilizing the banking system. In approximately 2005–2006, Prince Ra Hotep El was recognized through a Bank of America business program and received a Most Valuable Participant (MVP) business award associated with the Live The Next Step Program.

The Applicants respectfully request Bank of America review the enclosed underwriting and collateral package for the purpose of establishing an Irrevocable Standby Letter of Credit facility that may be presented to approved surety markets and underwriting organizations.

The requested Letter of Credit is intended to support a Sheriff's Levy Surety Bond associated with ongoing enforcement proceedings and is expected to reduce underwriting uncertainty by providing institutional credit support acceptable to participating sureties.

RELATIONSHIP HISTORY WITH BANK OF AMERICA

The Applicants respectfully note that their relationship with Bank of America extends beyond ordinary banking activities and spans more than two decades.

During prior federal litigation concerning residential property matters in California, Bank of America and representatives of the El Family participated in proceedings before the United States District Court for the Central District of California involving disputes related to mortgage servicing and property interests.

While Bank of America was initially named among parties connected to the matter, the course of proceedings demonstrated areas of mutual interest concerning the protection of property rights, banking records, and the resolution of disputed claims.

The Applicants have maintained a favorable view of Bank of America based upon their historical interactions with the institution, its personnel, and its willingness to engage in the review of financial and business matters over many years.

The banking relationship dates back to approximately 2003 and includes entrepreneurial, educational, and business development activities.

Additionally, Prince Ra Hotep El was recognized through a Bank of America business development initiative and received a Most Valuable Participant (MVP) award associated with the Live The Next Step Program during the 2005–2006 period.

The Applicants submit this package in the spirit of continuing and expanding that long-standing relationship through trust administration services, commercial banking opportunities, treasury management, technology initiatives, and the proposed Irrevocable Standby Letter of Credit facility.

The Applicants believe that the present request represents an opportunity to build upon an established relationship while supporting future growth, innovation, and financial development initiatives.

INDEMNIFYING BOND

Know all Men by these Presents, That we

Princess Emilily Hotep El, Prince Ra Hotep El, and Monica Rene Hall Estate Trust BT,

Petitioners, Case No. 2025 LA 000153,

are held and firmly bound unto Thomas J. Dart, Sheriff of Cook County in the State of Illinois, and to his successors in office, executors, administrators, and assigns, in the penal sum of Fifty-Seven Million Eight Hundred Thousand One Hundred Fifty Dollars ($57,800,150.00).

For the payment of which sum we do hereby jointly and severally bind ourselves, our heirs, executors, and administrators.

The condition of this obligation is such that, whereas, on October 14, 2025, there was issued from the Circuit Court of the Eleventh Judicial Circuit, McLean County, Illinois, McLean County Law & Justice Center, 104 W. Front Street, Bloomington, Illinois 61701, a judgment in favor of Princess Emilily Hotep El, Prince Ra Hotep El, and Monica Rene Hall Estate Trust BT, Petitioners, and against State Farm Fire and Casualty Company, et al., Defendants.

Said judgment was directed to the Sheriff of Cook County to execute. The Sheriff, at the direction of the said Petitioners, is about to execute the judgment by levying upon and taking the following property interests of the Defendants, including accounts, deposits, funds, securities, and other property interests of State Farm Fire & Casualty Company and affiliated entities held at or through BMO Bank N.A., pursuant to the Writ of Execution and levy instructions.

For which act the undersigned hereby indemnifies and agrees to keep harmless the Sheriff from any loss he might sustain by reason of closing the place of business of said Defendants and from any liability to the landlord under the lease relative to said premises or otherwise; or from any loss he might sustain by reason of permitting the said Defendants, in the above entitled cause, to operate and continue its usual business with proceeds to be applied on said execution to the date of sale of the balance of said property, for which act it is further agreed that the Sheriff will be held harmless from any liability to the landlord under the lease or otherwise.

It is a further condition of this obligation that the Principal and Surety are held firmly bound unto the individual Deputy Sheriff who seizes exempt property for any reason, in the sum of twice the value of the property seized plus costs, the payment of which sums we do hereby jointly bind ourselves, our heirs, executors, and administrators.

Now if said Plaintiff shall and do from time to time, and at all times hereafter, defend, save, keep harmless, and indemnify the Sheriff aforesaid, his heirs, executors, administrators, deputies, and all other persons acting under or by instruction of him, from and against all actions, suits, judgments, costs, charges, damages, and expenses whatsoever, including attorney's fees, which may at any time arise by reason of the execution of said judgment, retention of possession, sale of said property under said judgment, or by reason of assisting in such execution or sale, and shall also pay the expense of seizing and caring for the property levied upon or seized thereunder, and the costs for other services of the Sheriff, then this obligation shall be void; otherwise to remain in full force and effect.

6. Source Notes and Proof Retrieval Items

- State Farm Personal Articles Policy schedule identifies Policy No. 28-CJ-J878-7, named insureds Prince Ra Hotep El and Princess Emilily Hotep El, policy period February 3, 2023 to February 3, 2024, and the amended category totals for fine arts, musical instruments, jewelry, bicycles, and furs.
- The PAP schedule itemizes fine arts and musical/studio equipment with coverage amounts and, for many equipment items, serial numbers.
- Ashley Waite / JoAnn Cuevas agency communications show a request for personal-policy receipts, computer purchases, lamps, art paintings, photos, and related documents; the response stated that Ashley would send everything she had and could not place all items in one email.

- Luke Piatek reportedly requested appraisals. The Ashley Waite appraisal file and the additional appraisal referenced by Luke Piatek should be placed behind Exhibit B or H and cross-referenced to the applicable ledger IDs.
- For BOFA presentation, attach all receipts in grouped exhibit order first, then cross-reference by Ledger ID and category. Do not leave loose receipts without a corresponding ledger ID or supplemental intake ID.

7. Accounting Certification / Presentation Sign-Off

Statement: This accounting list is prepared from available schedules, receipts, appraisals, photographs, court records, and vendor/source records for presentation. Additional receipts and appraisals may be added as supplemental exhibits and cross-referenced to the ledger.

Customer Approval

I authorize Bank of America to transfer my funds as set forth in the instructions herein (including debiting my account if applicable), and agree that such transfer of funds is subject to the Bank of America standard transfer agreement (see disclosure pages of this form) and applicable fees. If this is a foreign currency wire transfer, I accept the conversion rate provided by Bank of America at the time the wire is sent.

For a Consumer International wire: We rely on you, the customer, to inform us of the currency of the receiving account (denoted under 'Currency of Recipient Account') so that we may disclose the exchange rate for conversion in the wire process. If you chose to send USD rather than the foreign currency of the account, we will honor your choice, however, we will not be able to provide exchange rate information. Additionally, so that we may provide required disclosures, you must remain in the financial center until we provide you the Remittance Transfer Receipt (RTR). If you leave prior to receiving the RTR, we will cancel the international remittance transfer.

6. You are hereby notified that in the event that you provide an incorrect account number or institutional identifying number, and we are not able to recover the funds, you may lose the amount of the payment order.

7. Except with respect to Remittance Transfers, the Bank may at its option accept your cancellations or amendments to a payment order. You acknowledge that if the Bank attempts to cancel or amend then the reversal request or amendment must be agreed to by each financial institution which has accepted a payment order related to the funds transfer at issue before it will be acted upon and further agree that the Bank shall have no liability if a cancellation or amendment is not effected. You agree that you shall indemnify and hold the Bank and offices, directors, employees, and representatives harmless from and against any and all claims, demands, losses, liabilities and expenses, including attorneys' fees and costs, resulting directly or indirectly from compliance with your cancellation or amendment request.

RECALLING AN INTERNATIONAL WIRE TRANSFER

Once an international wire transfer has been sent it cannot be cancelled. You may request an international wire transfer be recalled, and we will communicate your request to the beneficiary's bank. If the beneficiary's bank agrees to return the funds to us, then upon confirmation of receipt of funds in our accounts, we will credit your account at the current Bank of America buy rate for the currency that day. Please note that the exchange rate will be different from the original rate applied to the outgoing wire, which may result in a loss to you. Furthermore, the foreign bank may assess charges for their services, which will be deducted from the amount returned to you. We will have no liability to you if the foreign bank or foreign beneficiary refuses your request to recall the international wire transfer.

RETURNED WIRES

If an international wire transfer is returned by the receiving bank for no fault of ours, we will credit your account at the current Bank of America retail buy rate for that currency that day. Please note that the exchange rate will be different from the original rate applied to the outgoing wire, which may result in a loss to you. Furthermore, the foreign bank may assess charges for their services, which will be deducted from the amount returned to you.

8. In the event that the Bank shall be liable to you for interest compensation hereunder or under applicable law, interest shall be calculated on the basis of the average Federal Funds rate at the Federal Reserve Bank of Richmond for each day of the period involved computed on the basis of a 360-day year and shall be remitted by (1) direct payment to you, or (2) providing a balance earnings credit to your account with us.

9. The Bank will use best efforts to provide oral, written or electronic notice to you of rejection of a payment order on the execution date of the order; provided, however, that the Bank shall not be liable to you for interest compensation for its failure to give such notice.

10. If you are sending a wire transfer to a bank account that is not denominated in U.S. Dollars ("Non-USD Account"), we recommend and we may require that you convert your payment into the currency of the Non-USD Account ("Local Currency") and send your wire transfer in Local Currency. If you send U.S. Dollars to a Non-USD Account, your payment may be converted into Local Currency by an intermediary bank or the receiving bank (and we may receive compensation in connection with any such conversion). We are not responsible for the exchange rate applied by any intermediary bank or the receiving bank.

11. Rates. The exchange rate that Bank of America will offer you is determined by Bank of America based upon market conditions. Please note that exchange rates for retail transactions are not the same as exchange rates for inter-bank transactions reported in The Wall Street Journal or elsewhere. Exchange rates offered by other dealers, or shown at other sources (including online sources) may be different from Bank of America's rates. We do not accept any liability if our rates are different from rates offered or reported by third parties, or offered by us at a different time, at a different location, for a different transaction amount, or involving a different payment media (banknotes, check, wire transfer, etc.).

Non Real-time Rates. If we assign a currency exchange rate to your transaction, such exchange rate will be determined by us based upon market conditions, We consider many factors in setting out exchange rates, including without limitations exchanges rates charged by other parties, desired rates of return, market risk and credit risk. You acknowledge that exchange rates for retail and commercial transactions, and for transactions effected after regular business hours and on weekends, are different from the exchange rates for large inter-bank transactions effected during the business day, as reported in the Wall Street Journal or elsewhere. Exchange rates offered by other dealers, or shown at other sources (including online sources) may be different from our rates. We do not accept any liability if our rates are different from rates offered or reported by third parties, or offered by us at a different time, at a different location, for a different transaction amount, or involving a different payment media (banknotes, check, wire transfer, etc).

Realtors®, Real Estate Brokers, Closing Attorneys, Buyers and Sellers are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification.

A fraudster will hack into a participant's email account to obtain information about upcoming real estate transactions. After monitoring the account to determine the likely timing of a closing, the fraudster will send an email to the Buyer purporting to be the escrow agent or another party to the transaction. The fraudulent email will contain new wiring instructions or routing information, and will request that the Buyer send funds to a fraudulent account.

Please be advised that the wire instructions listed below are the only wire instructions we will send you. If you receive another email or unsolicited call purporting to provide you with wiring instructions, please immediately call us at (702) 932-3150.

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. DO NOT use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the number of your Realtor®, Real Estate Broker and your escrow officer as soon as an escrow account is opened.** DO NOT send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **DO NOT** forward wire instructions to other parties without first verbally verifying the instructions from the sending party.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do NOT reuse the same password for other online accounts.

Additional Information About This Loan

Loan Disclosures

Assumption
If you sell or transfer this property to another person, your lender
☐ will allow, under certain conditions, this person to assume this loan on the original terms.
☒ will not allow assumption of this loan on the original terms.

Demand Feature
Your loan
☐ has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.
☒ does not have a demand feature.

Late Payment
If your payment is more than *15* days late, your lender will charge a late fee of *5% of the principal and interest overdue.*

Negative Amortization (Increase in Loan Amount)
Under your loan terms, you
☐ are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
☐ may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
☒ do not have a negative amortization feature.

Partial Payments
Your lender
☐ may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
☒ may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
☐ does not accept any partial payments.
If this loan is sold, your new lender may have a different policy.

Security Interest
You are granting a security interest in
8237 FAWN BROOK COURT, LAS VEGAS, NV 89149

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account
For now, your loan
☒ will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	$3,555.09	Estimated total amount over year 1 for your escrowed property costs: *Property Taxes, Homeowner's Insurance*
Non-Escrowed Property Costs over Year 1	$348.37	Estimated total amount over year 1 for your non-escrowed property costs: *HOA Dues* You may have other property costs.
Initial Escrow Payment	$351.36	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	$323.19	The amount included in your total monthly payment.

☐ will not have an escrow account because ☐ you declined it ☐ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow		
Estimated Property Costs over Year 1		Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee		

In the future,
Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

IMPORTANT INFORMATION REGARDING THE ACCOUNT PAYOFF:

1) **Clearance of Funds:** The Payoff Statement assumes that payments made on your account have cleared your financial institution. If a payment you made is returned, you are still responsible to pay that amount, even though we accept the amount of your payoff. Payments received within thirty (30) days of the payoff application are subject to clearance by your financial institution.

2) **Final Verification:** The amounts set forth in this Payoff Statement are subject to final verification.

3) **Expiration:** This Payoff Statement expires and is void after March 29, 2019. You must obtain an updated WRITTEN statement from us if you want to pay off your account after the expiration date. Please allow up to five (5) business days for us to provide you with an updated Payoff Statement (unless state law requires a shorter timeframe).

4) **Prepayment Penalty:** If your mortgage documents indicate a prepayment fee on your account, it is included as part of the total amounts due for payoff. If the prepayment fee should be waived, supporting documentation (final HUD1, grant deed, warranty deed, prepayment rider) must be faxed to (801) 269-4269 prior to the receipt of your payoff funds. Upon receipt, the documents will be reviewed for final determination of waiving the prepayment fee. If you have any questions about the prepayment fee, please contact us at (800) 258-8602.

5) **Foreclosure / Bankruptcy:** If the account is currently subject to a pending foreclosure or bankruptcy action, the attorney fees and costs for services rendered that have been incurred with respect to this pending action have been included in the outstanding amounts due. Legal actions may continue after the date of this letter, and if so, will result in additional attorney fees and costs. An estimate of those amounts to be incurred between the date of this quote and the good through date are included. In the event that upon completion of the related legal work the actual legal fees and costs charged by the attorney to SPS are less than the estimates provided by the attorney in this quote, SPS will apply such overage to any other amounts due and owing. If there are no amounts due, SPS will refund such overage directly to the customer.

6) **Non-Sufficient Funds:** If the amounts received are not sufficient to pay the account in full, we will return the payoff funds in the same manner as they were remitted. Interest will continue to accrue at the daily (per diem) amount shown on the Payoff Statement and late charges may be incurred until sufficient funds are received to pay the account in full. To avoid non-sufficient funds, please confirm the actual payoff amount by calling (800) 258-8602. A satisfaction/release of mortgage will not be recorded until all amounts due under your mortgage documents are received, unless applicable law requires otherwise.

7) **Scheduled Payments:** Do not cancel or stop payment on any of your regularly scheduled monthly payments. **Issuance of this Payoff Statement does not suspend your obligation to make your**

SPS SELECT Portfolio SERVICING, inc.

monthly payments under your mortgage documents. You must continue to make your monthly payments, when due, up until the time your account is paid in full. If the last regular monthly payment you sent to us is returned for insufficient funds, is dishonored due to a stop payment order, or payment is not made for any other reason, the amount required to payoff your account may be higher than shown in this Payoff Statement.

8) **Remittance of Funds:** Payoff amounts must be remitted in U.S. Dollars by money wire, certified or cashier's check, title company check or an attorney's trustee check. No personal or unofficial checks will be accepted. A copy of the Payoff Statement must accompany your payoff check. No deliveries should be made on Saturday, Sunday or legal holidays. I went to Los Angeles County to acquire copies of the documents placed on my home and noticed that the name MONICA RENE HALL and DAVID HALL JR was forged on the documents pertaining to my property. Now from the days of our communications we the claimants have notified the respondents that our names and nationality have been corrected, moreover they have received the same information via their attorneys and the liens filed over the past six years. They continuously respond to outdated and ex relations names and other information. As stated they have a duty to this contract herein and the liens as they are contracts to respond to them and they have failed to do so. I also filed an identity theft claim with the Federal Trade Commission, and filed a claim against JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, through the Consumer Financial Protection Bureau. I demanded under the Freedom of Information Act for the original contract between JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, and myself, the failed to respond. JP MORGAN CHASE NA Aka James Dimon/ Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, failed to respond to all documents that were submitted to them. JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, has never contacted me, sent me a bill, or has made any claims about my property to me. Instead JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc.

Trust Iii, communicates with third parties such as the credit bureaus, Los Angeles County recorder office, and Mortgage Electronic Recording System to place claim to my property, while simultaneously ignoring all of my inquires. On August of 2020 I went back to Los Angeles County to acquire any new documents that may have been placed on my property and not long after filing a complaint with JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, one in which JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, ignored they filed a REQUEST FOR NOTICE with the Los Angeles County in which JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, names the Beneficiary as MORTGAGE ELECTRONIC SYSTEM, Inc. An electronic recording system can not be the beneficiary to any property account (see exhibit). Shortly after filing my identity theft complaint against JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc.

Trust Iii,, Mortgage Electronic System, Inc removed my information from their website only to then re-add the information at a later time. Mortgage Electronic System, Inc was not present during the signing and when Mortgage Electronic System decided to re-add my property information onto their website they did so without my knowledge or consent and committed identity theft in the process. JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, has also submitted claims to the credit bureaus of payments made in regards to my property.

I have NEVER knowingly submitted any payment to JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii,, so where are the funds JP MORGAN CHASE NA Aka James Dimon/Chris CEO of JP Morgan Securities LLC owners and controllers of Bear Stearns Co Inc. Trust Iii, claims to be receiving coming from? Because it is not coming from me or my property. The Respondents have never disputed these facts herein this claim.

The court must show jurisdiction over the treaty, this was not done. On several occasions the Magistrate/Judge would prevent the Claimants from speaking. In one of the claims filed the judge ordered the Claimant Prince Ra El not to speak or he would have him arrested. He the Magistrate asked the Claimant Prince a question then Prince said if I answer you'll have me arrested, then the Magistrate pushed a button and five sheriffs arrived with their hands on their guns, ready to fire on the Claimants. In the matter of Case No. 19STLC03737 as such due to law, this case was vacated due to errors made by the court and the fraud committed by the Defendants/Respondents. The attorneys and law firms committed perjury with the false information presented to the courts on multiple occasions. No Judge can create his own court, the court must prove jurisdiction when challenged, also the court must show that they are an article three court and provide oaths and affirmations filed with the State Department. The Judge or Magistrate cannot claim you or treat you as an attorney and more over the Defendants Legal team or law firm stopped representing the Defendants/Respondents. Before such as stated on the courts website the case was voided out by common law. None of the CEO's herein responded as requested by law with Affidavit of Facts, witnesses, [E.U.O.]examination under oath, or any other due process allowed by Law Common Law and such the like. No one not even their attorneys responded in law with law upholding the US CONSTITUTION and the Treaties herein. The Respondents or Defendants never provided any witnesses, or offered information on whom was harmed from the property of the Claimants. In fact a Signature analysis was filed and it was ignored by the courts. The signature analysis showed that the signatures on the documents presented by the Respondents/Defendants attorneys was forged. That was ignored. The alleged mortgage assignment was filed ten years later by a Toni C Borland in Louisianan on June 17, 2015 by fax to the Los Angeles County Clerk Recorder of Deeds. Thus is fraud due to the fact and evidence filed on that day. JP Morgan Chase NA aka Chase home finance or such the like, entered into the claimants lives approximately 2010 hidden behind a non licensed company named Mandalay Mortgage LLC Steven Kokler President owner. They have alleged that they somehow purchased a non licensed loan from Mandalay MERS and WAMU in the year 2010. JPMORGAN CHASE NA acquired Bear Stearns CO Inc. and subsidiaries, EMC Mortgage LLC, and WAMU in the same year 2008. Then they created forged documents and shared them to State Departments and Credit bureaus going as far back to the year 2004. In the year 2015 JPMORGAN Chase NA claimed that they owned EMC Mortgage LLC and placed that information on the claimants credit reports. The debt was disputed with the CFPB Consumer Financial Protection Bureau in the same year of 2015. The credit history unproven nor true was deleted from the Claimants credit history going all the way back to the year 2004.

In the year of 2017 JPMORGAN Chase NA transferred the fraudulent Mortgage to SPS Select Portfolio Servicing Inc. December 1, 2017 the born day of the Claimant Prince Ra Hotep El as there is no coincidence they were harassing the claimants. The Respondents began mail theft and mail fraud. They would break into the mailbox of the claimants and then reroute the mail to friends and family members around the USA in states like Michigan, Ohio, South Carolina, and so forth. This was done to begin their adverse possession by attempting to embarrass and shame them as if they were not paying their bills to force them to give up the home. Shortly after the Claimants began receiving strange letters from the IRS alleging that they didn't file taxes for the years 2008 – 2015 the dates and times are the same as the claims and investments made by the Claimants in the year of 2008 with US Treasury and Bear Stearns, 2010 a letter from the O.C.C. stating that they needed to file this with the CFPB and other State Departments. The same year JP Morgan Chase NA sent a letter in 2010 stating that if this is your property and its disputed with the CFPB as a fraudulent loan sent a copy or a letter stating these facts. The letter was sent. In 2008 JPMORGAN Chase NA filed a

lien on the property for a fraudulent claim filed in court December 2008 were they won a Default judgment for a no show. The Claimants where never served and a fine and claim was filed against JPMORGAN Chase NA for fraud by the CFPB for creating fraudulent credit cards in the names of the Claimants and in 2014 the Law firm that filed this fraudulent claim on the behalf of JPMORGAN Chase NA was overturned and dismissed. The Fraudulent credit card that was also 1099c within that same year filed by JPMORGAN Chase NA and reported to the IRS in 2010. Then the IRS went after the Claimants and took funds out of their account for the debt but never returned the funds after the case was overturned by the State Departments and the CFPB. Total amount was approximately $12,500.00. The year 2017 the claimants decided to move from their home dealing with the mail theft mail fraud harassment and then aging parents in a near by state of NV. Put the home up for sale with a local realitors whom its believed they gave copies of keys to the banks US Bank Trust NA and JPMORGAN Chase NA as well Select Portfolio Servicing Inc. The Claimants purchased a home near sick and aging parents in NV. The parents had received multiple letters from JPMORGAN Chase NA since 2015. There is no credit history nor a contract between adverse parties within this matter. The information that has been shared with the Credit Bureaus and State Departments have been newly created, forged and duplicates without a true wet signature from the claimants. The claimants had done a handwriting expert whom clearly stated that the signatures on the documents presented to the State Departments and Courts were at best forged. No credit history with the Respondents is clear. Since paying of the home with EMC Mortgage LLC April 16, 2007 before being acquired by JPMORGAN September of 2008, they have purchased other investments, homes, property, cars etc,... This debt was newly created to take the identity of the Claimants whom have invested with Bear Stearns Mortgage Backed Assets since 2008. **CUSIP NUMBER 93934JAA2 for the home 4203 Norval Ave Lancaster CA [93536] and CUSIP NUMBER 91282823 both Bear Stearns Co. Inc investments.** This was to destroy the Claimants creating a humiliating and humbling experience to break their spirits and embarrass them so bad before their neighbors friends and family that they would just give up and except the lie to be real. When this didn't work the Claimants experience harassment, a cocktail bombing at a rental property where they moved from shortly after. Mail theft, mail transferred to strange addresses unknown to the Claimants. Credit reporting the claimants had purchased homes or apartments in Washington DC, Philadelphia, New York, Detroit, and other places. Also their credit reports would show multiple attempts of SPS, JPMC, US Bank, MERS, and others attempting to file fraudulent made up credit histories which all had been deleted by this point in time. In 2019 the Claimants mailed a payment in full based upon the demands from SPS in the amount shown on the Exhibits herein. Then the Claimants would later learn that there was no true foreclosure and the Public Auction sale was not real and had been changed or deleted multiple times, because the Respondents knew that the Claimants would show up and prove that their home was paid off multiple occasions in 2007 and again in 2019. This had been reported to the FDIC, FTC, OCC, CFPB, and many other state Departments including the SEC and FINRA and it took from 2015 till 2020 for the SEC to find these facts as at one point in time. January 2020 the claimants were involved in the SEC's whistle blower program but the SEC stated that they do not recognize Moors as Native American and that it would be best that they got their own counsel/Consul and peruse Bear Stearns Co Inc.. So in the Month of February 2020 the Claimants filed UCC1 liens with State Departments and COMMON LAW COURT OTH/20/United Nations Seat: 215-1993/ MN 512-3 where their claims have been undisputed by the respondents for over 120 days where the Respondents have a duty to respond and failed to do so to this date and time. Their attempts was to discourage Claimants from perusing their investments home and property by overwhelming them with all these fraudulent acts. The Respondents would somehow convince State Departments and Courts without witnesses evidence or EUO's Affidavits, etc,.. Failure of Due Process.

DEFINITIONS AND EXPLANATIONS; The history of banks and corporations and the dealings with the United States of America or doing business with the United States of America has shown that there has been a strong disparity of people with my skin tone owning homes or property. Since the mid to late 1800's my ancestors have endured identity theft, property theft, wrongful imprisonment, harassment from outside entities occupying our land. We were wrongfully placed in black codes known as black, negro, colored, or African cameraman when we are the aboriginal people of this land. No government or corporation based upon law and treaty (treaty is the law of the land) known can own property or take property, they can only buy or trade with the original or aboriginal people of the land and that's based upon treaties.

CONSPIRACY: The Respondents used inside contacts and connections to remove filed documents with the Los Angeles County Recorder. The idea of stating to county recorder that we never paid the debt in full when it was paid April 16, 2007 and again TOP tender of Payment on or about approximately January 2,

2019 out of common law courtesy and due process it was tendered based upon the account number they illegally acquired. The Respondents never held a public auction. Each chance the auction was canceled. The Respondent claimed to have served the Claimants with foreclosure documents rather there is no proof of service. As such the disparity continues today for many of my people have been forced off their land at gunpoint based upon fraudulent information, activities, conspiracies provided to local sheriffs by these corporations and banks.

MORTGAGE ASSIGNMENT; MUST BE FILED WITHIN THE FIRST 30 DAYS OF PURCHASE/ SALE OF HOME OR PROPERTY. The law is clear that if there is a contract between parties within a transaction, payment must be presented before the sale or acquisition of property is claimed sold or auctioned off, none were done not even attempted by the Respondents.

TRESPASSING;
A) see N.R.S. 207.200
B) see California Codes
C) see 25 CFR 11.411 – criminal trespass

DISCRIMINATION; Assumptions because I am female with dark skin they assumed that I am
A) Negro
B) Black
C) Colored
D) Minor
E) African Americans

The Respondents used the system and their system to create fraudulent mortgage assignments to throw off the cent of the investments with Bear Stearns Co. Inc as in the Mortgage Backed Asset investment.

A letter from a Hazel Dodoo employed with JPMORGAN stated on January 2015 that no mortgage assignment exist, not on Photo copy Microphice and so forth. She suggested that the Claimants go to the local court house and the County recorder to find out whom owned their mortgage. See exhibits.

Hazel Dodoo works within the R&D department of JPMORGAN, and clearly communicated these facts via USPS mail, and emails.

Being that the Claimants are Moors from the Washitaw Tribe of the Republic, they are being discriminated e economically and such causes hardships and set backs. The Respondents attempted to use black codes and such the like to prevent the Claimants from obtain and having and enjoying their property. Thus being that this is continued theft and fraud of a peoples identity and land this is considered REPARATIONS to repair a nation the damaging party under oath must repay from all damages herein.

The aboriginal people known as the Moors or Washitaw Moors have treaties of commerce, peace and friendship, trade, and monetary treaties where our logo and insignia is on the U.S. dollar. That insignia or logo that represents our nation is the all seeing eye on the pyramid we make claim to our nationality and our history. ADVERSE POSSESSION; REFERS TO A LEGAL PRINCIPLE THAT GRANTS TITLE TO SOMEONE WHO RESIDES ON OR IS IN POSSESSIONS OF ANOTHER PERSON'S LAND. I Princess Emilily Hotep El and my Husband Prince Ra Hotep El partner not married but common law, have never known this to be a fact or given anyone permission and I am not in contract with none of these parties. ADVERSE POSSESSION VOIDED. In short, the Respondents took claim and control of the property without honoring the Mechanics lien valued at $2,460,000.00 for upkeep, repairs on the home stucco, outside inside painting lawn maintenance etc,... they simply called in a favor and red lined the Claimants home with false documents recorded and filed in the county during COVID19 such down as the Claimants decided not to go back to the home after the breaking and entering during such times in fear of their lives, for one the amount of Police shootings and lynchings in that area has risen since the 1980s as well the spread of COVID19 during the Months of March thru June, as such was the time of the alleged sale by US BANK and JPMORGAN CHASE NA held online allegedly by HUD/FHA when there is no record of HUD/FHA being involved. Once HUD was contacted they denied any involvement on their website and any control contracts or ownership with the Claimants home, land and property. This claim has been filed with all the State Departments listed or not listed herein such as the California Insurance Agency David Jones Commissioner, California Consumer Affairs, DOJ, County Recorder, total **$3,415,470.00.**

The respondents have never disputed these facts herein this claim and have never responded although they have received multiple copies reminders and lien information from the State departments that of NY, DE, NV and CA, have they have responded to dispute when they have a duty to respond alleging that there is a contract between adverse parties. Upon this property was and is placed in common law court and on Los Angeles County State Court record an Allodial Title as well this property is within an Estate Trust and cannot be sold unto paid off in full all of the liens and the price value of the property and missing items therein. More over the cases that the Respondents may alleged to have been dismissed are not true, in fact all of the orders and cases have been void due to no jurisdiction over a man or woman. No Jurisdiction over Moorish Treaties or titles. As well the previous case no. 19CST03737 was vacated due to clerk magistrate court errors and other major concerns and issues therein. As of January 1, 2020 realitors became involved sending letters to neighbors requesting keys to the Claimants property. No keys were provided and thus is breaking and entering, GRAND LARCENY theft of property. They also included the FHA/HUD and had it listed on their websites and or a fake fraudulent website posing as the Federal Housing Authority.

23. If any differences shall arise by either Party infringing on any of the Articles of this Treaty, Peace and Harmony shall remain notwithstanding in the fullest force, until a friendly Application shall be made for an Arrangement, and until that Application shall be rejected, no appeal shall be made to Arms. And if a War shall break out between the Parties, Nine Months shall be granted to all the Subjects of both Parties, to dispose of their Effects and retire with Property. And it is further declared that whatever indulgences in Trade or otherwise shall be granted to any of the Christian Powers, the Citizens of the United States shall be equally entitled to them.

24. This Treaty shall continue in full Force, with the help of God for Fifty Years. We have delivered this Book into the Hands of the before-mentioned Thomas Barclay on the first day of the blessed Month of Ramadan, in the Year One thousand two hundred. I certify that the annexed is a true Copy of the Translation made by Issac Cardoza Nunez, Interpreter at Morocco, of the treaty between the Emperor of

Morocco and the United States of America.

Treaty of Peace and Friendship in Arabic Morocco is one of the first countries to recognize the independence of the United States as the Sultan Sidi Mohammad Ben Abdullah issued a declaration in 1777 allowing American ships access to Moroccan ports. In 1787 a Treaty of peace and friendship was signed in Marrakech and ratified in 1836. It is still in force making it the longest unbroken treaty in the U.S history. The U.S had also its first consulate in Tangier in 1797 in a building given by the sultan Moulay Sliman. It is the oldest U.S diplomatic property in the world. Below is the Treaty called the "Marrakech Treaty" in its original form as was written in 1786.

"This is a Treaty of Peace and Friendship established between Morocco and the United States of America, which is confirmed, and which we have ordered to be written in this Book and sealed with our Royal Seal at our Court of Morocco on the twenty fifth day of the blessed Month of Shaban, in the Year One thousand two hundred, trusting in God it will remain permanent" The Sultan Mohammad Ben Abdullah.

2. If one of the Parties shall be at War with any Nation whatsoever, the other Party shall not take a Commission either from the Enemy nor fight under their Colors.

3. If either of the Parties shall be at War with any Nation whatever and take a Prize belonging to that Nation, and there shall be found on board Subjects or Effects belonging to of the Parties, the Subjects shall be set at Liberty and the Effects returned to the Owners. In addition, if any Goods belonging to any Nation, with whom either of the Parties shall be at War, shall be loaded on Vessels belonging to the other Party, they shall pass free and unmolested without any attempt being made to take or detain them.

The United States of America was never Christian Nation- Here is my legal Proof.
One of the hard facts of life is that the United States of America is not a Christian Nation. The following Treaty was made by the United States of America with the Barbary Pirates. It passed the 5th Congress without a hitch. Article 11 was made part of the record to convince the Muslims that the United States of America is not a Christian Nation, and therefore peace could be established between the two nations.

Treaty articles[edit] The capitulation of 1492 contained sixty-seven articles among which were the following: [citation needed]

- That both great and small should be perfectly secure in their persons, families, and properties.
- That they should be allowed to continue in their dwellings and residences, whether in the city, the suburbs, or any other part of the country.
- That their laws should be preserved as they were before, and that no-one should judge them except by those same laws.
- That their mosques, and the religious endowments appertaining to them, should remain as they were in the times of Islam.
- That no Christian should enter the house of a Muslim, or insult him in any way.
- That no Christian or Jew holding public offices by the appointment of the late Sultan should be allowed to exercise his functions or rule over them.
- That all Muslim captives taken during the siege of Granada, from whatever part of the country they might have come, but especially the nobles and chiefs mentioned in the agreement, should be liberated.
- That such Muslim captives as might have escaped from their Christians masters, and taken refuge in Granada, should not be surrendered; but that the Sultan should be bound to pay the price of such captives to their owners.
- That all those who might choose to cross over to Africa should be allowed to take their departure within a certain time, and be conveyed thither in the king's ships, and without any pecuniary tax being imposed on them, beyond the mere charge for passage, and
- That after the expiration of that time no Muslim should be hindered from departing, provided he paid, in addition to the price of his passage, the tithe of whatever property he might carry along with him.
- That no-one should be prosecuted and punished for the crime of another man.
- That the Christians who had embraced Islam should not be compelled to relinquish it and adopt their former creed.
- That any Muslim wishing to become a Christian should be allowed some days to consider the step he was about to take; after which he is to be questioned by both a Muslim and a Christian judge

concerning his intended change, and if, after this examination, he still refused to return to Islam, he should be permitted to follow his own inclination.

- That no Muslim should be prosecuted for the death of a Christian slain during the siege; and that no restitution of property taken during this war should be enforced.
- That no Muslim should be subject to have Christian soldiers billeted upon him, or be transported to provinces of this kingdom against his will.
- That no increase should be made to the usual imposts, but that, on the contrary, all the oppressive taxes lately imposed should be immediately suppressed.
- That no Christian should be allowed to peep over the wall, or into the house of a Muslim or enter a mosque.
- That any Muslim choosing to travel or reside among the Christians should be perfectly secure in his person and property.
- That no badge or distinctive mark be put upon them, as was done with the Jews and Mudejares.
- That no muezzin should be interrupted in the act of calling the people to prayer, and no Muslim molested either in the performance of his daily devotions or in the observance of his fast, or in any other religious ceremony; but that if a Christian should be found laughing at them he should be punished for it.
- That the Muslims should be exempted from all taxation for a certain number of years.
- That the Lord of Rome, the Pope, should be requested to give his assent to the above conditions, and sign the treaty himself. [This request by the Moorish side was not carried out.]

Implementation and breakdown[edit]

Forced conversions under Francisco Jiménez de Cisneros were seen as violations of the treaty and the main reason for the later rebellions by the Muslim population. Painting by Edwin Long
Further information: Rebellion of the Alpujarras (1499–1501)

Initially, the Catholic conquerors implemented and reinforced the generous terms of the treaty. A joint municipal council was established in Granada, and the Muslims were allowed to elect their own representatives. Despite pressure from the Spanish clergy, Ferdinand chose a laissez-faire policy towards the Muslim in the hope that interaction with Catholics will make them "understand the error" of their faith and abandon it. Hernando de Talavera, a friar of converso origins known for his moderation and piety, was appointed as the archbishop of Granada. He was known for his preference of preaching based on "Catholic reasoning" as opposed to "punishments and lashes". When Ferdinand and Isabella visited the city in the summer of 1499, they were greeted by enthusiastic crowd, including Muslims.[2]

At the same time, cardinal Francisco Jiménez de Cisneros, the archbishop of Toledo, arrived in Granada and began working alongside Talavera. Cisneros disliked Talavera's approach, and began sending uncooperative Muslims, especially the noblemen, to prison where they were treated harshly until they agreed to convert. Emboldened by the increase in conversions, Cisneros intensified the efforts and in December 1499 he told Pope Alexander VI that three thousand Muslims converted in a single day. Cisneros' own church council warned that these methods might be a breach of the Treaty, and sixteenth-century hagiographer Álvar Gómez de Castro described the approach as "methods that were not correct".[3]

In December 1499, amid the increasingly forced conversions and triggered by an incident involving an attempt by the authorities to reconvert a Muslim woman who had converted from Christianity, the population of Albayzín (the Muslim quarter of Granada) began an open and armed revolt. Talavera and Captain-General Tendilla resolved the situation by negotiating with the Muslims. Meanwhile, Cisneros was summoned to the court in Seville to account for his actions. He convinced the Catholic monarchs to issue a collective pardons on the rebels, on condition that they convert to Christianity. Consequently, the whole city of Granada nominally became Christian, and the treaty began to unravel.[4]
